## Punt, Pass, Kick Contest Saturday At Rodeo Grounds

Annual Punt, Pass and Kick contest for boys 8 through 13 years of age will be Saturday at the rodeo grounds, Heppner, starting at 2 p.m. Dave Barnett, sales manager for Heppner Auto Sales, Inc., announces.

The contest is sponsored cooperatively by Heppner Auto Sales and the Lone Lions club. The club members assist at the grounds in staging the event, and Don Bristow, president, will be on hand Saturday to help.

Deadline for registration for the event is Saturday, October 7, and the boy is asked to come to Heppner Auto Sales with a parent to register.

Winners in each age bracket will receive beautiful Medal of Achievement Awards. There will be three such awards in each age bracket.

The winners will then be entered with other local winners from other areas to compete for all-expense-paid trips with dad to further competitions at National Football League games.

Top winners from throughout the nation will go on a "Tour of Champions" with both parents in Washington, D. C., and to the annual NFL game in Miami, Florida.

A booklet on tips for punting, passing and kicking, written by NFL experts, is given to each boy at the time of registration, together with an attractive PP & K tie-lapel pin.

**SCHOOL LUNCH MENUS**  
Heppner Elementary School and Heppner High School  
October 10 to 13

October 10—Lunch meat sandwiches, bean soup, carrot and raisin salad, fruit cobbler, milk.

October 11—Sloppy Joes, green beans, lettuce wedge with dressing, fresh fruit, milk.

October 12—"More", celery and carrots, fruit jello, bread and butter, milk.

October 13—Beans and wieners, mixed vegetables, prune crunch, bread and butter, milk.

## Madras' Passing Whips Mustangs

Passing killed the Heppner High Mustangs in a Greater Oregon League football game against Madras on the White Buffaloes field Saturday afternoon. The Buffaloes scored all three of their touchdowns by the aerial route.

The contest, termed a "slow and sluggish" game by Coach Ed Hiemstra, stood all even at halftime, 6 to 6, with the Madras eleven scoring first, then in the second half the home team tallied in each quarter while Heppner was able to reach the end zone only once more.

Scoring passes for the winners were 14, 53 and 24 yards. The only point after touchdown that was made was after the second score. It was kicked from the 17 after Madras had been penalized 15 yards for holding.

Heppner's first half touchdown came when Mike Alsup, all conference tackle last season at Sherman county, intercepted a White Buffalo pass and ran long yardage for the score. The point try was good.

In the fourth quarter, a Heppner march ended with a score on a pass from Quarterback David Hill to Jim Doherty, covering eight yards. Alsup's kick was good for the point.

This drive generated when Hill hit Steve Pettyjohn from the Madras 46 for a 12-yard pass and a first down. Jim Jacobs ran for six yards, and Doherty went around end for two. A Hill-Doherty pass was then good for 18 and another pass from the eight did the trick. But it was still one touchdown and an extra point short of victory.

Numerous penalties marred the game, and the Mustangs exhibited fumblyitis at times. Coach Hiemstra said that Stan Rauch, tackle, looked good in part of the game on defense and Allyn Witherrite also showed some spark for the Mustangs. Jacobs offensive running was another bright spot, as was Alsup's interception of the Madras pass.

HEPPNER HIGH'S lively cheerleaders, who attended the national cheerleaders' school at Squaw Valley, Calif., during the summer, will do their enthusiastic best to cheer the Mustang football team to victory Friday night here against the Burns Hillanders. From left are Pam McCabe, Marsha Lovgren, Peggy Snyder and Verina French. The girls devote a great amount of time and energy to develop their routines. (G-T Photo by Spike Pardee).

## Pony Team Downs Arlington, 26-7

By TERRY HUGHES

Heppner Ponies football team met the Arlington Goslings at Arlington on Friday, September 30, and came home on the long end of a 26-7 score.

After numerous penalties were called early in the game, John Hall of Heppner scored the first touchdown. Three attempts for the extra point failed. Penalties gave the Ponies the extra chances.

Dean Wright of Heppner caught a pass and ran for the second touchdown of the game. Tommy Hughes pitched a pass to La Verne Van Marter who scored the extra point.

Going into the second quarter, Heppner led 13-0. Kevin Dick then picked up a fumble and scored again for Heppner.

