

Reception To Honor Couple On Anniversary

By MARY LEE MARLOW

BOARDMAN — Mr. and Mrs. Bryce L. Dillabough of 1104 Boone Road, Salem, former residents of Boardman, are to celebrate their golden wedding anniversary with a reception Saturday, January 21, from two to four p.m. in the Fire Place Room of the Elks Lodge, 680 State Street, Salem. Friends and relatives are invited. Hosts will be the couple's son and daughter-in-law, Mr. and Mrs. Alan Dillabough of Salem, and their sons-in-law and daughters, Mr. and Mrs. F. H. Todd of Salem, and Mr. and Mrs. Charles Peterson of Portland.

Mr. Dillabough came to Oregon from Rapid River, Mich., in 1906 and has lived in this state since. Mrs. Dillabough came from Michigan in 1915. They were married in Portland in 1917 and came to Boardman soon after to live. During his residence here he was custodian of the local school. They both were charter members of Greenfield Grange, which was organized in 1918. They left here in the mid-thirties when he went to work for the Oregon State Parks Department, a position he held for 20 years. He retired in 1955. They lived in Bend a number of years, and have resided in Salem the past 11 years.

The couple request there be no gifts.

Social Security Manager Advises On Medicare Bills

Older people in the Morrow County area who have paid doctor bills but have not yet claimed their medicare doctor bill insurance payments are invited to have their claim checked by the La Grande social security office before mailing them to the medicare carrier, according to Vernon A. Welo, district manager.

"In the first six months of the medicare program some doctor bill payments were delayed because the applicants did not include all the necessary information with their claims," he said.

Welo believes that most people will need this help only the first time they make a medicare insurance claim.

"The Medicare Handbook, which is given to all beneficiaries, explains how to make the claim," he said, "and the form is relatively simple, but most people can use some advice the first time they apply. We're glad to offer assistance, and we believe we can help many people to avoid some delay in their payment."

Welo noted that the medicare claim may be made either by the patient or by the doctor, if he accepts assignment of the insurance. Under the payment to the patient method, the doctor bills the patient, the patient pays the bill and then the patient sends the completed request for payment form to the medicare carrier. A statement from the doctor showing the treatment given and the charges already paid by the patient must be furnished either on the request for payment form or in a separate itemized receipted bill. All forms must show the medicare identification number of the patient. In Oregon, medicare doctor bill insurance is handled by Aetna Life Insurance Co., in Portland.

"The social security office does not make the decision or pay the claim," Welo said. "The law requires that the payments be handled through the selected medicare carriers. But we can answer general questions about medicare and help people in the Heppner area get their applications ready for review by the carrier."

"If an older person cannot visit the social security office in person, he can contact the Morrow County representative at the Heppner City Hall on the second Thursday of each month, from 9:00 a.m. to Noon. The La Grande social security office is located at 1802 4th St. The phone number is 963-4131. Office hours are 8:30 a.m. to 4:30 p.m., except Friday when the office is open until 7:30 p.m."

ELECTRICITY — Working for Others

Better known to their friends as "Howard and Jo," the Pettyjohns operate Pettyjohn's Farm and Builders Supply just south of town.

For the past several months Howard and Jo have been busying themselves getting their new building ready to move into. Doing most of the work themselves, it has been a slow process getting everything together.

When the new building is completed and open for business, one must visit the place to appreciate the convenience of the modern facility which includes electric heat in the main display area. Baseboard heaters should do the trick, but "Cold Foot Jo" insisted that she get a small wall heater in the office area "just in case." So as the above picture shows, she installed it herself.
