

Old Quilt Holds History Interest of Yesteryears

By DIANA KINCAID

ONE — While visiting with one of her new neighbors in a trailer court in Kelso, Wash., Mrs. Al Brazell, daughter of Mr. and Mrs. Fred Martin, accidentally discovered Mrs. Irene Smith was in possession of an old quilt filled with names and interesting background from one.

It seems the ladies of HEC in 1939 made a friendship quilt to make money for their group. Mrs. Vida Helker, who was chairman of the project at the time, found in her old records that members of the community could have their names embroidered on the especially stamped blocks by purchasing a 25c chance on the quilt. Mrs. Helker said there were some 210 names placed in black thread on the 30 white blocks.

The winner of the quilt was Mrs. Morrison, stepmother of Jodi Morrison. Mrs. Morrison, now deceased, gave the quilt to her daughter, Mrs. Irene Smith, who, as fate would have it, is now a neighbor to Mrs. Brazell. At the invitation of the Fred Martins, Mrs. Smith arrived here in town this week with her quilt for a short visit. She displayed it at the home of Mrs. Mary Lundell on Monday afternoon as a group of ladies were gathered there to play bingo. Many of the ladies present were able to identify the names and recall interesting stories about the people whose names appear, as in one case, the names of some Lundell relatives here from Michigan to attend a wedding, appear on one block.

With the permission of Mrs. Smith, the quilt will be displayed on Friday at the WAC meeting of Willows Grange. Others interested in examining it may contact Mrs. Martin.

Extensive fire and smoke damage was done to the kitchen area of the Larry Fetsch trailer home on Monday evening when a pan with grease exploded on the stove as Mrs. Fetsch was preparing supper. Gene Crowell, a neighbor youth, helped Mrs. Fetsch fight the fire until the firemen arrived to extinguish the blaze.

Everyone in the community is invited to attend an old fashion box social at the American Legion Hall on Saturday evening. Lions Club members, who are sponsoring the event, state that modern and square dancing will follow the supper.

Mr. and Mrs. Orville James of Seattle arrived on Wednesday for a visit with their son, Darrell, and his family. The elder James couple was enroute from Eugene where they visited friends made when the family was in residence there.

Sunday guests of Mr. and Mrs. Frederick Martin were Mr. and Mrs. Al Brazell of Kelso, Wn., and Mr. and Mrs. Harold Grater and son of Ashwood. Ralph Martin and guest, Pat Finnegan, of Oregon City spent Monday with the Martins.

Mrs. Bill Connor and four children arrived here by car July 3 for a visit with her parents, Mr. and Mrs. Clair Walter. Connor arrived Sunday by plane to join his family and to drive them back to their home in Columbus, Ohio.

On Sunday Mr. and Mrs. Robert Hoskins were hosts to a number of lone couples who enjoyed the afternoon picnicking and picking raspberries at the Hoskins ranch near Gibbon. Those spending the afternoon were Mr. and Mrs. Bob Rietmann and family, Mr. and Mrs. Bill Rietmann and family, Mr. and Mrs. Don Peterson and family, Mr. and Mrs. Louis Carlson and family and Rev. and Mrs. Mike Luedde and son.

Mrs. Vera Rietmann is visiting with her daughter, Mrs. Dean Rohde, in Kennewick this week. Vic Rietmann, who is recovering from a broken arm, would welcome letters from his friends sent to him in care of Hiersche's Nursing Home in Pendleton.

Mr. and Mrs. Dick Ekstrom and family of Seattle are staying at the parental Herb Ekstrom, Sr., home this week while they are in the area visiting with friends and relatives. They also were to pick up their daughter, Vickie, who has been staying here with her grandmothers.

Guests at the home of Mr. and Mrs. Bryce Keene over the 4th of July week-end were Mrs. Wanda Campbell of Terre Haute, Ind., and Mr. and Mrs. Loy Keene and boys of Richland, Wash. On the 4th, the Keenes were host to a gathering which included Mr. and Mrs. Ted Reed and Janice of Spokane, Mr. and Mrs. Carston Brandhagen and boys of Heppner, Mrs. Nadine

Johnson, Willa and Bill, and the Loy Keene family.

Members of the Rietmann's Hardware bowling team gathered at the home of Mr. and Mrs. Lindsay Kincaid for a barbecue last Monday evening. Others attending were Mr. and Mrs. Wayne Ball, Mr. and Mrs. Gordon Meyers and Larry Rietmann, who sponsors the team. Mrs. Harold Beggs, accompanied by her children, Joy, Charity, Doug and Scotty, drove to Pullman on Friday to visit Mr. Beggs who is attending Washington State University. Enroute the family enjoyed camping at Lake Coeur d'Alene in Idaho. They returned home Monday evening.

Vacationers in Bend Area See Fire Strike

Mr. and Mrs. C. H. Privett and Mr. and Mrs. Ivan Brown returned July 6 with their quota of fish caught on a week's vacation trip which they spent camping at East Lake, located Southeast of Bend. While sight-seeing in the mountains, the group happened to be viewing the scenery from an observation point at Newbury Crater when the lightning storm began Friday afternoon about 3 p.m. They witnessed the lightning strikes made in the vicinity of Pine Mountain, where the huge fire burned out of control for several days.

While vacationing in Central Oregon, the campers saw four major forest fires in progress and at Cougar Park, near Mitchell, saw smokejumpers arriving to help contain the fires. On July 4, the Privett's son-in-law and daughter, Mr. and Mrs. Allen Brown, and family of Eugene arrived to spend the day picnicking with the group and fishing.

He has spoken widely in the west and midwest, having held meetings in 16 states and one province in Canada.

Box Social Slated Saturday Night

An old-fashioned Harvest Box Social, sponsored by the lone Lions club, will be held in the American Legion hall Saturday night, July 20, starting at 9 p.m. with modern and square dancing to follow.

Admission is one box or basket lunch per couple, and everyone is welcome to attend.

George Griffith and Carl Troedson will call the square dances and Troedson will auction the box lunches.

The Lions club reports a fine response to the motion picture it presented on the night of July 3, and because of the response, plans to present others in the future. However, the night was so warm that the hall was uncomfortable. Ray Boyce said that the club cleared \$77 on the movie for use on civic projects.
