What makes a Pontiac a Pontiac?

(And what makes ordinary cars ordinary?)

Only Pontiacs have Wide-Track. Drive a Pontiac and you'll wonder who took all the humps and curves out of the road.

Even our lowest priced Pontiac has a unique 175-hp Overhead Cam Six. Unless you count cylinders, you'll swear it's a V-8.

Pontiac interiors make you glad you left home—soft Morrokide and simulated wood trim so real only a termite can tell it isn't.

Innovations like GTO's Bumper-of-the-Year make Pontiacs look expensive. But record sales prove we know how to price them, too.

THE GREAT WIDE-TRACK DRIVE IS ON!

See your Pontiac dealer. He's out to smash sales records for the 7th straight year!
