

### Native of Hardman Dies in California

Word has been received here of the death of H. S. (Dick) Swift on Sunday, July 30 in Los Angeles. Mr. Swift's death came unexpectedly as he was apparently recovering from heart surgery performed on Tuesday. Funeral services were held Wednesday, August 2, in California.

Mr. Swift was a native of Hardman; he and his wife, the former Ethyl Copenhaver of Heppner, visited friends and relatives in Morrow county almost every year, and made their last trip last summer. They had lived in California for over 20 years.

### TRAFFIC TUNE UP

(This is the third in a series of 13 articles to test your knowledge of Oregon's traffic laws and safe driving practices.)

1. You are entering a one-way street and wish to make a left turn. However, the light is red. Should you proceed after stopping for the red light or wait for the light to change before making your turn?

ANSWER: You may turn left after stopping at the light when ENTERING a one-way street unless prohibited by a sign or police officer. The turns must be made without endangering pedestrians or traffic on the street you are entering.

2. It is illegal to make reverse or "U" turns on or near any curve or hillcrest, or any place where you cannot see the road for at least how many feet in either direction?

ANSWER: 500 feet. It is also illegal to make "U" turns between intersections in any city or town and at any place where "U" turns are prohibited by official signs.

3. What are the two instances when passing on the right is permissible?

ANSWER: Passing on the right is permitted when the vehicle being passed is making or about to make a left turn on a street or highway with space for two or more lanes of traffic moving in the same direction, and when the vehicle being overtaken is in the left lane on a street or highway with two or more marked lanes for traffic moving in the same direction.

If you would like further information, contact your Oregon Department of Motor Vehicles.

IF YOU DON'T KNOW ALL THE ANSWERS, AT LEAST BE SURE YOU HAVE ADEQUATE AUTO INSURANCE.

### Over The Tee Cup

By MARIE McQUARRIE

For those who wondered what was taking place at the Willow Creek Country club on Sunday, the answer is "it was Kinzua Guest Day". The turnout was GREAT. Rivalry between the two clubs is always a close one, but the friendship is also. Associate members of the WCCC from Condon were also present.

Prizes were given for long drive on No. 6, and closest to the pin on No. 4. The winning men from Kinzua were: low gross, Dave Lovell; low net, Al Nistad; long drive, Ed Wham; closest to pin, Al Nistad. Heppner men winners were: low gross, Maurice Groves; low net, Ambrose Chapin; long drive, Dayle Dugger of Condon; and closest to pin, Wick Parrish, Condon.

Number of gals participating was not as large, but needless to say, all had a good time. Results of their nine holes were: for Kinzua, low gross, Dorothy Close; low net, Marie Hulett; long drive, Dorothy Close, and closest to pin, Marie Hulett. (Rather repetitious). Heppner winners were: low gross, Beverly Gunderson; low net, LaFyrne Pratt; long drive, Marie McQuarrie, and closest to pin, Marie McQuarrie.

We were glad to have the Gordon Pratts, former residents, on hand to enter the festivities.

Phil Mahoney, president, planned the day's play. Hazel Mahoney planned the chicken dinner and, with help of other gals, a delicious meal was served to between 70 and 75 people. After regular play and dinner, a "sudden death play-off" was held with 24 men participating in pairs. It was with pleasure for Heppner that one of our "youngsters"—some-where in the 70-year-old bracket—was one of the first-place pairs. LaVerne Van Marter, Sr., by name. Don Slinkard of Kinzua was his partner. Joe Balfe of Heppner and Jim Hulett of Kinzua came in for 2nd place.

Attention, Heppner gals! Let's have a large turnout Tuesday, July 15, when the Echo, Kinzua and associate Condon ladies will be guests of the day. Starting time is at 8:30, with coffee and doughnuts before tee-off, and luncheon following play.

### Wolff Family Spends Vacation at Lakes

Dr. and Mrs. Wallace Wolff and family spent a week's vacation fishing and camping with their trailer the last of July.

They stayed at Walton Lake in the Ochoco Mountains during the first of the week and then went on to East Lake near Bend. They also made a one-day trip to visit Lake of the Woods, Four-mile Lake and Fish Lake. Fishing was poor for the family until the last day at East Lake when son Tom landed an 18-inch trout weighing two and a half pounds.

### Tuesday Lucky Day For Peggy Snyder; Wins \$105 Prize

"Oh, I can't believe it!" This was Peggy Snyder's reaction when Helen Sherman, co-publisher of the Gazette-Times, called Tuesday afternoon to tell her that she had won the \$105 prize in the Who's Who contest for the week.

She correctly identified Mrs. Sadie Parrish and listed all 19 clues unerringly. Therefore, she won the big prize that had accumulated for four weeks.

To be sure that the drawing for this "big one" was conducted in complete fairness, the paper secured Chief of Police Glen Kolkhorst as judge and he drew the winning slip from a large box full of entries. Officer Bert Corbin was with him to give further official status to the proceedings.

