

Football Added To Sports Slate At Perry's Camp

A new program of football instruction and conditioning has been added to the summer schedule at Perry's Sports Camp near Vernonia. The staff for the one week session, August 20 to 26 will be directed by Paul Durham, head football coach at Linfield College. Coach Durham has established a winning tradition by leading the Wildcats to six Northwest Conference Championships in the past ten years.

Two Leave Sunday For Perry's Camp

Pat Sweeney, son of Mr. and Mrs. Jerry Sweeney, and John McCabe, son of Mr. and Mrs. Ernest McCabe, went to Perry's Sports Camp at Vernonia Sunday for a week's participation in the sports and camp program.

The McCabes took them to the camp. Both are sophomores at Heppner High school. Sweeney attended two camps last year and said that he liked Perry's better. The two will return home this week-end.

The football program will emphasize fundamentals, conditioning and attitude. Boys who will be participating in Pop Warner, freshman and varsity football will have an opportunity to work with college ball players. Contact work will be against dummies and blocking pads. The program is designed to prepare the players for the man-to-man contact they will be experiencing in their school and league play.

Ted Wilson, Linfield basketball coach, will again direct the eight week basketball program, June 18 to August 19. Assisting with the basketball instruction throughout the summer will be Don Porter, coach at Lower Columbia Junior College. A few of the many coaches who will be a part of the teaching staff include Dick Ballantyne, South Salem; Bob Frantz, Parkrose; Don Parker, Milton-Freewater; Jack Riley, Jefferson High; and Steve Pauly, ex Oregon State University star.

The week of July 16 to 22 will be devoted to wrestling under the leadership of Dr. Dale Thomas, wrestling coach at Oregon State University. Coach Thomas has directed the Beavers to ten Pacific Coast Conference tournament championships in the past eleven years.

Mark Cotton, Grant High School track coach, will head the one week cross-country, track and field session August 20 to 26. Jim Grelle will work out with the runners.

All programs are designed to accommodate beginners as well as varsity athletes.

Neva Matteson Wins 'Who's Who'

Mrs. Lyle (Neva) Matteson is this week's winner of the Who's Who in Morrow County Contest. Mrs. Matteson correctly identified Lynn Pearson as the mystery person, along with the 15 clues. She will receive \$30.

The clues were as follows: Rode Chuchus (motorcycle club), WSU, Small town, two wheels, black thumb, yellow jacket, Kenneth, Corn Binder, Black Jacket, teaches class, Washington, Tallman's, United 100,000 club, free advice, June, Mrs. Matteson said the combination of three clues gave her the tipoff. They were WSU, Washington, and Tallman's. She recalled that he had worked at Tallman's in Walla Walla, which is in Washington, and that he was a graduate of Washington State University.

Who's Who is a weekly contest sponsored by 16 local merchants, who are listed along with the rules on page 5 of this week's paper. Each week containers are placed at stores of four of the participating merchants. Next week the receptacles will be at J. C. Penney Co., Tum-A-Lum Lumber Co., Elma's Apparel, and Central Market. All eligible persons may enter at any or all of these places.

Mr. and Mrs. Robert Davidson, Greg and Anita, attended Commencement ceremonies at Portland State College on Sunday, June 11, when their daughter, Mrs. Harlan Flint (Beverly Jean Davidson) received her Bachelor of Science degree in speech. Mrs. Davidson whose husband is with Western Kraft Co. in Beaverton will teach next year in Beaverton.

Pfc. Greg Pierce Serves at Duc Pho

Army Private First Class Gregory L. Pierce, 20, son of Mr. and Mrs. Gene Pierce, Heppner, is participating in "Operation Malheur" near Duc Pho, Vietnam, with his unit from the 101st Airborne Division's 1st Brigade.

They have accounted for 379 enemy killed in the first four weeks of fighting in the heavily-infested North Vietnamese and Viet Cong territory.

Pierce, a cannoneer, is assigned to Battery C, 2nd Battalion of the brigade's 320th Artillery.

County to Receive \$20,000 for Road

Morrow county will receive \$20,000 from the Oregon State Highway Department towards construction of 3.8 miles of frontage road in north Morrow county and for oiling this and 1.2 miles more, County Judge Paul Jones said Tuesday.

