Trip North Enjoyed By Lone Residents

A vacation trip to Yellowstone National Park and Jackson Hole, Wyo., was enjoyed by Mr. and Mrs. Blaine Chapel and Cassie and Mrs. Joel Engelman and Frankie, all of lone, who returned recently.

The travelers estimate they drove about 2500 miles on the three-week trip through five states, while pulling their camper-trailer.

First stop on the journey was in Townsend, Mont., where they visited Mrs. Chapel's brother-in-law and sister, Mr. and Mrs. Bert Ward. While in Townsend, Cassie attended a 4-H style review show.

Four days were spent touring Yellowstone Park before going on to Frontier Town, Virginia City and Nevada City, all located near Helena. The old time towns depict life as it was in the old west and attract tourists who come to enjoy the old western atmosphere.

A highlight of the trip happened in Jackson Hole when they visited the Pink Garter Theatre. There they saw a summer theatre play presented by college actors. The proprietor of the theatre allows aspiring college age actors the chance to act in the productions during the summer months.

While there, they attended a Saturday night rodeo show, which is presented weekly by neighboring dude ranches.

Continuing homeward, the party camped overnight at the Crater of the Moon.

Mrs. Chapel reports that good weather prevailed over most of the trip, but as they neared John Day the good old Eastern Oregon weather really began warming up.

Frank Turner has been visiting quite regularly with relatives who are confined at Allison General Hospital in Portland. His daughter, Mrs. Raymond (Jeannette) Huddleston, of Valdez, Alaska, has been in a cast and receiving medical care for a hip injury at the hospital for the past three months. He has also kept in close touch with Mrs. Edna Turner, who is showing satisfactory improvement following her major surgery and is convalescing there. A Mrs. McCullough, former resident here, is also a patient in the same hospital.

Mrs. Earl Hall of Portland visited her parents, Mr. and Mrs. A. G. Pieper of Lexington, the first week in August. She was accompanied back to Portland on Sunday, August 4, by her mother, who visited there a few days. Another daughter, Mrs. R. W. Nelson, brought Mrs. Pieper home last Thursday, and is spending a few days here.

Articles Needed To Fill Quota Of 35 Ditty Bags

Members of the Women's Activity committee of Willows Grange, lone, have volunteered to make the popular "ditty bags," to be mailed to servicemen in Vietnam as Christmas gifts, as a project of the Morrow county chapter of the American Red Cross, according to Mrs. Paul Heinrichs, county chairman. Mrs. Hershel Townsend, lone, is chairman of the grange group.

Small useful items such as ball point pens, small pen knives, windproof-type cigarette lighters, plastic soap cases, packages of writing paper with self-seal envelopes, address books, nail clippers, combs or mailing size voice tapes (reels of 3" tapes—150" in length), small tins of nuts or candies, vacuum packed, pocket size games, such as playing cards, or pocket size calendars, are just a few of the many small but useful items handy to servicemen that are needed to fill the bags.

Items donated will be gift wrapped before placed in the bags.

This year the chapter's quota of bags is 35. Last year's quota of 30 bags were completed and in the mail by September 15, to allow plenty of time for overseas delivery to servicemen.

Items unsuitable for mailing in the bags include gifts in breakable containers, food packed in non-vacuum containers, medications (including foot powder and insect repellent), reading and printed or advertising materials—this includes religious and political material, alcoholic beverages.

Anyone who has items they would like to contribute for this worthwhile project may get in touch with Mrs. Heinrichs, Heppner, or Mrs. Townsend in lone.
