

Board and Architect Compromise on Bill

Chapels Return From Alaska Trip

HEPPNER GAZETTE-TIMES, Thursday, August 3, 1967

(Continued from page 1)
the amount needed at Riverside. While Glazer said it was necessary for the photographer to make the trip to Detroit from Portland, and back, and then added that a second trip was made without charge when the original photos didn't "turn out," Director L. D. Tibbles said that he felt that a photographer should have been able to develop and print the pictures in an hour's time.

But copies of correspondence were brought to the attention of the board showing that the senator had asked for the pictures, and Glazer declared that Supt. Potter had called the architect and told him to obtain them.

So with some evident reluctance, the board passed motions to authorize the bills. Director Beverly Gunderson voted no. Despite the differences, the discussion was conducted without open animosity. Glazer said

that he had come prepared to defend himself and stand on his charges but agreed to the compromise settlement when he understood the board's point of view. He declared that a great deal of night work had been involved in preparing the plans and doing the preliminary work on the building.

Landscape Bids Sought
Because it is felt advisable to have grass planted about September 1, the board authorized calling for bids on landscaping at Riverside. Bids are to be opened at 2:30 p.m. Monday, August 28.

Glazer reported that first footings have been poured for the building and that masonry work will begin in about three weeks. Roads are in and graded. Steel work is also due to start soon.

Dalton Hired
Dan Dalton, coach at Riverside High school, was hired as principal of the school to succeed Ron Daniels, who officially began as superintendent Tuesday.

The board and Daniels discussed at some length the heavy burden of responsibility being placed on the new superintendent due to the extra work involved in the Riverside project in addition to regular administrative duties.

Daniels said that he was still willing to step back to being principal at Riverside if the district wished to hire an outside superintendent. He added that he had called two of the previous candidates for the position to see if they were still interested. One was and the other wasn't.

Statements were made at the meeting to the effect that "two men would be doing three men's jobs." Daniels and Dalton being the two. Both Bob Sicard and Earl McQuaw, Boardman advisory members, urged additional help for Daniels. McQuaw pointed out that he had previously made a plea for the district to hire an assistant superintendent, stating that he had heard widespread criticism of Supt. Potter for devoting too much time to the new school at the expense of the rest of the county. Directors pointed out that some citizens and the budget committee had resisted hiring an assistant.

Daniels reiterated that he was willing to stand by his agreement to serve as superintendent for a year but said that he would make no promises for thereafter.

Various members of the board expressed confidence in him and his ability to handle the job, and the matter stood at that point.

Potter Commended
The board took official action to commend Supt. Potter for his work in the district after Chairman Don McElligott called for a motion to that effect. Director Tibbles made the motion. It was seconded by Director Rauch, and it was passed unanimously. A letter will be placed on file commending his work.

Teachers Hired
Contracts were approved for the following:
Robert Mather, social studies and coaching duties at Heppner High. He is a graduate of Oregon College of Education, and

this is his first year of teaching.
Mrs. Robert (Anne Marie) Mather, first grade at Ione. She also is a graduate of OCE, and this is her first year.

Jack Trujillo, commercial teacher at Ione High. He comes from Rocky Ford, Colo., and this is his first year of teaching.

Mrs. Robert (Marion) Abrams of Heppner, teacher aide at Heppner Elementary school.

Cars Authorized
In accordance with the plan for driver training cars considered at the last regular meeting, the board authorized Supt. Daniels to obtain two cars, one for Ione from Ron Baldwin Co., Pendleton, and one for Riverside, from Pearson Motor Co., Hermiston. Daniels said that the two firms had agreed to furnish the cars without charge to the district.

This opened the discussion again on a previous agreement with Heppner district to furnish driver training cars. Heppner Auto Sales, Inc., and Fullerton Chevrolet have furnished single cars during the past two years to serve the entire district. Under the plan this year, each high school will have a car. However, the board asked Farley Motor Co. to furnish the car for Heppner at a lesser sum than the \$55 or \$65 per month charged by the other dealers because the car would be driven less than those in previous years.

