## Sherman Huskies Next for Mustangs There Friday Eve

Having tasted victory over Burns, the Heppner High football team has developed an appetite for wins over Greater Oregon league opponents, and it hopes to devour the Sherman Huskies at Moro in the same fashion Friday night.

Burns holds a one-point victory over Sherman, but Coach Ed Hiemstra of the Mustangs believes the Huskies have a better team and that the Mustangs have a tougher job on the upcoming game away from home.

"If our kids will believe in themselves, they should go a long way," he said.

The Mustangs lost none of the team by injuries against Burns. Bill McLeod suffered some bruises in a jayvee game, but should be ready to go. Russ Killenny, hurt some time ago, may be out for the season.

Two others, Frank Lovgren and Gary Kemp, are out for the season with broken legs. Alfred Drake will be missing against Sherman, having gone to the national FFA convention.

"What's left is in good shape," said the coach.

The Mustangs played like they are capable of performing against Burns, the coach said.

"If the boys play ball against Sherman, we should take them." Their attitude this week at practice indicated that they are in the frame of mind to do it.

Coach Hiemstra, aware that the Heppner griders were scouted against Burns, said that he would have some changes to throw at Sherman.

"We'll put in some new wrinkles for them," he said.

Game time is 8 p.m., and it is a certainty that a large number of Mustang fans will make the trip to the game.

## Yearbook Staff Sees Print Plant

Maralee Murray, senior, and Nancy Doherty and Christina Munkers, juniors, all members of the 1966-1967 Mustang staff of Heppner High school attended a yearbook workshop at Columbia Basin Junior college in Pasco, Wn., Saturday, October 1. Each girl attended two lectures.

The Mustang is the Heppner High yearbook.

The students and Mrs. Justine Weatherford, Mustang advisor, also toured a large printing plant in Big Pasco (the old Marine base). The plant prints yearbooks for many high schools, junior colleges and universities.

Accompanying the Heppner group in the Morrow County Schools' station wagon were three of the Riverside High school yearbook staff and advisor. The Pasco plant will print the 1966-67 Mustang.

## Mark Halvorsen On EOC Grid Squad

Mark Halvorsen, who graduated from Ione High school with the class of 1966, is a halfback on the Eastern Oregon College football squad as a freshman, the team roster shows.

Halvorsen starred for the Ione Cardinals during his high school days and played in the Shrine East-West A-2 and B football game in Pendleton in August.

In comments on the football players, the press book has this to say about Halvorsen: "Lacks experience but willing to learn. Will improve and find a spot for himself. Linebacker prospect. Good attitude."

Halvorsen is the only Morrow county student on the squad, but it includes Orval Goddard and Bruce Logan, both seniors, of Condon; Leonard Fertterer and Tom Lewis, both sophomores, of Umatilla; and Bill Potter, junior, of Fossil.

## Monument Soldier Back in Virginia

Army Private Gary W. Engle, 22, son of Mr. and Mrs. Waldo C. Engle, Monument, returned to Ft. Belvoir, Va., last month after three months of temporary duty at the U. S. Military Academy, West Point, N. Y.

Pvt. Engle was among 175 men from Ft. Belvoir's Army Engineer Center, who taught technical skills to West Point cadets during the engineer phase of the academy's summer training program.

The Belvoir soldiers were selected to instruct on the basis of training and skill, plus ability to teach in specialized fields.

Instruction was given in land mine warfare, map reading, demolitions, combat bridging, heavy equipment operation and use of engineer equipment in combat.

Engle, assigned as a combat engineer in Company B, 91st Engineer Battalion at the center, entered the Army in December, 1965.

He is a 1961 graduate of Monument High school.

## Mustangs Stomp Hilanders, 31-13; Team Comes Alive

After resembling gentle saddle horses in some of their earlier games, the Heppner Mustangs turned into bucking rodeo broncos in their grid game with Burns here Friday night. They stomped the Hilanders and emerged on the long end of a surprising 31-13 score.

Comments of two coaches after the game summarized the story:

Coach Ed Hiemstra of Heppner—"We played football."

Coach Ron Lowe of Burns (evincing some shock)—"That wasn't the same team that played Madras!"

One evidence of the change in the Mustangs was the performance by Fullback Jim Jacobs. He averaged nearly 10 yards per carry in the game and tallied two of Heppner's five touchdowns.

