"Dreams of Love" was the theme of the dance, sponsored by the Heppner chapters of FHA and FFA. Decorations of cupids, dancing couples, hearts and crepe paper streamers covered the walls.

Guests Entertained At Club's Sweetheart Dinner and Program

A highlight of this year's social calendar for the Heppner Mothers' club was the annual Sweetheart Dinner, to which the husbands of members were invited as honor guests. Places were set for 32 persons in the banquet room of the Wagon Wheel Cafe on Saturday, February 3, with decorations carrying out a red and white Valentine theme.

Two former members of the club and their husbands were welcomed. Mr. and Mrs. Elmer Schmidt of Hermiston, and Mr. and Mrs. Everett Struckmeier, now of Arlington. New members and their husbands who attended were Mr. and Mrs. Forrest Burkenbine and Mr. and Mrs. Vern Keithley. Presiding during introductions was the club president, Mrs. Loren Lucore. A Valentine door prize was presented to Mrs. Eugene Winters.

After the dinner the group adjourned to the home of Mr. and Mrs. Lucore for the program. Kirk Horn, biology instructor, presented a very informative talk on bird and animal life in Morrow county. A prologue of colored museum slides was used to show the evolution of birds from the reptile kingdom into various forms of birds that are seen today. Development of reptile and dinosaur-type glyder and bird-like characters with wings provided the framework for modern bird to build upon. Specimens of perfect fossils have helped provide the "missing link" to directly associate the bird's ancestors. "The egg (of the amphibia) definitely came before the chicken," he emphasized in tracing the background of the beautiful birds which we now enjoy in Morrow county. He reviewed work of the Audubon Society and how many of his high school students and others in the county had cooperated in the recent bird count in the county. He had "captured" a wide variety of the birds on film and were found beautiful in their natural habitat. He spoke of the need for conservation practices and protection of birds in the county and the great good which they do for man. Several of the animals and other wildlife which he has seen on various field trips in the county were also shown and discussed.

Varieties of homemade pies were served at the close of the evening by the hostesses, Mrs. Lucore and Mrs. Bob Abrams.

Chapter to Entertain Past Officers Monday

Special plans are being made by officers of Ruth Chapter No. 32, Order of the Eastern Star, to entertain and honor past matrons and patrons of the lodge at the regular meeting Monday evening, February 12.

A special invitation is extended by Mrs. Bill Cox, worthy matron, for past matrons and patrons to attend, as well as a good turnout of regular members. The meeting will convene at 8:00 p.m., with a social hour following.

Wayne Lamb, son of Mrs. Bernice Lamb, has been working in Portland and at Tillamook with the First National Bank. He is expected to be home again on February 11, the first time since the first week-end in January. Wayne, formerly assigned to the Heppner branch, has been working in different branches on a "roving" assignment and states that he enjoys getting the variety of experience.

NOTICE

In view of the circumstances that are developing in the campaign for the Morrow County Sheriff's race it would appear that the police department of the City of Heppner would do well to accept applications for vacancies that may develop as a result of local members of the department having thrown their (two) hats in the local political arena.

Additional information may be obtained from the undersigned concerning the anticipated openings.