Daniels said he had discussed the matter with Jim Farley, and that he felt the district should honor the previous commitment. The superintendent said that Farley told him he would attend the meeting to present his case, but he was not present.

The board passed a motion offering \$40 per month to Farley Motor for the use of the car with the understanding that its use would be approximately that of the former cars. Director Jack Sumner dissented on the grounds that no funds were provided in the budget for rental of driver training cars this year.

Talk on Bus Problem
How to transport children in the Bob Van Schoiack family now living in a hard-to-reach area in Rock Creek canyon was discussed. It was pointed out that the road to the family's residence will be virtually impassable in bad weather, particularly with anything but a 4-wheel drive vehicle.

It was decided to call for bids for transporting the children from their home to the Roger Palmer place where they would meet the school bus. If no acceptable bids are received, some other decision must be made.

Van Schoiack has told district officials that he cannot take the children to the bus. Attorney Abrams said that under the law the district must provide for their transportation or pay a sum for their board and lodging near the school.

Bid of Lois Hunt of \$350 per month on the bus run from the Dr. H. S. Huber placeneer Lexington, to the Bob Jepsen place was accepted.

Oil Bids Accepted
Bids called for gasoline, oil, and bus service and supply were accepted as follows:
Gasoline — Standard Oil Co., 20.99¢ per gallon at Ione and Heppner, 20.68¢ per gallon at

Irrigon and Boardman. Other bidders were Union Oil and Shell Oil.

Fuel Oil—Western Fuel Co., Yakima, Wash., \$3.88 per 42 gallon drum delivered at school. Other bidders were W. I. & M. Fuel, Pasco; Guy Jeppe, Hermiston; and Union Oil.

Diesel fuel—Mike Gray, Union Oil Co., Heppner, 13.8¢ gallon. Others bidding were Paul Pettyjohn Co. and Standard Oil Co.

Anti-freeze — Paul Pettyjohn Co., Ione, \$1.60 per gallon. Others bidding were Dewey West, Jim Barnett and Union Oil Co.

Bus supply — Wayne Kuhn, Boardman, oil 45¢ qt., bus lube \$2.50, panel or pickup lube \$1.50, bus tire repair \$2.50 outside and \$3 inside, panel tire repair \$1.50, but tire change \$4.00 hour, panel tire change \$4 hour, oil filters 20% off. Don Adams, Irrigon, oil 50¢ qt., bus lube \$2.75, panel or pickup lube \$1.75, bus tire repair \$3.50, panel tire repair \$1.50, bus tire change \$3.50, panel tire change \$3 oil filters 15% off. Jim Barnett, Ione, oil 35¢ qt., bus lube \$2.50, panel or pickup lube \$1.50, bus tire repair \$2, panel tire repair \$1, bus tire change \$2 hour, oil filters 35% off.

Work Program Outlined
Dick Carpenter, Heppner High principal, outlined plans for a work study program at Heppner High to be conducted through the vocational education department. He said that he anticipates 10 to 15 students in the program.

They will work on jobs, learn to accept responsibilities of work, and will have the work experience during some school time and after school hours. Hal Whitaker will be coordinator of the program.

Bergstrom Infant Makes Steady Gains

Mr. and Mrs. Gerald Bergstrom, Heppner, are the parents of a son, Michael John, born in Pendleton on June 27.

Their son arrived prematurely and weighed only 2 lb., 10 oz. at birth. He has been in the premature baby ward of Doernbecher Memorial hospital in Portland since the day after his birth and has now increased his weight to 3 lb., 7 oz.

Although Michael has now been moved from an intensive care isolette to a regular incubator, he will not be ready to live at home with his parents until he weighs between 5 and 6 pounds.

Grandparents of the baby are Mr. and Mrs. John Bergstrom of Heppner and Mr. and Mrs. Michael Donahue of Pendleton.

Be sure not to miss the 4-H Dress Revue at Morrow County Fair, Wednesday, August 23, at 8:00 p.m. See teen-age styles modeled by young 4-H seamstresses.

Mr. and Mrs. Blaine Chapel and Cassy, and Mrs. Joel Engleman and Frankie, this week looked back on a thoroughly enjoyable trip to Alaska and through parts of Canada.

