STEVE BAKER of Heppner High clears the bar at 10 feet in the pole vault at the Carnival of Speed at Mac-Hi Milton-Freewater, Friday. However, Baker's performance fell short of placing in the event which was won by Points of Baker at 11'3". (Cut courtesy Union-Bulletin, Walla Walla).

## Meet Slated Here; Ball Team Travels

Heppner High's track team will be host to a three-way meet here Friday at 1 p.m. with Sherman county's Huskies and the Prospectors of Grant Union competing.

The baseball team will travel to Madras to play a league doubleheader with the White Buffaloes Saturday, starting there at 1 p.m.

## Mustangs Split Twin Bill Opener With Wahtonka

Heppner High's baseball team took its league opener on the chin against Wahtonka Saturday, 3-1, but came right back to square the doubleheader as Dennis O'Donnell struck out 16 in the second game to pace a 3-1 victory.

Gary Ricketts and Russ Kilkenny engaged in a pitchers' battle as the Eagle hurler gave up one run on five hits while walking only two batters and striking out eight. Kilkenny fanned eight while walking five Eagle batsmen.

Errors killed the Mustangs as the Eagles scored two runs on two Heppner bobbles in the fifth frame to go with another tally they picked up in the third. The Mustangs' lone score came in the third as Jim Doherty and O'Donnell both doubled.

Doherty was the big man with the bat as he swatted two doubles in three trips. Dave Speck swung the big timber for the Eagles with 2 for 4.

In the second game, O'Donnell gave up just three infield hits, all in the first inning, and walked none. The Mustangs tallied all their runs in the third with a walk, a single by Roger Leonard, a single by Doherty, O'Donnell's sacrifice fly and a two-run double by Rick Johnston.

## Mustang Golfers Third in Match

Heppner High golfers placed third behind Wahtonka and second-place West Valley of Yakima, Wash., in a triangular golf meet in The Dalles Friday. Team scores were Wahtonka, 496; Yakima, 510; and Heppner, 530.

Jeff Turner was medalist for the tournament. The Dalles course is a par 71, 35 for the first nine and 36 for the second.

Five Heppner boys participated, including Turner, Russ Kilkenny, Pat Kilkenny, Mike Sweeney and Jon O'Donnell. Turner and Kilkenny won their matches.

Heppner plays Wahtonka April 21 on Heppner's Willow Creek course.

Mr. and Mrs. Earl Gilliam of Heppner have received word that their son and daughter-in-law, the Rev. and Mrs. Chandler Jackson of Great Falls, Mont., flew to Puerto Rico on Sunday, April 9, for a 10-day church conference which is being held there.

## Mustangs Place 6th in Mac-Hi's Speed Carnival

By MAC HOSKINS

Spearheaded by Tim Smith's victorious two-mile and second-place finishes by Dave Hall (in the low hurdles) and Steve Wagenblast (in the discus), Heppner's track team took sixth place in the big Mac Hi Carnival of Speed last Friday.

Another Morrow county cinderman, Sophomore Frank Halvorsen of Ione, came up with a fine performance in the high jump. His 5'11 1/4" leap gave him a tie for first in the event.

The Mustangs' 15 points put them behind Baker, (which won in a close team battle by tallying 34 1/2 points.) Pendleton (33), Mac Hi (31 1/2), La Grande (22), and Desales of Walla Walla (20 1/2) but placed them ahead of such larger schools as Hermiston and Walla Walla.

Smith clocked a swift 10:15.9 in winning the two-mile, his best of this year and third all-time fastest. Hall skimmed the lows in 14.2 and added a fourth-place broad jump with a leap of 19.8". The discus finals showed Wagenblast heaving the plate 135'8 3/4", which was only 6 1/2" short of the winning toss.

Another outstanding mark posted by the Horsemen was their 1:35 half-mile relay. This equaled the HHS school standard, although the Mustangs did not place in the event. The relay was composed of Dean Kindie, Bill McLeod, Jim Jacobs, and Dave Hall.

Several other Mustangs, although not placing, nevertheless came up with promising efforts. Bill McLeod tossed the 880 course in 2:07.5, barely being edged out for fifth place. Promising Bill Wolff, only a freshman, ran his first mile in 5 minutes and 16 seconds, while another rookie, Dave Wright, sprinted the quarter-mile in 58.6.

Jim Jacobs was timed at 57-flat in the 440, while Dean Kindie finished out of the money in the low hurdles, although clocking a 14.7. Other marks posted included McLeod's 5'6" high jump, Dean Kindie's 18'10" broad jump, and Steve Baker's 10-foot pole vault.

Linda Shipps, Connell, Wash., is staying with her grandmother, Mrs. Grace Buschke, and working temporarily at the Columbia Basin Electric offices in Heppner.

## ADEQUATE WIRING brings full house-power so you can enjoy all the benefits of Electrical Living

ENTRANCE PANEL (fuse box) must be large enough for your ever-increasing need for more electricity. Inadequate panels can cause trouble.

220 VOLT OUTLETS cost little extra if installed as you build. Then you can enjoy an electric range, clothes dryer and other wonderful appliances.

