Of all the gifts you could choose for Mother
this is the one she'll treasure longest

The Mother's Ring

A registered trademark of
Gorham Bros. Mfg. Corp.

Twin bands of 14 Karat Gold symbolize Mother
and Father—joined by lustrous synthetic stones
of the month, one for each child in the family

Hers alone — The Mother's Ring. She is the only one
who may wear this beautifully-executed tribute created
by fine jewelry craftsmen. Can you think of a gift so
significantly right for Mother — so individual, so personal?
The Mother's Ring symbolizes all of the love you
and your children can give her!

Splurge a little...
and save a lot of money, too!
