Regional Meet Set at La Grande To Talk Colleges

More than one hundred invitations have been sent to key community leaders in the ten eastern counties of Oregon to participate in a regional conference of Colleges for Oregon's Future on Friday, April 7. This meeting, to be held on the Eastern Oregon College campus, is the first of several regional meetings planned throughout the state. The purpose of the meeting is to initiate a continuing discussion on the implications of the recommendations made by Post-High School Study Committee in their 20-month "master plan" study.

The featured speaker for the conference will be Dr. John R. Howard, president of Lewis and Clark College. President Howard is the chairman of the state study committee. The report, "Education Beyond the High School" has stimulated widespread discussion among representatives in business, agriculture, labor and government when it was presented to the public this fall in Portland. The La Grande meeting is an outgrowth of the state level meeting, and will consider the report in the light of needs of the eastern region of the state.

The La Grande conference will be opened at 10:00 a.m. with Dean of Instruction Carlos E. Easley outlining the program for the day. Following Dr. Howard's address, a panel discussion of the future of post-high school education in eastern Oregon will take place. Panel members will include Tom Bessonette, state representative, District 25; Bert Campbell, Burns; Fred Martin, Ione; Wallace McCrae, president, Blue Mountain Community College; Eugene F. Voris, president, Treasure Valley Community College; Averno M. Rempel, president, Eastern Oregon College. Dr. Ralph Steele, Director of Divisional Relations for Continuing Education in the State System of Higher Education will be the moderator.

A "working" luncheon will take place in Hoke Hall from 12:30 to 1:50. Representatives from each of the counties will work together to plan activities concerning problems of higher education in their respective counties.

Dean Easley will summarize the conference which will adjourn at 2:00 p.m. Among those expected to attend from Morrow County are Frank Anderson, Mrs. Ronald Black, Richard Carpenter, L.E. Dick, Mrs. Carroll Donovan, Homer Hughes, Maxwell Jones, David Potter, and Ralph Skoubo.

Mrs. James Monahan left Saturday to spend a week in Lake Oswego and in Portland. She accompanied her sister, Mrs. John K. Paulson and son Kerry on their return to their home in Lake Oswego, and will visit with her daughter, Theresa in Portland. The visitors were Easter week-end guests at the Monahan home.

The Riverside High school baseball team will go to Stanfield for a game April 7.