In the third quarter, Hall duplicated the feat. He picked up a fumble and ran it over. Hughes then took a pass for the extra point, making the score 26-0.

In the fourth quarter, Ruben Wetherall ran over for a touchdown for Arlington. Craig Sumner took a pass for the extra point.

The Ponies, undefeated this season, play Irrigon October 7 at 2 p.m. in Heppner.

## Mustang Spirits High For Burns Here Friday

"After you stop the running of their halfbacks and fullback, and then stop their passing game, they should be pretty weak."

This was the dubiously optimistic appraisal of the Burns High football team by Heppner's assistant coach, Adrian Cook, in anticipation of the game with the Hillanders on the rodeo grounds field here Friday night at 8 p.m.

Interpreted in another way, if one can stop their offense, they don't pose much of a threat.

Coach Ed Hiemstra put it in somewhat more realistic terms when he said that "Burns will be the toughest team we'll play this year."

Heppner's Friday night Greater Oregon League opponent has three fine backs in Mike Virgil, Roger Beard and a young fellow named Fig at quarterback.

But the Mustangs haven't shown any qualms about meeting the Hillanders. Tuesday's practice found the squad high-spirited and getting keyed up for Burns.

"There is no team that they would rather beat," Coach Hiemstra said.

He was disappointed with his team's showing at Madras, saying that the squad looked sluggish and slow. They were good only in flashes. He expects a more consistent performance against Burns.

Injuries have taken a big chunk out of the Mustang man power. Jim Doherty sustained an injury against Madras and is on the doubtful list for Friday night. Dean Kindle is improving following an injury and may be ready to go. Russ Killenny is suffering from a wrenched knee, and Roger Britt also is having knee trouble.

Frank Lovgren is out for the season with a broken leg, as is Gary Kemp of the Jayvees. Another one of the varsity, center Al Drake, will be lost for a couple of weeks as he makes the trip to the national FFA convention. Still another top prospect on the squad is out because of low grades. Hiemstra said.

But despite the dwindling manpower, the Mustangs expect to be in the thick of things here Friday night. They have always made a good showing against Burns and the big crowd that comes to see them will undoubtedly find this to be no exception.

A "record hop" dance will be held for students after the game in the Heppner High school from 10 to 11:30.

## Pirates Ramble Over Cardinals For 32-19 Win

Riverside High's 8-man football team rambled against Lone High at Boardman Friday for a 32-19 win over the Cardinals.

The Pirates rolled to an 18 point advantage in the first quarter with Gary Baird, Chester Phillips, and Mike Partlow scoring. Partlow dashed 37 yards for his touchdown. None of the point tries was good.

The score moved to 25-0 in the second period when Phillips sneaked over from the one-yard stripe for a touchdown and Partlow ran the extra point.

At this point the Cards marshaled their forces and got on the scoreboard when Chris Lovgren pitched a pass to Eddie Sherman. The pass and run to the end zone was good for 35 yards. Sherman ran the conversion point.

Coming back in the third quarter with the score standing 25-7 for the Pirates, Riverside struck again when Baird broke through for a 12 yard run to the end zone and then added the extra point.

The tide shifted to the lone side in the fourth quarter when Lovgren tallied on a sneak and later pitched another pass to Sherman, good for 40 yards, to score a final touchdown.

Score: 1 2 3 4  
Lone: 0 7 0 12-19  
Riverside: 18 7 7 0-32

### GUIDANCE AND COUNSELING AT HEPPNER HIGH SCHOOL.

This school year marks the beginning of the seventh year for the guidance and counseling program in Heppner High School.

The counselors, Mrs. Violet Lanham and Mr. W. J. Fielder, in addition to helping students daily who may have personal problems arising which they wish to discuss, attempt to schedule at least two conferences during the year with every student enrolled in school. The purposes of the conferences are two-fold:

1. To enable the counselors to become better acquainted with each student.
  2. To help the student plan not only his four years in high school, but also the years after high school.
- Some students are definitely interested only in occupational or technical training after graduating from high school. A few may be interested in military training. For these students as much pertinent information as is available is given to them. Other students are interested in furthering their education in an institution of higher learning. Materials and catalogs are made available to them also.
- The counseling department carries on a testing program for all students in an attempt to determine their achievements and probable capabilities. The freshmen, before entering high school, take an algebra prognostic test to determine placement in either general math or algebra. They also are given the Iowa Test of Educational Development sometime during their first year in high school. Sophomores take the California Test of Mental Maturity. All juniors take the Iowa Test of Educational Development; and any junior who so desires is given

the opportunity to take two other tests, namely, the Preliminary Scholastic Aptitude Test (PSAT) and the National Merit Qualifying Test (NMQT). The scores from the PSAT and the NMQT are for determining probable success in college and for applying for various scholarships which may be available to them when they are ready to enter college. For seniors, the main test given is the Scholastic Aptitude Test (SAT). This test is a requirement for seniors applying for admission to most institutions of higher learning. Many scholarship applications require a registered SAT score.

In addition to the tests named, if any special testing is needed for students this is also done.

By and large, counseling is a process of assisting a student. The goal is to prepare and to equip the individual so that he may adjust himself to meet constantly changing demands and needs that will be experienced by him throughout his life. Counseling is supposed to give direction to the individual's preparation and adjustment. It is not the responsibility of the counselor to decide for the individual—instead the counselor should help make the counsellee make his own self-evaluation and assist him in learning to make better decisions for himself.

## Hunter Success High On Opening Days

Local hunters term opening of deer season over the week end as about average, but those toiling in meat departments of Heppner markets, engaged in cutting and wrapping, might say this is a conservative statement.

As of Wednesday, 129 deer were reported in three local markets—57 at Court St. Market, 47 at Central Market and 25 at Economy. So all were pretty well swamped with bucks. However, they would admit that it runs about this heavy every year.

It is probable that the average deer shot was a bit smaller than usual because of the dry season and lack of feed.

Pettyjohn's Farm and Building Supply reported that the biggest one entered so far in the firm's Big Buck contest was about 170 pounds, entered by

Dick Flaiz, graduate of Heppner High with the class of 1965. They reported quite a few entries in the contest.

Season's opening brought some torment to ranchers by the minority of hunters who showed little regard to their property or livestock.

Jack Krieger of the Heppner Ranger district, U. S. Forest Service, said that while the season seemed to be "going real good" on the National Forest lands, one hunter caused fire was extinguished below Tamarack lookout on Bologna Creek. Fortunately it was spotted from Anthill and quick action followed.

Krieger said that the woods is drying out again after the good rain that came Saturday night. Precipitation at Madison Butte was reported as .30 inch and at Wheeler Lookout .20 inch. This was not as heavy as some locations in lower lands. The fire below Tamarack was creeping through needles and duff, but it would probably have been different if the rain had not come.

Good cooperation from hunters was reported in the forest lands, although a number of game violations were also reported. Glen Ward, state game agent, said that most citations were for tagging violations. He reported one citation for a "road kill" and one deer was accidentally shot.

Ward's assessment of the opening day of season was generally good. The success ratio was rather high, and the deer are in good condition although not as good as last year when they were in excellent shape.

Range conditions are improving following the rain, he said, and the deer are scattering more now.

## Floyd Jones' Colt Shot Before Opening

A registered quarterhorse colt owned by Floyd Jones was shot and killed in a canyon behind Howard Cleveland's place on Hinton Creek sometime prior to the opening of hunting season, the Joneses said Wednesday. Cleveland and Jones are neighbors.

The colt turned up missing last Friday, and it was found dead Saturday, opening day of deer season.

Jones is offering a \$100 reward for information leading to the arrest and conviction of those guilty of the shooting.

## Lone Faces Echo At Home Friday

Lone High's 8-man football team will play the fifth game of its 7-game schedule Friday afternoon against Echo on the lone field. The Cardinals have a record of one win, two losses and one tie to date.

Their most recent game was a loss to Riverside High at Boardman Friday, 32 to 19. The Pirates are tied with Weston at the top of the league, each with two counting victories against no defeats.

Coach Gordon Meyers looks for his team to come back against Echo, after which the Cards hit the road for a game with Weston there October 14 and a concluding contest with Umapine at lone on October 21.

Mr. and Mrs. Jim Wishart and family were hosts for Jim's brother and family, Mr. and Mrs. Harry Wishart, Judy, Mike and Tom of Parkdale last Saturday and Sunday. The brothers went hunting together Saturday morning and each shot a 3-point buck.
