The Mellands arrived early in September.

Alan Martin, principal of Heppner Elementary school, and Michael Tolar, principal of A. C. Houghton school, Irrigon, returned from La Grande Tuesday after attending a 2-day meeting of Oregon Elementary Principals there. Dick Carpenter, Heppner High principal, attended a meeting at Eastern Oregon College, La Grande, Tuesday.

Tournament Dates Set at Meeting Of Oregon League

Playoff games and district tournaments were scheduled at a meeting of officials of the Greater Oregon League at John Day September 20. Dick Carpenter of Heppner High, league president, said.

Football playoff between the east and west in the league will be on November 4, to be held at the school representing the west this year. Last year the playoff was at Vale, representing the east.

District basketball tournament will be at La Grande on March 1 and 2, 1968. This year the two top teams of the west will compete with the two top ones of the east under the new alignment that will have Nysa, Vale, Enterprise, Burns and John Day in the east and Madras, Sherman, Wahtonka, Heppner and Pilot Rock in the west. Football alignment has Vale, Nysa, Pilot Rock and Enterprise in the east and Heppner, Burns, Grant Union, Wahtonka, Sherman and Madras in the west.

District track meet will be at Burns on May 18, 1968. It was announced that Madras will go to A-1 ranks next year. It is now on the "year of grace" with its enrollment at 608, well above the mark that divides A-2 and A-1.

League officials decided that \$100 will be taken from district basketball tournament receipts to establish an athletic scholarship to Eastern Oregon College at La Grande. It will go annually to a graduating senior from one of the high schools in the league.

Four teams will compete in golf in the circuit, including Madras, Wahtonka, Grant Union and Heppner.

In other action, it was decided that all teams will abide by a league rule on uniforms with home teams wearing dark uniforms and teams on the road wearing white uniforms. This passed by a one-vote margin, since part of the league has been following an opposite policy. It was the cause of a mix-up in the Heppner-Enterprise game here at the start of the season when both teams appeared in dark uniforms and the Mustangs had to change just prior to game time. The mixup made all numbers wrong on the program, since the white numbers had been printed for Enterprise.

Attending the league meeting from Heppner were Carpenter, who is also chairman of the district committee; Coach Dale Holland; and Athletic Director Bob Clough.