The teams went through a scoreless first quarter, but Heppner broke the ice in the second period with Dave Hall, quarterback, scoring the first touchdown on a rollout from two yards out. Later in the quarter, Jacobs broke through for a 25-yard run and another touchdown. Mike Alsup attempted to kick the conversion points but neither was good.

Coach Hiemstra's griders found that they were stopped on end runs and off tackle tries, so they pounded the line of the Hilanders inside. The Mustangs' offensive line ripped big gaps in the Burns forward wall with Nalbro Cox, Alfred Drake and Rick Johnston turning on the heat.

With a 12-0 lead at halftime, the coach prepared to change his offense, thinking that Burns would alter its defense to correct the weakness, but the Hilanders came back after intermission with no change.

Heppner continued the job of battering with Jacobs and Dennis O'Donnell alternating on the carrying job. Because of the defense against end runs and off tackle plays, Jim Doherty's role in ball carrying was minimized in this game.

The Hilanders got on the scoreboard when their star quarterback, Mike Figg, tossed a touchdown pass in the third quarter and Charles Yriarte kicked the extra point. This made it 12-7.

Later in the third, Doherty broke through to cross into the end zone from the four. Again a kick try by Alsup was no good, and Heppner led, 18 to 7.

More margin was added for Heppner when Ed Alsup caught an aerial from Hall in the fourth, good for 25 yards and a touchdown, and it was 24 to 7. The point kick was no good once more.

Back came the Hilanders with Mike Virgil punching over from the three, and the score was 24-13.

Not content with this sweet margin of victory, the Mustangs added another when Jacobs rambled 35 yards and a final TD. This time Alsup sent the point try through the uprights, and it brought the final tally to 31-13.

Coach Hiemstra used every man on his squad, and he had good words for them following the game.

He praised Cox, Drake and Johnston for their work as offensive linemen and Alsup and Johnston for their good work on defense.

The coach felt that Jacobs "came alive" in this game and played up to his ability, and he also commended O'Donnell for his performance.

"Al Witherrite did a real good job," he said.

This surge of football prowess after a so-so season started speculation about making the Greater Oregon League playoffs later in the season.

Coach Hiemstra said that despite the score, Burns was tough.

"They looked better against us than they did against Sher-

## Cards Stave Off Late Echo Rally To Win, 27-20

Ione High's 8-man football team rolled up a 20-point lead in the first half and staved off a second half rally by their opponents to defeat Echo, 27-20, on the Cardinals' field Friday afternoon.

Two long runs by Eddie Sherman featured the first half scoring for the winners. He went 57 yards for the first touchdown in the first quarter and broke away again in the second period for an 82-yard gallop and the second score. Frank Halvorsen scored the extra point after the first touchdown and Sherman ran the point following the second one.

The fleet-footed Sherman rolled up a total of 209 yards on 16 carries in the ball game and has scored nine touchdowns in five games.

Jim Swanson made the third lone touchdown, also in the second quarter, when he took a pass from Chris Lovgren when the Cardinals were on the Echo five-yard line. The point try was no good, but the Cards had a 20-0 lead at halftime.

But Echo was yet to be heard from. Joe Rosenberg ran 12 yards to score in the third quarter to get his team rolling and the extra point try was good.

Ione's final touchdown came early in the fourth quarter when Lovgren hit Leon Magill on a 13-yard scoring pass. Halvorsen ran the extra point. This brought the tally to 27-7.

Echo bounced right back on a 17-yard pass from Rosenberg to an end to hit paydirt, and the count was 27-13.

Coach Gordon Meyers' Cards expected an inside kick on the kickoff, and they were right, but Echo grabbed the ball, and the visitors were on their way again. They marched downfield, and from the Ione 9, Rosenberg ran it over for their third score. The point try was good, and that made it 27-20.

Ione prepared for another on-side kick with less than two minutes to go in the game, but it didn't come, since the Echo squad realized that Ione was set for it. The kickoff soared deep, and the Cards grabbed the ball. They ran out the clock in their series of downs with the score standing at 27-20.

This was the Cards' first league victory against one defeat. They played Weston today (Thursday), with results too late to get into this week's paper. The game was moved from the scheduled Friday day because of the school holiday Friday. Weston came into the contest with a 2-1 record, having lost to Riverside Friday.

Score:  
Ione 7 13 0 7—27  
Echo 0 0 7 13—20
