

Special Service Confirms Youth of Ione Church

By KATHERINE LINDSTROM

IONE—Confirmation services were held at the United Church of Christ on Sunday morning for the following young people: Rickie Boyce, Richard Hamlett, Brock Linnell, Jane and Clint Krebs, Gregg Jacobs, Cathy Cannon, and Tanya Tucker. Special music was provided with Mrs. F. T. Martin, organist, and Mrs. Bill Rietmann, pianist. The choir anthem was "Our Prayer". Following the worship service a coffee hour planned by the deaconesses was held in honor of the confirmants. Mrs. Henry Krebs and Mrs. Robert Rietmann presided at the tea table. Long stemmed gold roses were in the vases on the altar and following the service Mrs. Krebs presented each student with a rose. The deaconesses gave each confirmant a special card.

Army Depot Plans For Open House

Umatilla Army Depot officials at Hermiston announced the appointment of Leonard W. Penor, operations division chief, as activities chairman for the Depot's Armed Forces Day open house slated for May 19. Assistant chairman for the annual event is Richard A. Anderson, civilian personnel officer.

The two men will head planning and coordinating of activities intended to carry out locally this year's theme for Armed Forces Day, "A Report to the Nation." Penor said the day's schedule isn't "jelled" yet, but that tentative plans are coming along well and a firm program is to be announced shortly.

Officials at the Depot decided to observe Armed Forces Day on a regular work day this year, though nationally it has been designated as the third Saturday in May. Reason for the decision to hold open house at the Depot on May 19, according to Penor, is that difficulties would be encountered in attempting to rearrange schedules for shift workers, and pay inequities might result if the regular Monday through Friday work week were altered.

Clow's Spaniel Adds Six Winner's Points Toward Champion

A Brittany Spaniel male, Black Butte's Ace Wild, owned by Mr. and Mrs. Norman Clow of Heppner, took "best of breed" over 13 other Brittanys at the Richland, Wn. Kennel club's all breed dog show on April 29. The day before, at Walla Walla, he was judged "reserve winner's dog," and on April 30 he was judged "winners dog" at the Yakima Kennel club's all breed show.

For the winnings, he added two new trophies to his collection of field trial and show trophies, and gained six points toward his show championship. He now has a total of 10 points toward the 15 needed. Ace's sister, Black Butte's Touche, was judged reserve winners bitch at all three shows.

Rev. and Mrs. Dirk Rinehart's Springer Spaniel bitch, Walter-ock Abigail, won the first points of her show career by being selected "winners bitch" at the Richland show, for a total of two points.

County Appeals For Foster Homes

Morrow county has sounded an appeal, through County Judge Paul Jones and Lowell Chally, welfare administrator, for those willing to provide foster homes for children. The judge said that there is a dire need for such homes to care for some juveniles who have been placed in custody of the county. Anyone willing to provide foster home care is asked to contact the judge or the welfare administrator.

Community Studied

The Wolf Cub Scouts have completed this year's project, "Knowing Our Community". The businessmen have been wonderful about their time. We wish to thank the following for our field trip guides: Forrest Burkenbine and Bill Farra for fire information, Rachael Harnett on the Museum tour; Shorty Hudson's courthouse and clock trip; Marion Green's excellent briefing on banks, and Bill Marshall's fine instruction at the Kinzua Lumber Co. We are very well informed third graders and really appreciated seeing "inside Heppner". Paul Van Marter, Cub reporter

"In other years we had snow on the last of April swing in 1955 where there were 41 inches and 15.7 inches of water and in 1963 with 6.2 inches and 2.1 inches of water," he said.
