

Girl is Chosen For Overseas Study Program

(Too late for last week)

By VIRGINIA KESLO
KINZUA—Miss Carol Nistad, daughter of Mr. and Mrs. Allen Nistad of Kinzua, and a freshman at Lewis and Clark College in Portland, was notified this week that she has been accepted for that school's overseas study program in Iran next year.

Dr. Rassekh, chairman of the Lewis and Clark History department, a native of Iran will be faculty advisor accompanying the 24 students who will spend their winter and spring terms of 1968 in Iran.

The program is in cooperation with the Experiment in International Living, Putney, Vermont. During the first month abroad, the students live individually with local families.

Students are not enrolled formally in classes. Following a tour of the country, lecturers and language teachers are recruited by the faculty advisor from a variety of academic, artistic and other institutions in Iran. Students develop independent study projects and are allowed individual travel to gather materials for research papers. Hence the program places a much higher demand upon the student for individual initiative, self-discipline in academic work and self-directed learning than is usually required on a college campus.

Mustangs Take Third In Sub-district Meet

By MAC HOSKINS

With Dave Hall skimming the low hurdles in school record time, Heppner's spikers took third in the subdistrict track meet at Madras Saturday, May 13, with 79 points.

Madras was first with 169, Burns was second with 124½, and Wahtonka was in fourth place with 44. Others were Grant Union, 37½, and Sherman, 36.

Hall, who already holds the HHS high hurdle standard, flew over the low barriers in 20.45 seconds, easily besting the former Heppner record of 20.9 seconds, but good only for a second in the highly-competitive meet. Madras' Don Boyle was victorious with a time of 20.2.

Hall also added valuable points with his third place high hurdles race. His 15.2 in the highs was identical to Boyle's winning time, while his 29.34" effort in the broad jump was good for fourth.

Only winners for the Mustangs were Bill McLeod and Tim Smith. McLeod's career best of 448.6 in the mile was good for first, and coupled with his second place 2:07.6 half-mile, made him one of Heppner's outstanding performers of the day. Smith easily won a blue ribbon in the two-mile with a time of 10:17.

Jim Jacobs' hefty 47½" shot put, close to his own school record, earned him a second place ribbon. Jake also picked up a fourth place in the 440-yard dash by sprinting the two furlongs in 54.9.

Third places were nabbed by Steve Baker, with his 10'6" pole vault, and the Mustang relay team, which covered the 440-yard distance in 47.7 seconds.

Stan Rauch flipped the discus 128'2½", his career best, and good for fifth place. Steve Wagenaar, not up to his usual standard (he fouled on two superlative efforts), wound up in fourth place with a heave of 131 feet. He also shoved the shot 43'9¼" for sixth place. Vaulter Baker tried his hand at the javelin and threw the spear 140 feet for fifth place.

It was an outstanding meet, with some of the marks posted among the best 1967 Oregon prep circles. In addition to Boyle's fine double win in the hurdles, Greg O'Meara of Sherman took two blue ribbons home. The husky Husky turned in fine marks of 141'10" in the discus and 47'3½" in the shot.

Dave Mollman of Madras staged a fierce duel with teammate Carl Phifer in the 220 before finally winning by a fifth of a second in 22.7 seconds. The two traded finishing places in the 100-yard dash.

Burns' Bill Rayne leaped 21' 1½" in the broad jump and, indeed, had to, for two others were only two inches behind him. The Highlanders' John Fennelly glided over the quarter-mile lap in 52.8 seconds for another top mark.

Grant Union, although weak in the cinder sport this spring, obviously has one top performer in javelin thrower Bill Reynolds, who topped the field by hurling the spear 187' 6".

Superior relay times were also posted. Burns' four-man crew sprinted the mile distance in a fabulous 3:24.1. Madras toured the 440-yard relay course in 45 seconds, also an excellent clocking.

In the 7-B district meet at Umatilla, also held on May 13, one's fine sophomore high jumper, Frank Halvorsen, soared six feet once again to win that event. Teammate Eddie Sherman, also a second-year man, sprinted the century in 10.4 seconds for second place.
