

Morrow's Soft Wheat Desirable In Orient Market

By GENE WINTERS
County Extension Agent
 A recent spot check of Morrow county's 1967 soft white wheat crop shows it to have a protein level desired by the cash market in the Orient. This was revealed on the basis of 20 samples analyzed.

Gaines and the new club wheat, Moro, had protein readings with one exception between 6.2 percent and 7.2 percent. Protein of over 9 percent has been a cause for concern by the Japanese milling trade. This reaction triggered a protein study.

The three-year protein survey program was concluded in 1966. Under that program as many as 90 Morrow county wheat samples each year were analyzed for protein.

Starting this year the protein survey becomes part of the Tri-State grain quality study. This study was undertaken to determine what quality changes take place in Pacific Northwest wheat from the time it is delivered to the country elevator until it is shipped from the terminal for export. Protein is one of the quality factors considered in the trade.

Hired Labor is Most Costly Of Agricultural Expenditures
 Hired labor was the largest out-of-pocket cost for Morrow county farmers and ranchers, according to the recently received 1964 United States Census of Agriculture. Specified farm expenditures listed in the county were: hired labor, \$831,000; feed for livestock, \$550,000; livestock purchased, \$580,000; seeds, \$90,000; petroleum products for the farm business, \$490,000; and machine hire and custom work, \$95,000.

Two hundred farmers reported using \$205,000 worth of fertilizer and fertilizer material. Approximately 67,000 acres of wheat and 5,000 acres of barley were fertilized in producing the 1964 crop.

The agriculture census is taken every four years. The final report for Oregon is now available from the Superintendent of Public Documents. Oregon County data is available in the report.

Large Amounts Feed Grain Imported for Poultry Use
 Often overlooked in the wheat country is the feed grain consumed by the poultry industry. Noel Bonhion, OSU extension poultry specialist, estimated in 1966 that the poultry industry used 7.3 million bushels of feed grain. Of this, 4.4 million bush-

Trash Fish Kill Due in Umatilla

Rehabilitation of the Umatilla River by the Oregon State Game Commission will begin Saturday, September 23, according to Dave Heckerth, district fishery biologist, Pendleton.

Liquid rotenone will be used to eliminate an overpopulation of trash fish included in the project will be the lower ten miles of Meacham Creek and 80 miles of the main stem down to the mouth. Restocking will be done with rainbow trout and summer steelhead.

The public is welcome to observe and collect any fish they desire. Rotenone does not harm the flesh of the fish killed, and they are perfectly edible, Heckerth said.

"Many collect the trash fish for use as fertilizer in their gardens," he said.

The river project is expected to take three or four days. The river flow will be detoured to the lower end to prevent any loss of fish in the Columbia River. The chemical used is harmless to anything but gill breathers, so will not harm any livestock, or crops, or people.

Rotenone was applied at Cold Springs reservoir on Tuesday, September 19, but the job there took just one day. An overpopulation of carp, suckers, squawfish, shiners and chiselmouth was the target of the operation. Restocking will be done next spring and will include largemouth bass, chappie, bluegill and catfish.

els were imported into the area. This would be equivalent to the average Morrow county production of wheat and barley.

Washington imports 6.6 million bushels and California 59 million bushels of feed grains for their poultry industry.

The average foreign rate paid for imported grains amounts to 45¢ per bushel on corn and milo. The freight rate on feed grain is estimated to cost Oregon producers 2¢ per dozen on eggs, 1¢ per pound on broilers, 1½¢ per pound on turkeys and ½¢ per turkey egg.

A ready market for competitive feed grains in the West Coast region points out the need for new crop developments.

 8 Nut Growers Society Meeting, Marion Hotel, Salem.

Mann Says Session Task 'Formidable'

Rep. Irvin Mann, (R), Stanfield, told the West Umatilla County Democratic Club last week that "the same seeds of stalemate" on property tax relief will be present in the forthcoming special session of the legislature that existed in the regular session and that in view of this, the special session faces a "truly formidable task."

Mann said the goal of the session would be to raise additional revenue for the state to the end that the state "can shoulder a greater portion of the cost of local education to reduce property taxes."

He noted that the wording of the governor's proclamation calling a special session did not rule out the possibility of finding additional revenues in the special session to fund the state general fund budget of the regular session rather than cutting those budgets. Mann said this might be accomplished by the elimination of the federal income tax as a state income tax deduction.

Irrigon Water Issue Discussed

By DONNA EPPENBACH
IRRIGON — The pre-election public meeting on city water was held September 8 at the A. C. Houghton Cafeteria. About 20 interested people were present to discuss the proposal, ask questions, and hear comments on the \$67,500 proposed project and the \$45,000 revenue bond issue, which would partially finance it.

