## Nazarene Church Special Services To Start Sunday

Revival services will start Sunday, October 30, at 7:30 p.m. in the First Church of the Nazarene, Heppner, with the Rev. C. E. Riddle of Altadena, Calif., as evangelist, the Rev. Don McCarty, pastor of the local church, announces.

"Each and every service will be filled with good things: spiritual songs, choruses, special music, a dynamic gospel message, and best of all, the presence of God. Be sure to be with us in our opening service. You will enjoy our friendly hospitality and will want to be a regular attendant at these special services."

### The Dove Still Ducks

Oregon's two candidates for governor, Robert Straub and Tom McCall, will argue issues face-to-face Friday in a televised joint appearance before the Portland City Club.

How different from the staid, official style of the United States Senate, the governor's billboards proclaim "Courage." But Governor Hatfield has ducked literally dozens of invitations to challenge, face to face, the view of his opponent, Rep. Robert Duncan, that the present course of the U. S. in Vietnam is grim but necessary. "The governor doesn't even talk much about Vietnam any more," says one source. "Courage, Mark?"

## General Election Campaign Enters Final Stages

(Continued from page 1)

campaign in seeking the post now held in Congress by Rep. Al Ullman, Democrat, but Ullman has had little opportunity to campaign because of Congress being in session. However, he will be in Heppner Tuesday.

The governorship is also an interesting race with the principals being Secretary of State Tom McCall, Republican, and State Treasurer Robert Straub, Democrat.

All of the candidates for these major offices shall have visited Heppner in the interests of their campaigns with the exception of McCall. He was here prior to the primary in May but has not been able to work a stop here into his schedule, according to his county campaign chairman, Gene Pierce.

For state representative, 28th district, another close vote looms between Rep. Irvin Mann, Republican incumbent of Stanfield, and Martin Buchanan, Democrat, of Milton-Freewater. The same two vied for the position in the 1964 general election with Mann coming out ahead in a close vote.

Each of these two has been in this area several times to gain support.

Another state office is that of Morrow county district attorney, Herman Winter, incumbent, is unopposed. He won both the Republican and Democratic nominations in the primary election.

On the county level, incumbent Gene Ferguson, Republican, is opposed by Jack Van Winkle, Democrat, for county commissioner. Ferguson has been in the office for eight years. Van Winkle is running on a platform of favoring the Willow Creek dam and other progressive steps for the county.

Another incumbent in county office, Rod Thomson, Republican, is getting opposition, this from Robert Laughlin, Democrat, for assessor. Thomson is completing his first full term in the office and he also served for a number of years as deputy assessor, giving him a total of nine years in the office. Laughlin is currently engaged in ranching.

Candidates for port commissioner for 4-year terms, two to be elected, are J. B. (Barney) Malcom who won both Democratic and Republican nominations in the primary; Garland Swanson of Ione, Republican; and Joe Tatone, Democrat, of Boardman. Swanson and Tatone are incumbents.

Running for port commission, two-year term, are Harry O'Donnell, Democrat incumbent, serving by appointment, and Oscar Peterson, Republican, for a two-year term.

Candidates for nonpartisan offices, including the judiciary, are all without opposition, including Leon P. Minear for superintendent of public instruction; William C. Perry, for judge of the Supreme Court, position No. 4; Alfred T. Goodwin, judge of the Supreme Court, position No. 5; and Edward H. Howell, judge of the Oregon Tax Court; and William W. Wells, for judge of the circuit court, sixth judicial district (Morrow and Umatilla counties). All four judges and the school superintendent are currently holding the offices to which they seek election or reelection.

Conspicuously missing on the ballot is the proposed 1 1/2% property tax limitation measure that was ruled off by the courts.

Two measures do appear on the ballot, Measure No. 1 is the public transportation system employees constitutional amendment that would require public bodies taking over any public transportation system to protect pension rights and job benefits of all existing and retired employees of old systems. This is called a "housekeeping" measure and its provisions currently would only apply to the City of Portland. This measure has received no opposition.

Measure No. 2 is a constitutional amendment authorizing general obligation bonds for constructing self-supporting facilities for community colleges. It would permit use of revenues from other state education facilities in financing projects.

## Executive Meet Set

Executive committee of the Heppner elementary school PTA will meet Tuesday night, November 1, in the grade school library at 8 p. m., it is announced.