They covered 4500 miles and returned over the weekend after leaving here on July 5. The group took a camp trailer and ferried from Prince Rupert to Ketchikan, Alaska.

They enjoyed fishing from a yacht and had good luck with their salmon catches, getting one that went 34 pounds.

After leaving Alaska, they went across to Glacier Park, going to Banff and Lake Louise, before returning home. They had no car trouble and had a completely relaxing and enjoyable vacation. Both Mr. and Mrs. Chapel, who have had recent illnesses, found it invigorating to get away and said that they "felt real good" on the trip.

Week-end Trip Takes Travelers to Nevada

Mrs. Elaine George and David George made a fast drive to Reno, Saturday, July 22, to meet Mrs. Maurice Groves, son John, Mrs. David George and Sean.

Mrs. George and Sean were returning from a visit with her mother, Mrs. Groves in Hemet, Calif., where they had gone earlier on the family vacation trip. Mrs. George and Mrs. Groves enjoyed the sights of Reno on Saturday evening but reported the city very crowded. The George's returned to Heppner on Sunday by way of Highway 395 which they reported to be considerably cooler than the trip down by way of Winnemucca.

Rev. and Mrs. H. E. Preston returned on July 18 from a two week's vacation, during which they visited members of their families in Utah, Colorado and Nebraska. They spent considerable time in Palsade, Colo.; Kearney, Omaha and Lincoln, Nebraska. In Lincoln they visited with their son and daughter-in-law, Mr. and Mrs. Eugene Preston and daughter. Both the younger Prestons are elementary teachers and Eugene is attending summer school at Union College in Lincoln.

LOSE WEIGHT

Get amazing results when you take our product called SLIMODEX. No prescription needed. You must lose ugly fat or your money back. SLIMODEX is a tablet and easily swallowed. No starving, no special exercise, no harmful drugs. SLIMODEX costs \$3.00 and is sold on this GUARANTEE: if not satisfied for any reason, just return the unused portion to your druggist and get your full money back. SLIMODEX is sold by: MURRAY REXALL DRUGS—271 N. Main—Mail Orders Filled.

New Zealand Man Accompanies Friend

Former Heppner resident, Tom Glass, accompanied by a friend, John Finney, visited this weekend at the home of Mr. and Mrs. Herman Green. The visitors attended the Methodist church picnic at the courthouse park on Sunday afternoon.

Finney is from New Zealand and is studying at the University of Oregon. He will receive his Bachelor of Science degree at the end of summer term and plans to teach in England during the next school year. He will travel across the United States on his way to England

and was interested in various points of interest on this trip to Eastern Oregon.

Mr. and Mrs. Leon Ball and son Randy spent last week on vacation at Prineville reservoir. They spent considerable time fishing and less time catching, but despite the fact that fishing wasn't too good, they had an enjoyable and relaxing time. While they were there, Leon's brother, Jack Ball, of Kinzua joined them on the outing. The Balls returned Sunday.

TRAFFIC TUNE UP

(This is the second in a series of articles to test your knowledge of Oregon's traffic laws and safe driving practices.)

1. You approach the intersection at the same time as 2 other cars. Car B is on your right. Car C is approaching from the opposite direction. You wish to turn left. Over which car do you have the right of way?

ANSWER: Neither. The driver of a vehicle within an intersection intending to turn left must yield the right of way to any vehicle approaching from the opposite direction (Car C). And, where traffic is not controlled by signals, you must give the right of way to vehicles on your right even though you entered the intersection first.

2. You wish to make a left turn from a four lane one-way street to a two-way street. In which lane of the one-way street should you be to make the turn?

ANSWER: Approach the intersection in the lane for traffic closest to the left curb. This turn cannot be made against a red light.

3. You wish to make a left turn from a two-way street to a four lane one-way street. When making your turn which lane of the one-way street should you be in?

ANSWER: As you enter the intersection turn your car into the extreme left lane for traffic on the one-way street you are entering. (If you would like further information, contact your Oregon Department of Motor Vehicles.)
