

City Ordinances Get Critical Eye At Council Meet

(Continued from page 1)

crowds every morning, but apparently no one has complained about it.

The discussion ended amicably. Mayor Rosewall assured the Hills that the city wanted them to live here, and they thanked the council for its consideration.

Hill was invited to re-apply for a permit with the understanding that more research will be done on the ordinance to determine whether neighbors' complaints, indeed, can result in keeping another from having poultry and animals.

Glen Ward appeared to explain a plea of the American Legion for putting out flags on holidays with the cooperation of downtown firms. He asked for permission to install brackets for flagpoles on parking meters in lieu of attempting to mount brackets on building walls. Permission was granted.

A letter from Jim Hager was read relative to the city's recent order for him to hook up a trailer house and shop building to city sewers. He contended that septic tanks had been installed years ago when a city official approved it and told of the problem caused because the sewer depth was not sufficient at that time for a proper hook-up.

The attorney said at the meeting that a city official has no authority to give permission to anything which is in violation of a city ordinance.

Mrs. Elaine George, recorder, was instructed to notify Hager by letter that the city will commence to take action on the matter.

Speed Limit Perplexes

A letter from the State Highway Department, in answer to the city's quandary on the downtown speed limit, held to the original recommendation of 30 miles per hour and asked for the "reaction" of the city officials. The reaction is simple to state: Perplexity. They had previously taken the position that 30 miles per hour downtown is too fast and asked that it be reduced, only to receive the reply that the 30 mph should be followed and asking for their reaction. Mrs. George said that perhaps she should write the same letter (as her previous one) over again.

Building permits were granted as follows: Scott Furlong, new roof on house, 280 Chase Street; Merritt Gray, adding shed to store cars and equipment to shop building on Morgan Street; Millard Nolan, two car garage, 215 Cowin Street.

Bids on the sale of bonds for the municipal swimming pool will be opened Monday, October 9, at 2 p.m. and the council will meet at that time to consider the bids.

Welfare Office In New Location

Office of Morrow county Welfare moved Tuesday to its new location in the rear of the Gilliam and Bisbee building, Lowell Chally, administrator, announces.

Entrance to the new quarters is on Main street. The office is on the first floor of the building, but the entrance is near the stairway to the second floor. Former quarters of the Welfare Office were in the Heppner Hotel building with entrance on Willow street.

Evening Classes To Start Soon At Heppner High

Four courses are proposed by Blue Mountain Community College for evening classes to be held at Heppner High school, and an organizational meeting is set for Thursday, October 12, for all interested, David Reynolds of the evening division of BMCC announces.

Those interested in classes that help prepare for G.E.D. exams (high school equivalency) will meet at 7:30 p.m. that night and those interested in other courses will meet at 8 p.m.

Courses proposed are these: Developmental reading — designed to improve reading skill, comprehension and speed. Meets from 7 to 9 p.m. one night per week for 12 weeks. Fee: \$10.50. Text: \$3.95.

Conversational Spanish (beginners course)—listening, conversational and reading experiences in Spanish. Meets from 7 to 9 p.m. for 15 weeks. Fee: \$12.50. Text: \$3.70.

Home decorating—Use of color in the home. Selecting and coordinating home furnishings and accessories. Meets from 7 to 10 p.m. for 10 weeks. Tuition: \$12. Instructor: McDevitt.

Drawing-painting — A non-credit course designed to give the student experience in various visual media. Exercises and demonstrations are incorporated in the course. Meets from 7 to 10 p.m. for 10 weeks. Instructor: McDevitt. Fee: \$12.50.

Farm welding — Class meets from 7 to 10 p.m. one night per week for 12 weeks. Tuition and supplies: \$25.

Basic education — A program to prepare for high school equivalency examinations (G.E.D.). Meets from 7 to 10 p.m. Monday, Tuesday, Wednesday and Thursday for eight weeks. Tuition: \$40. Texts: \$5 to \$7.