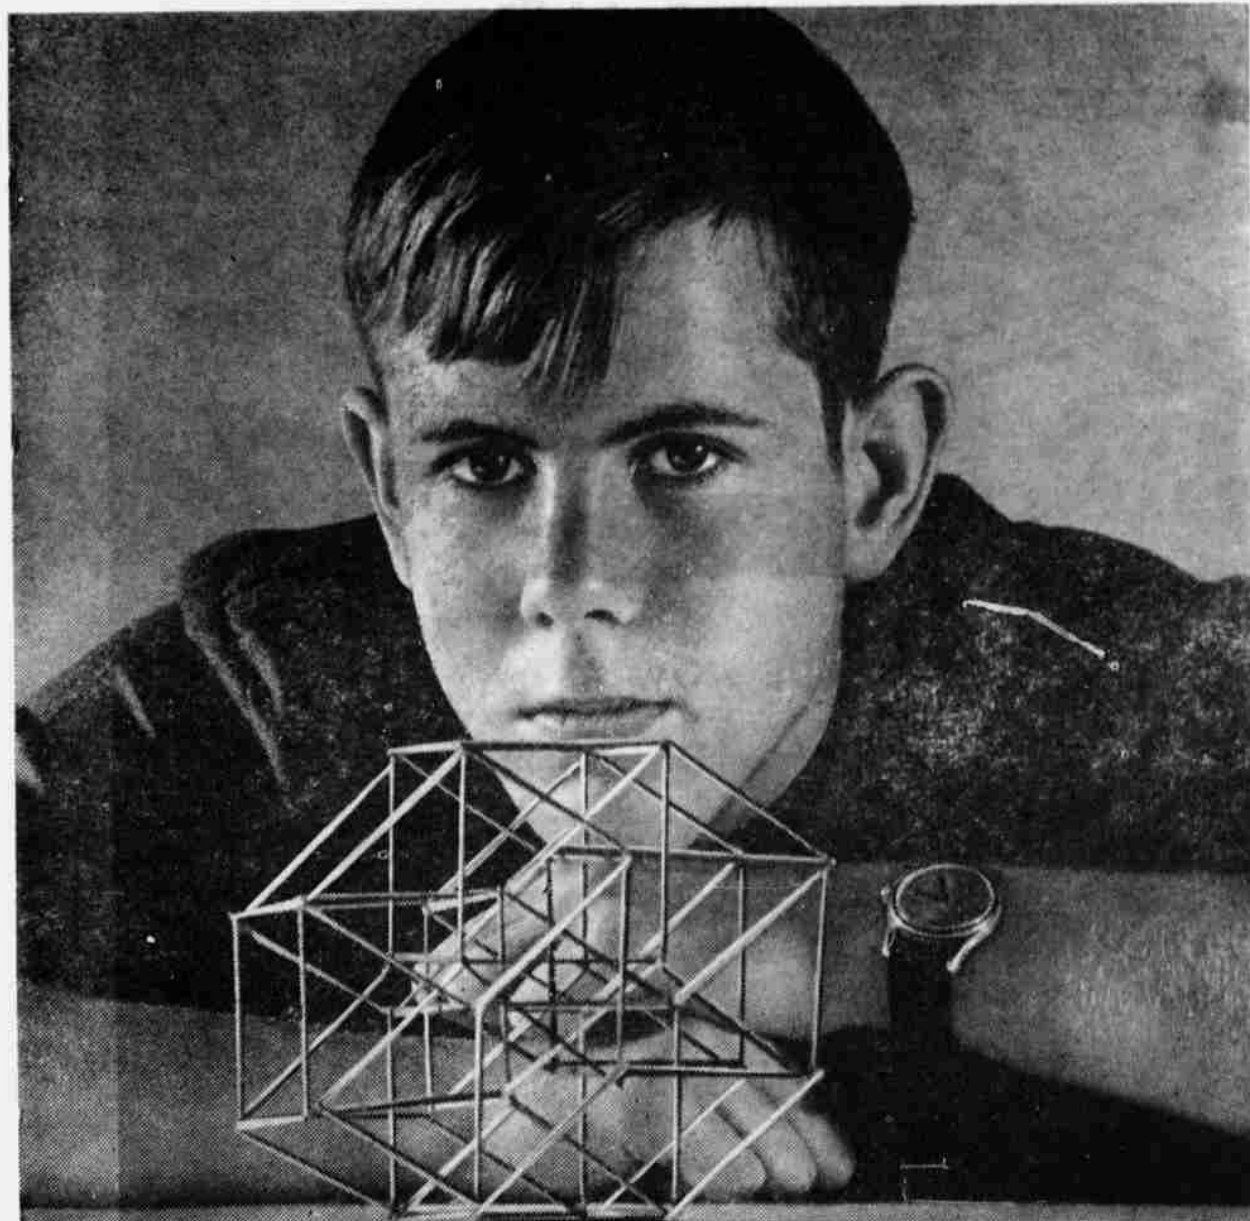

HANDY SWITCHES save steps and prevent accidents caused by groping in dark rooms. Install 3-way switches near every entrance to all rooms.

SHOPS AND other buildings are more productive with electrical power. Well placed electric motors do many jobs; lights add hours to work days.

We'll gladly make a free "Power Survey" of your home.

## Meet a national resource named Steve

Steve is a cross-country track man, an artist, and an explorer of worlds that do not exist. That toothpick model is an attempt to study what lies beyond our three known dimensions.

At the 1966 International Science Fair, Steve won a ribbon for his theory of dimensions. But he didn't stop there. He believes the number of other dimensions is limitless, and is hard at work to prove it.

Why our interest in Steve? Because young people are our greatest national resource.

They deserve all the help they can get toward realizing their potentials.

Contributing to science fairs, providing scholarships and fellowships, refinery tours and geology tours, and teaching materials for schools, are just some of the ways our Company shows its active interest in today's young men and women.

Standard Oil is trying to help young people discover more about themselves... and the world they live in.