Peggy, a graduate of Heppner High school with the class of 1967, is planning to attend Blue Mountain College this fall. She was a cheerleader at the high school and is working this summer at the Heppner swimming pool.

This week's contest also shattered the record for entries with a total of 696 slips counted by the G-T staff after the drawing.

With the big prize now awarded, the contest this week drops back to a maximum of \$30 prize, \$5 for identifying the Who's Who of the week and \$25 if all the clues are correct on the slip that is drawn.

To qualify with the clues in this paper (August 17), the entrant must leave his entries in one of the boxes in the following four stores: Peterson's Jewelers, Murrays Rexall Drugs, Gony's, and Wagon Wheel Cafe. All ads of participating merchants should be checked carefully this week for clues.

Last contest in this series will be in the paper of August 24.

### Relatives Travel To Shipp's Wedding

Mrs. Max Buschke traveled to Condon, Wn., Saturday, August 4, where she attended the wedding of her grandson, Richard (Ricky) Shipp, son of her son-in-law and daughter, Mr. and Mrs. Sammie (Carol) Shipp.

The wedding ceremony was held at the Trinity Lutheran church in Pasco, Wn., at 4 p.m. A reception followed in the church social rooms.

Other relatives from Heppner who attended were Linda Shipp, sister of the groom, Mrs. Glen Ward, Mr. and Mrs. Delmer Buschke, Mrs. Earl Evans, Bill Gentry and Judy Evans. Buschke and Miss Shipp were overnight guests at the Shipp's home, returning to Heppner on Sunday.

Mrs. Clayton A. (Harriet) Shaw and son Steve visited in Heppner recently with Mrs. Shaw's mother, Mrs. Emma Hager, and with other relatives here and in Hermiston. Mrs. Hager accompanied them home to Corvallis for a week's stay, returning to

### Gary Van Blokland Home from Service

Gary Van Blokland, son of Mr. and Mrs. Wilbur Van Blokland, has completed his two years in army service and returned home Saturday with his honorable discharge from the army.

He has been serving at Ft. Belvoir, Va., where he worked as a specialist in the procurement office of Officer's Candidate School. He said that he "received a good education" in the experience that he gained there.

Gary plans to enter Blue Mountain College this fall and then hopes to follow a career as an auctioneer. He attended a year at California Polytechnical College after graduating from Heppner High school and then attended Eastern Oregon College. Gary also took a special course in auctioneering and was in business for himself as an auctioneer before entering service.

His brother, Dale, who has completed two years at Blue Mountain College with a major in civil engineering, is now employed by Stevens Thompson and Runyan, civil engineers, in Portland.

Heppner Sunday, Col. Shaw and Rob are spending six weeks in training of troops at Fort Lewis, Wn.

### Ex-Heppner Girl's Family Wins Titles In Pistol Shooting

Pistol shooting is a family affair with the James McNabbs, who are capturing all kinds of championship titles with their accuracy, according to reports from armed service papers.

Mrs. McNabb is the former Rachel Cox of Heppner. She is the daughter of Ben Cox and sister of Mrs. Dick (Lorna) Bor-

man of Heppner. Mrs. McNabb graduated from Heppner High school in 1950.

Most recent honors coming to the family, now at Sheppard Field, Texas, were winning of the Oklahoma and Texas muzzle-loading championships on consecutive week-ends early this summer by SSgt. McNabb, who is a small arms instructor at Sheppard.

The Sheppard Senator, newspaper there, said, "He doesn't wear a coonskin cap, but Jim McNabb fires a flintlock percussion pistol with the deadly accuracy of a Davy Crockett."

These were the first times that he has participated in shoots with the old-time weapons, but he has more than 200 trophies and 75 medals to attest to his marksmanship with conventional weapons, earned during the past seven years.

Sgt. McNabb defeated the national champion at the Oklahoma Muzzle-loading Championships at Skiatook in Osage Territory, At Brady, Texas, he set a new Texas record in winning the single-shot percussion event with a perfect 100x100 score. He also placed second in the Texas grand aggregate competition, losing out by two points in musket firing.

SSgt. McNabb was scheduled to compete in the national championships at Friendship, Ind., this month. He is also an expert with the bow and arrow.

Mrs. McNabb, who decided to learn to shoot so she could accompany her husband and compete, has won a number of trophies, too, among them the Northwestern Florida Women's Championship of 1962.

Daughter Patricia has started shooting with a .22 pistol. She is 13 and one of three girls in the family.

Mrs. McNabb lived with her sister, Mrs. Borman, after their mother died when Rachel was 12 years of age. After graduating from high school here she entered the WAAF and met her husband at Hamilton Air Force Base, where he was her drill leader. They were at Eglin Air Force Base before going to England where he was assigned for three years.