College Transfer Courses History of Western Civilization (Hist. 101)—Three credit hours. Period of history from 1850 to present. Meets from 7 to 10 p.m. for 10 weeks. Tuition: \$15. Text: \$9.95. General sociology (Soc. 204)—Three credit hours. The basic

Eagles Win, 28 to 6, Over Mustang Eleven

By BOB DOBBS

The Heppner Mustangs were lassoed Friday night by the Wahtonka Eagles at The Dalles by a score of 28-6. The Heppner team did not seem to have any spirit for the game with the Eagles. This was a critical game for the Mustangs because if they had won this game they would have been in first place by a large margin.

The only score for Heppner came after John Hall intercepted a pass and ran it to the two-yard line. Then Randy Stillman went over for the score. The PAT was no good.

The Mustangs won the toss, received the ball, and could not make any headway. They punted, and the Eagles took over on the 50-yard line. Wahtonka drove towards paydirt and pushed over for a score, with Rod Hare rambling 22 yards for the touchdown. Rex Meyer kicked the extra point. The Mustangs fumbled Wahtonka's kickoff and the Eagles recovered. Fired by their early success, the Eagles carried the ball in for another TD, with Rick Stovall cracking over from the one-yard line. Meyer's kick for the point was wide.

The Eagles again kicked off and the Mustangs again fumbled, but Steve Munkers fell on the ball for Heppner. The second quarter started with Steve Pettyjohn catching a crucial third-down pass for a first down. Penalties then slowing Heppner's motion, causing them to punt. An Eagle, on the next set of plays, got off a 61-yard run before being caught from behind by Stillman. Wahtonka moved on in the next series to score, but the touchdown was nullified because of a clipping penalty.

Wahtonka then drew another penalty for clipping. The Eagles were then stuck with fourth and long yardage but decided to run. They fell short of a first down and Heppner took over. The Eagle defense showed its ability by forcing Heppner into a safety. When Mike Bishop dropped Dave Hall in the end zone, this made the score 15-0 until John Hall intercepted an aerial about midfield. He re-

turned it to the two-yard line, setting up Heppner's only points of the evening. Stillman cut up the middle for the TD. The PAT was no good. The half ended shortly after, with the score 15-6.

Wahtonka received the ball at the start of the second half but was unable to make the first down. Heppner then tried a pass but it was intercepted, and Don Cael of Wahtonka ran back for another six. Meyer's kick for a PAT was no good. Score: Wahtonka 21, Heppner 6.

Wahtonka again kicked off but got the ball back when Heppner failed to complete a fourth down pass. Going into the fourth quarter Wahtonka tried to pass from the ten-yard line on a fourth down. The pass was incomplete and Heppner took the ball. Heppner was forced to punt from the six-yard line.

The Eagles drove for a touchdown with Meyers running 22 yards for the score. He made it seven points by kicking the conversion. Heppner fumbled the Eagles' kickoff but regained the ball. The Eagles made another touchdown but it was called back on an offside penalty. The run sounded a short time later and the Eagles had avenged their 41-0 beating in Heppner last year.

Jayvees Triumph Over Blue Devils

By LARRY PETTYJOHN

The Heppner JV's proved too much for the Condon Blue Devils Monday as the Mustangs pulled out a victory over Condon, 19-7. Both the offense and the defense of the Heppner team showed great improvement over last week's game with Grant Union.

The Mustangs got on the scoreboard first as the gun sounded ending the first quarter. Heppner started the drive at midfield and ended it with a four-yard TD run by Bruce Marquardt. The PAT attempt failed as a pass to Cary Davis was deflected.

John McCabe chalked up six more points for the Mustangs in the second quarter to put Heppner in the lead, 12-0, at the end of the first half.

The Blue Devils came back in the third quarter to score on a 15-yard pass. The PAT was good. Neither team scored again until late in the fourth period when Marquardt, led by fine blocking, ran 49 yards for the touchdown. Ron Freeman scored the PAT to make the final tally 19-7.

Cards Trip Echo in League Start

Just call the Cardinals the "Comeback Kids."

That's what they were Friday when the lone High football team tripped strong Echo, 19 to 14, under the lights at Echo in the league opener for the Cardinals.

This was the same team that was punished, 58-13, by Arlington the week before.

"They got tough when they had to," said a happy Gordon Meyers, lone coach. In achieving the victory, they stopped Echo three times deep down in Cardinal territory, the last being with just seconds to go. The Cougars seemed sure to score but their ace back, Joe Rosenberg, fumbled as he went into the end zone. The ball went on through the end zone and one pounced on it. Some discussion ensued over the rules, but it ended with the officials citing the rule book in favor of one, and the 19-14 score was final at the gun.

