Starting as an endowed institution April 3, 1958, from an initial grant of \$3,500, it has grown to nearly the half-million dollar mark, as of December 31, 1967. Foundation grants, fellowships and scholarships have helped provide young people throughout the world with college and advanced education, to do professional research, to assist in charitable benefits, to assist overseas refugee care, to provide wheelchair banks for crippled children, and many others.

Citizenship award programs are carried out in many high schools of the regions, with national winners receiving \$2,500. The past year was the fifth consecutive year that the program received the Freedoms Foundation award at Valley Forge, Pa.

Clubs are urged to continue, on a voluntary basis, contributing to the Endowment Fund, striving for the million dollar goal, to extend Soroptimist service to mankind "beyond the life span of its donors."
