(Marilyn Michale Lundell)

Lundell-St. Laurent Vows Exchanged on August 5

A nuptial mass at the Post Chapel in Fort Lewis, Wn., on Saturday, August 5, united in marriage Marilyn Michale Lundell, daughter of Mr. and Mrs. Richard Lundell of Pendleton, and John St. Laurent, son of Mr. and Mrs. Henry St. Laurent of Napa, Calif.

The shoulder length veil of illusion net was held by a wreath of white daisies, matching those of the dress. Her bridal bouquet was a large orchid surrounded by roses and stephanotis and satin streamers. The bridal gown and those worn by the attendants were all fashioned by the bride's mother.

Mrs. James Fletcher of Pendleton, sister of the bride, was matron of honor. Bridesmaids were Misses Ginger Brown, Sheila Mabry, and Linda Carey, all of Pendleton. Cathy and Karen Morton, also of Pendleton, were flower girls.

Mrs. Abrams Takes School Position

Mrs. Robert (Marion) Abrams, who has been on the staff of the Gazette-Times for the past year, has taken a position as teachers' aide at Heppner Elementary school and will begin her new work next week.

Friday was her last day with the paper, and the Abrams family went to the coast over the week-end for a few days vacation. Mrs. Abrams worked on society and local news for the paper.

Since her leaving will cut the office staff to a minimum, cooperation of the public in getting local and society news, meeting notices and other items to the paper as soon as possible each week will be appreciated.

Mr. and Mrs. C. E. McQuarrie took a trip to Washington last week on their 30th wedding anniversary. They visited his brother, Herb McQuarrie, and family in Tacoma and his sister, Mrs. Flora Stewart, in Tillicum. The McQuarries left Wednesday and returned Sunday. A highlight of the trip was playing the up-and-down course of Ardentale Golf and Country Club in Gig Harbor. A novelty was the electric elevators used to transport players from greens to elevated tee-offs on the 9-hole course.

Heppner Grad Studies At Mexico University

Miss Margaret Ann Marks, daughter of Mr. and Mrs. Leslie J. Marks of Fossil, and a graduate of Heppner High school in 1965, has been enrolled this summer at the University of the Americas, located in Mexico City.

Because the over 2,000 students at UA are not only from the United States but from more than 40 other countries, the school plays a distinctive role in intercultural and international education. Accredited by the Southern Association of Colleges and Schools, the University has a larger enrollment of American students than any other school abroad.

Classes are taught in English by an internationally trained faculty but practically all students learn Spanish not only in the classroom but through their association with the people of Mexico. Most of them live in college-approved private Mexican homes and as a result become familiar with the customs and daily lives of their hosts.

In Mexico, Miss Marks finds her intellectual perspective widened by her venture into an environment in which glass-

walled skyscrapers stand within a few miles of ancient pyramids. To increase their knowledge of the country, students have been able to go on many University-sponsored trips to ancient ruins, tropical resorts of Acapulco and the ceramic and copper centers of the Tarascan Indians of Patzcuaro.

Miss Marks will return to Oregon State University this fall for her junior year, where she is majoring in Food Technology.

She also plans to return to the University of the Americas in the fall of 1968 to attend school and also see the Olympic Games which will be held in Mexico City at that time.
