4-H Leather Lacers Have May Meeting

Four members of the Leather Lacers 4-H club met Wednesday, May 10 at the Fairgrounds. Dean Graves, leader of our group, showed those present how to lace a sample piece of leather.

Anyone interested in leathercraft is invited to the next meeting which will be Wednesday June 7 at the fairgrounds. The meeting will start at 7:30 p.m. Donna Raymond, reporter

Mr. and Mrs. Bill Farra visited in Gresham while in Portland over the week-end with Mrs. Jesse Beardsley, former Heppner resident. She has been confined to bed the past five months following a serious heart attack in December, but extends her greetings to her Heppner friends. She resides at the Village Nursing Home, 3955 S. E. 182nd Ave., Room 27, in Gresham.

Students Scour City in Cleanup

Heppner High school students scoured the city Friday afternoon in a cleanup "blitz" conducted from 1 p.m. until 3:15.

They hauled many pickup loads of trash to the city dump, after picking up the discarded material from walks and curbs where residents had left it for them. They also picked up litter and trash from streets and vacant lots, extending from the high school grounds to the fair grounds and all over the city proper.

Sophomores were judged winners of the inter-class competition. Freshmen had the job of cleaning the area around the high school and Principal Dick Carpenter said that they did an excellent job.

The other three classes divided the city into sections, each taking one portion.

Carpenter said that the students seemed to do a good job of the cleanup, but he added that he was not satisfied with the performance of a few of the students who did not stick to the job throughout the time. All teachers participated in a supervisory capacity.

The principal says that he and members of the faculty will evaluate the cleanup program and will have some recommendations and changes in organization to offer for next spring's program.

The students had lunch at school before engaging in the cleanup, then returned to school at 3:15 for refreshments. Pop was furnished with the compliments of the Chamber of Commerce.

Gem Club to Meet

Morrow County Gem and Mineral Society will hold its monthly meeting on Saturday, May 27, at 8:00 p.m. in the old city library. The program will be devoted to viewing slides of the Wallowa country. Members are urged to attend, and guests are invited.

When you look for the most room and the smoothest ride and the best value, you'll end up with a Chevrolet wagon everytime.

Top left: Chevy II Nova Station Wagon. Foreground: Chevrolet Impala Station Wagon. Top right: Chevelle Malibu Station Wagon.

Chevrolet Impala, roomiest in its class. While extra roominess is perhaps the best reason for buying a Chevrolet wagon, consider, also, these bonuses: Body by Fisher, Chevrolet dependability, flush-and-dry rocker panels and Magic-Mirror finish. **Chevelle Malibu, smoother, quieter ride.** A Malibu not only gives you a Full Coil suspension ride, but the body mountings are double-cushioned. And Chevelle carries plenty. It opens wide. 54.6 inches, to be exact, 28.5 inches high. Flip the second seat down and you've got 86 cubic feet of cargo space for all your gear. Chevelle was built to take a lot. **Chevy II Nova, best equipped for the money.** All-vinyl upholstery is standard. Flush-and-dry rocker panels that clean themselves are standard. Separate panels beneath each fender to inhibit rust are standard.

Mono-Plate rear suspension to smooth the ride is standard. Price? Below standard.

How do you rate as a home manager?

How good are you at coping? Are you a whiz or a bust at handling the little problems that crop up every day. We've come up with a simple quiz booklet to help you find out.

The quiz consists of 20 common everyday situations that are likely to occur in any home. Each situation calls for action. But how you react will often determine how things turn out. The right choice can help life run smoothly. The wrong choice may result in more work, more time lost, more anxious moments.

You might suppose we'll say that all the situations can be solved by phone. Not so. But it is surprising how much time and effort you can save yourself when you learn to use your telephone to full advantage.

If you'd like things to run more smoothly around your house, let your phone lend you a hand. And if you'd like a free copy of the Home Manager Test, just call your local Pacific Northwest Bell Business Office.
