

MR. AND MRS. JAMES PAUL KISER (Bonnie Zimmerman)

Zimmerman-Kiser Wedding Solemnized In June 8 Ceremony

The United Methodist church of Heppner was the scene of the marriage ceremony which united Bonnie Gene Zimmerman and James Paul Kiser on Saturday afternoon, June 8. Officiating at the 2:00 p.m. double ring ceremony was the Rev. Melvin Dixon.

The bride is the daughter of Mr. R. C. Zimmerman of Klamath Falls and the late Mrs. Joan Zimmerman, and granddaughter of Mr. and Mrs. O. E. Wright of Heppner. Parents of the groom are Mr. and Mrs. Earl C. Kiser of Ponca City, Okla.

Floral arrangements at the altar carried out a gold and white color scheme. Gold pew bows, made by the bride's paternal grandmother, Mrs. R. C. Zimmerman of Portland, marked the bride's aisle.

The bride was given in marriage by her father. She wore a princess-style gown of white silk, styled with empire waistline and long sleeves and featuring gold embroidery from a silk saree purchased during her Peace Corps tour in India. Her full elbow-length veil was held by a large white rose, edged in seed pearls. She carried a bridal bouquet of white gardenias and stephanotis over a white Bible.

Attending her as matron of honor was Mrs. Dee Tadlock, a Peace Corps friend. She was attended in a contrasting gold satin princess-style gown, with elbow-length gloves and carried an arm bouquet of white daisies with gold centers.

Larry Tadlock, a Peace Corps friend of the groom, attended as best man.

Serving as ushers were Robert Wright, Dean Wright, Michael Wright, and David Wright, all of Heppner, and cousins of the bride.

Musical selections were played by Mrs. Sam Miller, organist, and Marti Dixon, pianist. During the ceremony, Mrs. Miller sang the selection, "The Lord's Prayer".

Wedding guests were greeted by the couple at a reception following in the church social rooms. Serving as hostesses for the reception were members of the Women's Society of Christian Service of the church. A tiered white wedding cake, decorated with small gold flowers, centered the serving table. Floral decorations on the table and about the room were in keeping with the gold and white color theme.

In charge of serving were Mrs. Gloria Logan of Milwaukie, Miss Theresa Wright of Portland, both cousins of the bride; Miss Ruth Kiser of Ponca City, Okla., sister of the groom, and Pamela Blakely of Eugene, also, Mrs. Robert Wright of Umatilla, Mrs. Albert Wright of Heppner, and Mrs. Aaron Buitilla, Mrs. Clayton Wright of Portland, all aunts of the bride.

Mrs. Betty Orton of Woodburn served as general wedding coordinator, and assisted Mrs. O. E. Wright with arrangements.

Following the wedding ceremony they left for the summer mountain home of their grandparents, Mr. and Mrs. O. E. Wright. For traveling, the bride changed to a green A-line dress and matching silk plaid coat.

Both bride and groom have been attending Oklahoma State University, where Mr. Kiser was graduated this year with a Bachelor of Arts degree in social studies education. The bride, a graduate of Hermiston High school, just completed her sophomore year at Oklahoma State University.

Mrs. Monte Younce and daughter, Katherine, and son, Dean, of Spanaway, Wn., spent a week visiting at the home of her mother, Mrs. Harriet Evans, and with her grandmother, Mrs. Alma Morgan.

Vacationers Enjoy Yellowstone Sights

The Bob Jones and Ned Clark families are home following a 12-day vacation trip to Yellowstone National Park. Both families traveled with campers and enjoyed camping stops and sightseeing along the way.

The groups spent about four days touring the park, where they saw Old Faithful, the Craters of the Moon, and the Tetons; they also visited Colter Bay Park at Jackson Hole.

An attractive feature of the parks and amphitheatres, where colored slides of the area are shown and nature studies conducted to allow the camper to get full benefit of wild life and scenery, enabled them to choose places of interest to visit.

An exciting experience for the vacationers happened when the families were awakened in the early morning hours by sirens and flashing lights and peeked out the camper window in time to see a Grizzly bear running through the camp, pursued by park rangers. The bear, attracted by the smell of food, had startled some nearby campers who immediately notified park authorities of his presence. The rangers eventually trapped the bear and transported him deep into the mountains, where they released him.

The Jones family traveled to Brigham City, Utah, where they visited her cousin, Mr. and Mrs. Don Gillespie and family before resuming the trip home. The Clark family returned via the Northern route through Montana and over the Lolo Pass, stopping to visit the Lewis and Clark Caverns on their way before continuing homeward.

In Austin Tex., they visited their son Marvin and family, and enjoyed a trip to San Antonio, where they saw the 1988 World's HemisFair, which Mrs. Soward describes as quite fabulous. Some exhibits included the Texas Building where they viewed films on Texan history; the Americana Building, which resembles a huge theatre with screens on three sides showing American history films; the three dimensional screens which give the viewer the sensation of traveling in a jet airplane; the Thailand Building where the visitors saw authentic jewelry, costumes and pottery; and several Indian acrobatic tricks.

Traveling on to Rockwood, Tenn., near Knoxville, they visited with their son-in-law and daughter Mr. and Mrs. Vern (Marie) Greenhalgh and family. How's Your Stock Of First-Aid Items?

Would an accident at home or on vacation find your family without adequate first aid supplies?

The American Medical Association points out that emergencies are unpredictable and you should assemble materials now, before you need them. At home, keep them in a special cabinet or box beyond the reach of small children. When traveling, keep your supplies in a moisture-proof box.

The following items (labeled clearly and with instructions for use) should be included in your first aid kit—

- Individual package-type sterile dressings (2-inch by 2-inch and 4-inch by 4-inch) for open wounds or burns.
- Roller bandages for finger bandages (1-inch by 5 yards) and for holding dressings in place (2-inch by 5 yards).
- Roll of adhesive tape to hold dressings in place.
- Bath towels and bed sheets which can be cut into sizes necessary to cover wounds.
- Triangular bandage (37-inch by 37-inch) for a sling, for a dressing, or as a covering.
- Safety pins, blunt-tip scissors, tweezers, measuring spoon, eye dropper, and wooden tongue blades.
- Splints (1/4-inch thick, 3 1/2-inch wide, 12 to 14 inches

long) for broken arms and legs.

- Tourniquet (wide strip of cloth, or flexible rubber tubing 20 inches long) to use

in severe injuries when no other method will control bleeding.

- Short stick to use with tourniquet.
- One bar of mild soap for cleansing wounds, scratches, and cuts. Antiseptics generally are not available.
- Paper drinking cups.
- Flashlight—replace batteries periodically.
- Syrup of ipecac (1 ounce) to induce vomiting.
- Essential personal prescriptions.
- A first aid guidebook, such as the American Medical Association's First Aid Manual. Other items you should pack when traveling by auto include a blanket to keep an injured person warm or to make a stretcher, and warning flares to use if your car is stalled on the highway. 1168
