

**Stroeber Home Scene Of Ceremony Uniting Couple November 12**

Miss Janit Ann Cecil, daughter of Mr. and Mrs. Frank Cecil of Spray, became the bride of Donald Keith Stroeber, son of Mr. and Mrs. Herman J. Stroeber, at the home of the groom's parents in Heppner on Saturday, November 12. The ceremony was read at 11:30 a.m. by Judge Paul Jones.

Floral arrangements of pink gladioli in large baskets graced the fireplace and complimenting arrangements of red roses were placed throughout the rooms to carry out the bride's chosen wedding colors.

Given in marriage by her father, the bride appeared in a white brocade floor length gown, fashioned by her mother, with a shoulder length illusion veil held by a pearl crown. She carried a bridal bouquet of pink carnations and red rosebuds.

Maid of honor for her sister was Miss Judie Cecil, of Spray. Her floor length gown was of pink taffeta and she carried a bouquet of pink and white carnations. Her hair, arranged into a high style by the bride, held red rosebuds in the locks.

Attending as best man was Bruce Griffith of Heppner.

Mrs. Stroeber, mother of the groom, played the wedding march and accompanied Mrs. Karen Holland when she sang, "I Love You Truly," before the ceremony.

Mrs. Cecil, mother of the bride, chose to wear a tailored suit of rose wool, with a white chrysanthemum corsage. Mrs. Stroeber appeared in a red jersey afternoon dress, with a corsage of white chrysanthemums.

The couple greeted relatives and friends at an afternoon reception at the Stroeber home. A three-tiered wedding cake, decorated with pink roses and topped with miniature bride and groom, was served by Mrs. Bruce Griffith and Mrs. Stacey Lovgren. Mrs. Archie Padberg, great aunt of the bride, poured punch and Mrs. Darrel Cecil, aunt of the bride, poured coffee.

Passing the guest book was Billie Jean Chapman of Spray. Following their wedding trip to Lake Chelan, Wn., and Grand Coulee Dam, the newlyweds now make their home in Heppner.

The bride was graduated from Spray High school in 1963 and attended Phagan Beauty School in Bend the following year. She is now employed at Jeanne's Beauty Shop.

After graduating from Elgin High school in 1957, Mr. Stroeber enrolled at Central Technical Institute in Los Angeles, graduating in airline electronics in the fall of 1959. He is now employed by Oris Crisp Logging company.

Members of the youth choir at All Saints' Episcopal church spent the day Saturday, November 19, gathering Christmas greens for the church near Cutsforth Park. They were accompanied by Mrs. Herman Winter, Mrs. Elwayne Bergstrom, and the Rev. and Mrs. Dirk Rinehart.

**Isoms Show Slides at Dinner**

A gathering of about 72 persons enjoyed the hospitality of Kate J. Young Lodge No. 29, Degree of Honor, at its annual Thanksgiving dinner in the dining rooms of the Christian Church Saturday evening. Members, their families and invited guests were served a bountiful turkey dinner at 6:30 p.m., and seated at tables decorated to carry out the Thanksgiving motif.

Following the dinner, Mrs. Ed Gonty, president, welcomed the guests. Mrs. Bill Farra presented door prizes and explained the work of the Degree of Honor and what the organization has to offer in filling many kinds of insurance needs. She reviewed the many worthwhile community projects which the organization has carried out the past year.

Program guests were Mr. and Mrs. Bill Isom of Pendleton, who spoke and showed colored slides of their tour of South America last winter, sponsored by the Oregon Wheat Grower's League.

The tour in early January took them to Panama and through the Canal Zone. Of special interest was the raising and lowering of the canal locks to make possible the passing of large ocean going vessels, averaging 35 daily. The group toured Panama City, traveled on to Colombia where sights in and around the city of Bogota were enjoyed. Agricultural customs of the Spanish and Indian peo-

ple were noted, and in social status they lived in either very poor or very rich conditions, with little evidence of a middle class.

"The only real problem we had was with the high altitude," Mr. Isom recalled. Altitudes in the various countries visited varied from nearly sea level to 17,000 feet and took considerable time to become accustomed. Mrs. Isom chose to spend much of her time in Peru, rather than in the high altitudes of the Andes Mountains. Many modern industries, many built by U. S. companies, were noted in Lima, Peru.

Places of historical interest were shown in "the land of the Incas," and an abundance of statues throughout the South American countries paid tribute to their historical past. Of general interest were the picturesque beauties of pictures taken through the Andes Mountains. The couple also toured parts of Chile and Brazil before returning north at the end of the six-weeks trip.

Another tour member who enjoyed the trip was Oscar Peterson of Ione.

**What would you do if your wife died tomorrow?**

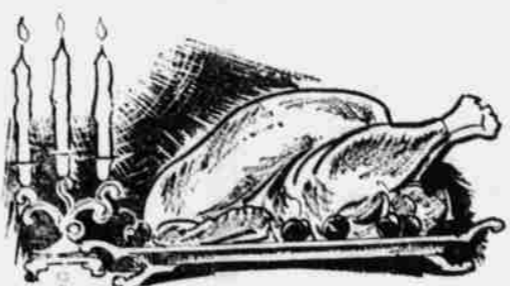

There she is. The most beautiful, loving wife. Mother. Cook. Maid. Chauffeur. Governess. Housekeeper. And the cheapest skilled labor in America today. What would happen if she were gone? If she died? All that life insurance you have in case something happened to you wouldn't be worth much when it came to replacing her services, would it? Of course, you can gamble. You can read statistics and say, "Chances are she'll outlive me." But will she? She is the main reason Alexander Hamilton Life Insurance Company developed His 'n Hers insurance. It covers both of you (with the full amount of the policy paid to the survivor when either one dies) almost for what it used to cost to cover just you alone. At those prices, how can you lose? You're protected. She's protected. Your family's protected. If you'd like to know more about this two-for-one life insurance,