This was a tough break for the Cougars, but the Cards had them, too, having had two touchdowns nullified by penalties. Ione opened with zip in the first quarter and culminated a drive with Chris Lovgren breaking over from the one on a quarterback sneak. Eddie Sherman, playing with a brace on his leg, had set up the touchdown with a 24-yard run.

Echo countered quickly when Rosenberg broke loose and galloped 33 yards to score. The extra point was good on a pass to George Koffler.

There was no score in the second quarter although Ione's Frank Halvorsen intercepted a pass and ran 90 yards to touchdown territory. The Cards were called for clipping and the score was nullified.

Halftime ended with Echo leading, 7-6.

In the third, the Redbirds started things moving again. Sherman rambled 18 yards to paydirt and Halvorsen ran the extra point, shoving Ione ahead, 13-6. But Echo countered again. Rosenberg passed to Jerry Roberts, good for 26 yards and a touchdown. The same combination scored the extra point on a pass, and the Cougars were ahead, 14 to 13.

Bob Ball became the hero for the Cardinals in the fourth quarter. Echo was on the move with a fourth down, four to go on the lone four. They attempted a pass for a score, but alert Ball grabbed it on the two and went 98 yards for an Ione touchdown. He came out of a whole cluster of players to pick off the aerial, and he was away. The extra point was missed, and the 19-14 score was to hold up for the balance of the game.

Ione lost another six points when Sherman ran 50 yards to the end zone, but this was nullified by a penalty. Near disaster came in the late moments when Koffler stole the ball from Ione and ran 55 yards before he was hauled down short of the goal line. Ball made

the tackle on the 3. The Cougars moved it to the six, and it was at that point that Rosenberg crashed over, only to have the pigskin slip from his grasp and lose the touchdown.

Echo had the statistics but the Cards won the score. The Cougars made 167 yards from rushing to 144 for Ione, and the home team had 88 on passing to only 16 for the Cards. Both teams suffered heavily from penalties. Echo was penalized 115 yards against 50 for

Ione, but the Cards' infractions happened at more crucial points. Weston will play at Ione Friday at 2:30 p.m. in another league encounter.

"We look for a tough ball game," Coach Meyers said. "For some reason they have always given us trouble."

Echo defeated Weston, 34 to 25, a week ago, but Weston made two costly mistakes, or it might have come out on top. Riverside topped Weston Friday, 20 to 7.

Pony Gridmen Trot To Second Victory

By JEFF MARSHALL

Heppner Ponies won their second football game of the season when they defeated the Goslings at Arlington, Friday, 25-13. Bruce Bergstrom caught a pass that was good for 40 yards and a touchdown. The second touchdown was by Gary Watkins to make it 12 to 0 at halftime.

The Ponies came back after intermission to get two more by Rory Stillman and Dean Wright, to make it 25-0. The Goslings caught two passes and ran for touchdowns to make the score 25 to 13 at the end of the game.

The Ponies' first victory was over Ione by a score of 20 to 7 at Heppner, September 23.

The next game is at Heppner against Irrigon on Friday, at 2 p.m.

TRAFFIC TUNE UP

(This is the eleventh in a series of 13 articles to test your knowledge of Oregon's traffic laws and safe driving practices.)

1. On narrow roads, a driver must use his horn as he approaches any curve where his view of the road is less than how many feet?

ANSWER: 200 feet. It is against the law to use a horn except to sound a reasonable warning when needed.

2. Approximately how many inches from the curb should your car be when parallel parked?

ANSWER: You should park about 12 inches from the curb or edge of the road, unless there are signs or pavement markings which show you should park with the front end of your car headed into the curb.

3. A red flag of at least 12 inches square must be displayed at the end of any load extending how many feet or more beyond the rear of the vehicle body?

ANSWER: Four feet. A red light must replace the red flag at night.

4. How many inches may a load extend beyond the sides of the fenders on the right side of a passenger car?

ANSWER: Six inches. Passenger cars are not allowed to carry loads which extend beyond the sides of the fenders on the left side of the car.
