1 Cards of Thanks
CARD OF THANKS
 The Morrow County Fair Board expresses its sincere thanks to all those who helped in clearing and burning the old grandstand. They are especially grateful to those of the Heppner Fire Department who worked; to members of the Rodeo Board who helped; for help of the men and equipment of the County Court, and all others who had a part. All assistance was appreciated.
 Paul Hisler, chairman
 Morrow County Fair Board, 14p

CARD OF THANKS
 I would like to thank the staff at Pioneer Memorial hospital for the care given me during my recent stay. I also wish to thank all my friends for the flowers, cards and kindnesses that were extended during my illness.
 Wayne Snyder 14p

CARD OF THANKS
 We wish to thank our many friends for the words of comfort, letters, cards, visits, floral tributes and memorial donations to the heart fund, and cooked food following the loss of our beloved mother, sister and grandmother, Mrs. Bert P. (Hattie) Bleakman. Special thanks to those who brought food for the luncheons for the family and friends at the Stanley Robinson and Glen Irby homes, and to those who participated in the services. We also wish to express sincere thanks and appreciation to Mrs. Baxter (Emma) Hutchison who made her home with our loved one the last year of her life. She, indeed, helped to make this past year more enjoyable and was a comfort to her in so many ways. Last, but not least, for kindness and friendliness of the Hermiston Golden Age club to our loved one.
 Mr. and Mrs. Kenneth Bleakman
 Mr. and Mrs. P. B. Bleakman
 Mr. and Mrs. Owen Bleakman
 Mr. and Mrs. Art (Neva) Schlieff

Water Project Funds Approved
 By FRANCES ROSE WILSON

IRRIGON—Interest was quickened when word was received the past week by Mayor Wilson from Farmers Home Administrations Pendleton office that Federal funds for construction of the city water system are now available and the City could proceed with plans to develop it.

Funds had previously been approved for the proposed project but were rescinded in December due to governmental cutbacks when start of the project was held up because of failure to sign sufficient subscribers to guarantee bond payment and operational costs. These have since been obtained and authorization for advertising of the revenue bonds for sale and start of engineering design given to the city attorney and engineering firm.

The proposed project, which has been under study for several years, is expected to serve some 55 families initially and the project cost to be \$67,500 which will be financed by a Federal grant of \$26,700, revenue bonds in the amount of \$36,000 and service connection charges of \$4,800.

The engineering firm of Cornell, Howland, Hayes & Merryfield of Seattle, who made the feasibility study for both the water and a sewer system for the City in 1962 will be handling engineering during project development and attorney Donald Morrison will act as legal counsel.

Emergency water has been supplied by the City to several families in the area for over a year, when they were left without water due to a diminishing water table affecting the private wells serving them.

The small well being used for this purpose has been overtaxed to meet the need, especially during the summer season, and it is hoped water will be available to customers in the new system before the height of the summer season according to Mayor Wilson.
