

YOU CAN'T TELL IT here, but Roice Fulleton is just about to hit the deck at the Wranglers Playday Sunday as his horse, Whiffenpoof, slipped a second after Spike Fardee snapped this picture. Roice, veteran wrangler that he is, was shaken but uninjured. The Fulletons' daughter, Becky, also took a fall in the playday while riding Bob-o-Loey. She was taken to the hospital for treatment of a sprain and bruised arm, but came back to do more riding and win three second places. A good crowd was on hand for the playday and barrel racing following cow cutting events Sunday morning and the evening before. (G-T Photo).

Many Compete at Spring Meet

Entries in the eighth annual spring meet of the Wranglers came from all over Oregon, Washington and Idaho, but when the winners were known at the conclusion of the meet Sunday, the Floyd Jones entries from Heppner made the best showing.

A Floyd Jones horse, Pat Brady, won two of the six cow cutting events—the \$500 novice and the open—with Morris Lynch of Walla Walla, Wash., as rider. Many of those participating brought their families for the week-end. Gene Pierce, secretary of the meet, said that both motels were full and others stayed in the hotel. In addition, there were some 15 campers parked near the fairgrounds.

The event started Saturday evening in the covered arena at the fairgrounds and was concluded there Sunday morning. A Wrangler playday followed Sunday afternoon with barrel racing as a highlight. Potluck luncheon was held at noon.

Jaycees Schedule Driving Road-E-O

Morrow County Jaycees will sponsor their first Safe Driving Auto Road-E-O here on Sunday, May 21. Clyde Allstott, chairman of the event, announced.

The contest is a test of driving skill for teenagers, not over 19 years of age. The local contest is the first step of a national event, which is sponsored by Lincoln Mercury Division of Ford. The local winners will take part in state competition, and state winners will compete for \$14,000 in college scholarships and other prizes.

Top boy and girl winners will each receive a \$400 scholarship to the school of their choice. Second place winners in each division will receive a \$2000 scholarship and third place winners will receive \$1000. Each of the six top Auto Road-E-O National winners of the 1967 contest will receive a new Mercury intermediate model car of their choice for their own personal use for a year.

In the local contest, the contestants will demonstrate their all-around driving ability and knowledge in competition with others. Included will be handling a car in traffic, maneuvering and parking. A simple written quiz is part of the Road-E-O. Local prizes, including plaques, are being arranged by the committee in charge. Allstott said. State prizes are: First, \$500; second, \$250; and third, \$25 defense bond.

Prior to the Road-E-O, tryouts will be held on Sunday, May 14, to acquaint contestants with procedure and the type of contest to be held. While the site has not been determined definitely, it is expected that it will be at some part of the fairgrounds.

Entry blanks may be obtained from Allstott or Heppner Ford. They are to be completed and returned to the garage.

Cake Bakers' Notice

Mrs. Marge Graves, Morrow County chairman for the contest, announces that the state office released the recipe without specifying cake flour. The recipe, as published in last week's Gazette-Times, is correct except for this change from regular flour to sifted cake flour.
