## Salvation Army Prepared To Help Needy at Christmas

The local Salvation Army committee is prepared to help anyone in need with food, shelter or clothing. A special effort is made at Christmas by The Salvation Army so that no child will go without toys and so that homeless, lonely persons of all ages will be touched by the peace and joy of Christmas. Ted Smith, local committee chairman, states,

Christmas is more than a time for remembering family and friends, he added. In the hustle and bustle of personal preparations, he urges the residents of this area to take time to remember those in hospital rooms, rest homes, those cut off from family and friends, the ill, prisoners, elderly persons, unwed mothers and alcoholics, all of whom The Salvation Army seeks to help all year long. The Salvation Army has spent more than a century trying to spread the spirit of Christmas through-

out the year. Smith urges all those who have not yet done so to send their contributions to help in this annual Christmas appeal.

Contributions should be sent to: Bill Siewert, Salvation Army treasurer, Bank of Eastern Oregon, Heppner, Oregon 97836.
