

# Bob Clough Announces All-Conference Team

All-conference team selections for the western division of the Greater Oregon League have been announced by Bob Clough, Heppner High school athletic director. The all-stars were chosen by coaches of the participating schools. Names of those from Heppner were released last week.

The complete selections are as follows:

**Offense**  
 Ends — Harold Owens, Sherman; Darrell Pierce, Burns. Honorable mention — Bob McGraw, Madras; Mike Alsup, Heppner; Terry Stark, Sherman.  
 Tackles — Gregg O'Meara, Sherman; Erin Guest, Enterprise. Honorable mention — Gary Marshall, Burns; Jack Cramer, Madras.  
 Guards — Darrell Simmons, Grant Union; Gary Conley, Enterprise. Honorable mention — Dennis O'Donnell, Heppner; John Waunker, Madras; Mike Weedon, Sherman; Kirk McGraw, Center; Gene Leigh, Wahtonka. Honorable mention — Cal Sumner, Madras.

## Greater Oregon League Discusses Proposed Changes

Dilemmas facing the Greater Oregon high school athletic league were not resolved at a league meeting at John Day November 4. Principal Dick Carpenter of Heppner High school said after the meeting.

Proposed plans to reorganize the league to permit acceptable schedules for schools in both the eastern and western divisions were discussed, but no agreement could be reached.

No recommendation was made to the Oregon School Activities Association, which is scheduled to meet in Portland November 26. The directors will consider the matter at that time.

At the Tuesday night meeting three schools favored a round robin schedule—Burns, Enterprise and John Day. Some favored splitting the league into two 5-team subdistricts, with Pilot Rock making the fifth team in one district. Other proposals were also discussed but no decision reached.

The problem comes because Vale and Nyssa in the eastern division can't carry on full schedules in the Snake River Valley League, which includes mostly Idaho schools, and compete on any kind of a round robin basis in the Greater Oregon league.

With the Snake River connection, the schools would be unable to make out full season's schedules in their areas.

The district committee, which is composed of Gene Chester of Nyssa as chairman, Bill Streight of Sherman county and Carpenter of Heppner will meet with the OSAA board of control on November 26. Carpenter said they can make a recommendation but there is no indication at this time that they will.

Also to be considered by the delegate assembly of the OSAA on November 25 in Portland is a proposal to raise minimum enrollment for A-2 schools from 200 to 250. The Greater Oregon league district voted to support the measure but Heppner High is opposed, Carpenter said. Ron Daniels of Riverside High and Gerald Cammann of Vale are delegate assemblymen.

## Pvt. Cynthia Smith Completes Training
