Baseball Team Loses to John Day

By GARY KEMP

After Saturday's games with Grant Union, Heppner High's baseball team has yet to chalk up a win for the '68 baseball season.

The Mustangs dropped the two games by scores of 11-0 and 2-1. Prior to these games they had lost a contest to Umatilla, 10-2, and another to Pilot Rock by a score of 10-3.

Coach Holland said players have performed well in the fielding department but their hitting and pitching thus far have left something to be desired.

The Mustangs had a full squad for the first two games, but against John Day they had to do without the services of Russ Kilkenny, last year's number one pitcher for the Mustangs. Russ was injured in the game with Pilot Rock.

Puppeteer Gives Assembly Program

Robert Mason, well-known Hollywood puppeteer, received an enthusiastic response at Heppner Elementary school Monday when he presented a National School Assemblies program at the school.

Mason, who has appeared twice on the Ed Sullivan TV show and other network television programs, entertained with ventriloquism as well as the puppet acts.

The students were shown how a ventriloquist's dummy is constructed and how a ventriloquist throws his voice.

Other highlights of the show were a sketch with Reggie Dixon, billed as the "world's smartest dummy," and a galaxy of puppets in a new version of "Punch and Judy."

Mason is on his first road tour in a number of years. Principal Al Martin of the school said that this program proved to be one of the best presented here.

Mustang Diamond Nine Bills Games With Eagles, Mac

By BOB DOBBS

The Mustang "diamond specialists" are only three weeks into their season, but are already headed into their fourth and fifth games. Number four will be with Wahtonka at The Dalles on April 6 and the next encounter will be with Milton-Freewater there April 9.

Only six lettermen are left from last year's troop but great things are expected from them. Russell Kilkenny and Earl Ayres are the only returning seniors. Jerry Healy, Mike Smith and Larry Pettyjohn comprise the junior lettermen while sophomore John McCabe is the sixth veteran.

Heppner meets Wahtonka for the first time this season. Always a tough opponent, Wahtonka should be as tough an opponent as the Mustangs have faced.

The horsemen will really have their work cut out for them when they tangle with the diamond aces of Milton-Freewater High school. This is taking a step up from playing A-2 and B schools to the A-1 caliber.

Speed Carnival Calls Trackmen; 2nd at Umatilla

By JON O'DONELL and DEAN KINDLE

TB Tine Tests Tuesday, April 9

A tuberculosis case-finding program is planned for Morrow county schools in April by the Morrow County Health Department, under the direction of Dr. L. D. Tibbles, health officer.

A signed consent slip from the parent or guardian is necessary before the test can be given.

Grades scheduled for tuberculin Tine testing are 1, 7, and 12. Parents are notified of results if a positive reaction is found, and a follow-up chest x-ray recommended. The tests are read from 48 to 72 hours after being given.

Materials for tuberculin Tine testing are provided by the Morrow County Council of the Eastern Region, Oregon TB and Health Association, through Christmas seal sales.

Proposed schedule for testing is as follows: Tuesday, April 9, at Heppner Grade school, 8:45 a.m.; Heppner High school, to follow. Ione Grade and High schools will follow the clinic at Heppner on this day, about 10:30 a.m. Tine testing for Boardman Grade school, Riverside High, and A. C. Houghton Elementary schools was done April 2.
