

Coats-Bell Ceremony Performed Saturday At Boardman Church

BOARDMAN—Mrs. Flossie M. Coats became the bride of Roy E. Ball at a 2 p.m. double ring ceremony at the Boardman Community church on Saturday, November 12. The service was performed by the Rev. George Neeley, church pastor.

Nephews of the bride, Truman Messenger, Jr., of Hermiston, sang "I Love You Truly", and Franklin Messenger of Medford sang "The Lord's Prayer", accompanied by Mrs. Carl Marquardt of Lexington, niece of the bride.

The bride, given in marriage by her son-in-law, Glenn Mallory of Seattle, Wash., wore a street length suit dress of pink brocade with matching accessories. Her corsage was an orchid. Her pink hat was borrowed from Mrs. Glen Carpenter. Something old were her shoes, something new her dress, and Mrs. Les Moen made her a blue garter.

Mrs. Glenn Mallory was her mother's matron of honor and wore a blue wool suit and a corsage of yellow roses.

Albert Ball of Lincoln City, son of the groom, was best man, and ushers were Roy E. Ball, Jr., Delbert Ball and Franklin Ball of Hermiston, all sons of the groom.

Following the ceremony a reception attended by 130 guests was held at the new Greenfield Grange Hall. The three-tiered cake, topped by bridal figurines, centered the serving table. After the first traditional piece was cut by the couple it was cut and served by Mrs. Albert Ball of Lincoln City, Mrs. Franklin Ball of Hermiston, and Mrs. Delbert Ball, daughters-in-law of the groom. Mrs. Zeal Gillespie, sister of the bride, poured the coffee, and Mrs. Truman Messenger of The Dalles, another sister, served the punch. Mrs. Jerry Mallory of Seattle, grand daughter of the bride, was at the gift table, and Mrs. Ray Barlow of Eugene, sister-in-law of the bride, had the guest book.

In charge of the reception were Mrs. Russell Miller, niece of the groom, Mrs. Glen Carpenter, Mrs. Ralph Earwood, Mrs. Leo Root and Mrs. Frank Marlow. All were presented with pink carnation corsages by the bride, and white handkerchiefs.

For going away the bride wore a blue knit dress in jacquard design. After a short trip the couple will live in Boardman where the bride has been the local postmaster for the past 13 years. The groom is a retired farmer.

Guests attended the wedding from Seattle, Yakima and Goldendale, Wash., Lincoln City, Eugene, Portland, Medford, The Dalles, Hermiston, Lexington, Pendleton, Arlington, Ione, Mitchell and Boardman.

Mrs. Nelson informs of U.N. Organization At Soroptimist Club

Members and guests of the Soroptimist club were informed, through an interesting talk by Ms. Norman Nelson at their luncheon meeting last Thursday, on the structure, the progress and accomplishments of the United Nations.

"The U. N. is now an adult," Mrs. Nelson told the group, "as it celebrated its 21st birthday on October 24."

At the time of the signing of the charter, October 24, 1945, in San Francisco, it was ratified by 51 member nations, with five parent nations urging the organization, Great Britain, Russia, France, China and the United States. The United Nations came into being during World War II, seeking to bring peace with the Axis powers. The organization now has 122 nations belonging.

Requirements for membership, she pointed out, include being a peace loving nation, accepting obligations of the charter and carrying them out, being accepted by the Security Council and parent groups, and being accepted by 2/3 vote of the assembly.

The speaker pointed out that six parent bodies guide the United Nations. These include the general assembly, the security council, the economic and social council, the trusteeship, an international court of justice and a secretariat. In the general assembly, all countries are represented by one vote, except Russia, which has three votes. Another point of interest was that of monies allotted for expenditures through the security council, 89% is spent in the betterment of the international relations, and only 11% in the area of war.

Mrs. Nelson praised the organization for much of the good work done through efforts of the United Nations, especially in the areas of promoting peace and in raising the living standards of the world.

Observance of United Nations Day is made annually as one of the education areas of the Soroptimist Club.

Plans are being completed by the club to sponsor another teenage dance, a "Turkey Hop", during the Thanksgiving vacation. It will be held at the Fair Pavilion on Saturday night, November 26, with all high school and college age students in the area invited to attend. Music will be furnished by The Henchmen of Heppner. Proceeds are used for scholarships and other youth projects for the community.

Unfortunately, Accutron® looks like a watch

We don't call it a watch. All the parts that make a watch fast or slow have been left out. The balance wheel, springs, staff and screws. Accutron does not use these parts. Instead, a tiny tuning fork keeps time through vibrations that are battery powered. Accutron time is so precise that we guarantee average monthly accuracy within 60 seconds, which averages out to about 2 seconds a day. And we know owners who have not gained or lost this in a year.

However, don't let this make you think that Accutron prices are higher than a fine watch. (Remember, a lot of parts were left out.) We believe the Accutron timepiece to be the finest and most precise wrist timepiece ever made. We have a wide variety of handsome models. \$125 and up.