Mayor Wilson read a letter from Rep. Ullman saying the project has been approved for funding under the fiscal appropriation, subject to approval of the revenue bond issue by the people.

Present in the interest of Farmers Home Administration, who will be handling the financing, were county supervisor Ron Friezen and his assistant A. C. Brundage of Pendleton, and Jerry Spindler, State Engineer of Portland, who was accompanied by Mrs. Spindler.

Jack Wright, state sanitarian of the Pendleton office who has but recently taken over the position previously held by W. Colham, represented the State Board of Health who must approve the project.

Visitors recently at the home of their parents, Mr. and Mrs. Floyd Hobbs and family were Airman J. C. and Mrs. Allyn F. Hobbs of Sacramento, Calif. Allyn will be going to Florida where he will be stationed. Also here were SSGT. Daryl F. Hobbs and Mrs. Hobbs from Griffiss AFB in Rome, N. Y. Daryl will be stationed in Thailand.

Mr. and Mrs. Vernon Partlow of Hillsboro, were overnight visitors with his brother and sister-in-law, Mr. and Mrs. Al Partlow and Sheryl.

Rev. and Mrs. John Kenney returned from a week's vacation where they visited with Mr. and Mrs. Charles C. Parker of Seattle. Their niece and family, Mr. and Mrs. Al Sjostrom of Seattle, and with their brother and sister-in-law, Mr. and Mrs. A. Kenney of Vancouver, B. C.

Mrs. Josie Buchanan, returned to Irrigon last Wednesday after spending two weeks in Toppenish, Wash., with her brother-in-law and sister, Mr. and Mrs. Bob Montague. While there, they attended the Oral Roberts Crusade in Yakima.

Mr. and Mrs. Rees Morgan were victims of a fire Saturday morning caused by exploding paraffin. There was considerable damage done to their kitchen and smoke damage in the other rooms.

Mr. and Mrs. Jay Berry of Portland visited Monday with Mr. and Mrs. Albert Partlow and Sheryl.

Mr. and Mrs. Vernon Stewart, Tom and Sharon, and Mrs. Ellen Reeder traveled to Portland Saturday to visit with Mr. and Mrs. Duane Reeder and family. They returned to Irrigon Sunday.

Mr. and Mrs. Alva Witaker of Scappoose, were week-end visitors of her sister, Mrs. Vera Cooley. They all went to Happy Canyon Saturday evening.

The Irrigon Community church held a picnic Sunday at the Umatilla Park after their Sunday School hour. They enjoyed dinner and held the morning worship service at the park.

Mrs. Howard Eppenbaugh of Orchard, Neb., is visiting at the home of her son and daughter-in-law, Mr. and Mrs. Kenneth Eppenbaugh and family.

Perry Pummel and Chester Wilson left Friday for the Starky area for some bow and arrow hunting. They were to return home Monday.

Rev. and Mrs. John Kenny, Mrs. Albert Partlow and Sheryl traveled to Pendleton Saturday evening to attend the Christ Ambassador Rally at the Pendleton Assembly of God church.

Bride Honored At Shower Party

By VIRGINIA KESLO
KINZUA—Mrs. David Dahill, nee Belinda Meadows, was the honored guest last Monday evening at a miscellaneous bridal shower given at the grade school. Several games were played with prizes won by Hil-dred Hines, Lola Ferrel, and Gilly Hoover. Mrs. Dahill then opened her many lovely gifts assisted by her mother, Mrs. Meadows, her mother-in-law, Mrs. Henry Dahill of Monument, Mrs. Inga Hellicsen of John Day, Diane and Donna Meadows.

At the close of the evening refreshments of cake, ice cream, punch and coffee were served to the guests by the hostesses Rita Sitton, Alana Guinn, Sally Schroeder, Susan Hoover, Linda Marler, Vera Conner, Cheryl Barzee, and Linda Bird.

Mr. and Mrs. Marvin Kimball of Klamath Falls and former residents of Kinzua became the parents of their second child, a daughter, Melinda Marie, on August 28 in Klamath Falls. She weighed 7 lb., 5½ oz. Grandparents are Mr. and Mrs. Joe McMin.

Mrs. William Stephens and son Michael returned home last Wednesday from a three weeks visit to Halstead, Kan., where she visited her mother, Mrs. Anna Cox. Also making the trip was Mrs. Wayne Cox of Fossil who visited in Kansas and with other relatives in Missouri.

Word has been received here also of the birth of a son on August 21 to Mr. and Mrs. Stanley Cox of Aiea, Hawaii. The little boy weighed 6 lb., 14 oz., and has been named Benjamin Ray. He joins a sister, Tammi Sue. Grandparents are Mr. and Mrs. Urban Noethe of Moneta, Iowa, Mrs. Anna Cox of Halstead, Kan., and Archie Cox of Kinzua.