The county court was notified of the allotment of highway funds Friday after long negotiations with the department, extending back to the beginning of the county's efforts to obtain a full highway interchange at the junction of Highway Interstate 80-N with the Patterson Ferry road.

The road will provide people from Irrigon and Umatilla access to the north gate at Ordinance and will facilitate movement of military shipments from Ordinance.

It will extend from the Patterson Ferry overpass to the Morrow-Umatilla line.

The judge said that work would not begin on the 3.8 mile section until fall, and the state payment will not be received until the job is done. The state already has completed a mile of the road on the west end.

Judge Jones said the county court was pleased and gratified to get this state assistance on the project, which is considered important to the northeastern part of the county.

The Rev. and Mrs. Dirk Rinehart and Ann drove to Cove Saturday, June 17, for a 10-day stay. Rev. Rinehart will be camp manager at Ascension Summer Camp for senior camp during the 10-day period.

Two Place High In State Driving

(Continued from page 1) awards were presented to all contestants.

Kathy and Jim were honor guests at the Chamber of Commerce meeting Monday at the Wagon Wheel Cafe, along with Hollomon who is secretary of the Morrow county Jaycees.

Hollomon explained that the Jaycee Road-E.O. a national project, is sponsored to give the young motorist a chance to prove his driving ability and improve driving habits, knowledge and attitudes. It is also designed to stimulate the interests of the community in the value of high school driver education courses.

To enter, the contestant must be between 16 and 19 years of age, unmarried, and must not have been found guilty of a moving traffic violation within six months prior to the national finals.

At the national event, \$14,000 in scholarships will be awarded, and each of the first six contestants will get the use of a 1967 Mercury for one year.

Hollomon said that the tests at the state finals were very difficult. The Heppner competitors had to get up at 4 a.m. Sunday in order to leave at 5 a.m., and both, being members of the Heppner Henchmen, had played for a dance until 1 a.m. the same morning.

At the Chamber meeting Kathy described the day's events, told of the banquet, and described some of the competition.

Jim told of the skills contests, particularly one that involved driving the car through a course marked by paper cups, then back through the same course. Object was to avoid hitting the cups. The driver couldn't look out the window in going ahead but could look out in backing up. He also told of going through a course marked by poles, that required sharp turns. None in the competition missed all the poles.

Jim commended Kathy for her excellent showing and pointed out that she was just nine points short of the national competition. He led the Chamber in a round of applause for her and thanked the Jaycees and the Chamber for their help and interest.

Clyde Allstott was chairman of the local Jaycee Road-E.O. but he could not attend the Baker event.

Motorists Errors Factors in Mishaps

Oregon motorists are "driving themselves to death," according to statistics recently compiled by the Oregon Department of Motor Vehicles. During 1966, driver errors accounted for 63 per cent of the state's fatal accidents.

Driver errors are violations of traffic laws or bad judgments on the part of the drivers.

The most common driver error in fatalities is driving too fast for conditions. This violation of the basic rule produced almost one third of all fatal accidents! Excessive speed caused an additional 11 per cent.

The third most common driver error, driving on the wrong side of the road, caused 13 per cent of the fatal accidents.

Other frequent mistakes resulting in traffic deaths were following too closely, turning left in front of oncoming traffic did not have right-of-way, failed to yield right-of-way to pedestrian, and straddling or driving in wrong lane.

Only 36 per cent of all fatal accidents were not caused by driver errors, which indicates that most traffic deaths do not really happen by "accident."

According to friends in Heppner, word has been received from Harold Curnutt in Portland that his wife Betty is in excellent condition at St. Vincent's hospital following lung surgery, which had been scheduled for some time. Mrs. Curnutt expects to return to work at Pioneer Memorial hospital by August 1.

Mrs. Arnie Hedman, Tim and Dee, are accompanying her mother, Mrs. Mae Turcotte on a trip to Marquette, Mich. where Mrs. Turcotte plans to visit with her daughter, Mrs. Angelo Zarza. Mrs. Hedman plans a trip of several weeks.

Mr. and Mrs. Gene Winters, Pat and Stephanie, vacationed from Friday, June 9, until Saturday, June 17, at various points on the Olympic Peninsula in Washington and returned home by way of Lake Chelan where they visited members of Mrs. Winters' family.