Mrs. Bert Hoover and Mrs. Robert Keslo went to Mitchell Saturday evening to attend a dinner meeting of the Grant-Wheeler Postmasters and Clerks at the Mitchell Community hall.

Mr. and Mrs. C. L. Flack and Mrs. Jack Ball were business visitors to The Dalles Friday.

Robert Langendorfer and son Darrel, and Pete Langendorfer and their mother of Jefferson City, Mo., were Thursday night guests of Mr. and Mrs. Paul Oyl-ler. The Langendorfers are on a vacation trip to various parts of the west coast. Other guests of the Oylers were Mr. and Mrs. Dean Novotny and daughters Dawn and Denise of Prineville who spent the week-end here.

Mrs. Frank Ferrel went to Portland last Wednesday for medical care and to visit with Mr. and Mrs. Burton Nelson and family.

The Friendship Club was entertained last Wednesday evening at the grade school with Naomi Rice as hostess. High and pinocle were won by Carol Norris, low by Doris Stubblefield, and the second pinocle by Pat McMinn. Others playing were Sharon Bell, Sue Mattison, Dinah Jackson, Rose Merry Nelson, Deena Reid, Pat Van Arsdale, Terry Todd, and Ruth Jordan.

Herschel Murdock went to Pasco on Friday to meet Mrs. Murdock who was returning from a two weeks trip to Mc-Gregor, Minn., where she was called by the death of Mrs. Neville Murdock. While in Minnesota she went on to Brainerd to visit her parents, Mr. and Mrs. Fred Casey, Sr.

Mr. and Mrs. Slim Rhoton went to The Dalles on Monday where Slim had medical care.

Mr. and Mrs. Louis Lorengel and son Ldee took Linda Lorengel to The Dalles on Sunday where she entered the hospital for treatment.

Mr. and Mrs. Jay Berry of Portland visited Monday with Mr. and Mrs. Albert Partlow and Sheryl.

Mr. and Mrs. Vernon Stewart, Tom and Sharon, and Mrs. Ellen Reeder traveled to Portland Saturday to visit with Mr. and Mrs. Duane Reeder and family. They returned to Irrigon Sunday.

Mr. and Mrs. Alva Witaker of Scappoose, were week-end visitors of her sister, Mrs. Vera Cooley. They all went to Happy Canyon Saturday evening.

The Irrigon Community church held a picnic Sunday at the Umatilla Park after their Sunday School hour. They enjoyed dinner and held the morning worship service at the park.

Mrs. Howard Eppenbaugh of Orchard, Neb., is visiting at the home of her son and daughter-in-law, Mr. and Mrs. Kenneth Eppenbaugh and family.

Perry Pummel and Chester Wilson left Friday for the Starky area for some bow and arrow hunting. They were to return home Monday.

Rev. and Mrs. John Kenny, Mrs. Albert Partlow and Sheryl traveled to Pendleton Saturday evening to attend the Christ Ambassador Rally at the Pendleton Assembly of God church.

Rifle Club Joins National Group

Morrow County Rifle and Pistol club has joined the ranks of National Rifle Association of affiliated organizations, it is announced by the national association from Washington, D. C. The officers of the newly chartered club are:

Vester Wayne Hams, president; Dick Robison, vice president; Melvin Piper, executive officer; Tom White, instructor; Len Ray Schwarz, secretary-treasurer.

The new shooting club joins the 12,000 other rifle and pistol organizations from coast to coast now affiliated with the NRA, national sponsor of all organized smallbore rifle, high-power rifle and pistol shooting in the United States.

The new local club will help promote competitive shooting in its area with its members firing in local, regional and national registered matches and championships.

Can you tell which Geigy herbicide was used here?

Could be Atrazine, Simazine, or even new Pramitol™ herbicide. The outstanding results are no clue... because all of these Geigy herbicides keep non-crop areas around the farm or ranch weed-free for months. With an easy-to-make, once-a-year application, too.

Each Geigy herbicide has special features that enable you to obtain best possible weed control in non-crop areas. All are economical. And the correct one to use simply depends on your specific problem. You can use the following guide:

Atrazine 80W Wettable powder. For spray application before or soon after weeds emerge. Ideal for areas with low rainfall.

Simazine 80W Wettable powder. For spray application before weeds emerge. Ideal for areas with ample rainfall.

Pramitol™ 25E Emulsifiable solution. For spray application on established weed growth. Ideal for areas where weeds get a head start.

Pramitol™ 5P Pellets. For dry application before or after weeds emerge. Especially effective against hard-to-kill, deep-rooted perennial weeds.

See your supplier now for the Geigy herbicide that will solve your weed problem in non-crop areas for months with a single application this fall.

Or, for more information, write us today.
