

# NATIONAL 4-H CLUB WEEK

OCTOBER 6th - 12th

## Do You Know These Former 4-H'ers...?

REMEMBER THESE YOUNGSTERS? The 4-H lad kneeling, far right, became State Conservation Man of the Year and was host to the Conservation Tour this year—Louis Carlson of Ione. Standing, far left, is Arnold Ebert, now of Corvallis, information specialist for the OSU extension service. In the group are (front row, from left) Mrs. Ron Olson (Faye Cutsforth); Mrs. Vesta Kilkenny (Vesta Cutsforth) of Heppner; Mrs. Dave Par-due (Jean Rauch) of Hermiston; Robert Peterson of Ione, one

of the Peterson Bros. operation chosen Conservation Man of the Year in Morrow county this year; and Carlson. Standing (from left) are Ebert; next is unidentified; Mrs. John Ledbetter (Lorine VanWinkle) of Heppner; Mrs. Jack Mounts (Audrey Majeske) of Portland; Carolyn Bergstrom of Pendleton; Don Strait; and Helmuth Hermon. Year of the photo, at summer school is "about" 1940.

## They Also Learn . . .

A dog in a 4-H household is expected to shape up, walk right and obey its master. According to hundreds of young 4-H dog fanciers throughout the state, the canine member of the family does just that.

Not without considerable effort, though, on the part of both dog and owner. The latter is enrolled in the national 4-H Dog Care and Training program sponsored by Ralston Purina Company. He or she is between 9 and 19 years of age, and has accepted complete responsibility for the animal.

If there is not a family pet available, the 4-H'er has the thrill of choosing his own dog. A lot of fun and satisfaction go along with this project, to say nothing of the love and trust that grows between dog and master.

Are you interested in automobiles, pets, food, clothing, or maybe youth in other countries? Whatever your interests, you'll find a 4-H project right for you. Now's the time to find out, during National 4-H Week, October 6-12.

This is an election year. Cast your vote for 4-H by joining three million other young Americans now, during National 4-H Week which ends October 12. The welcome mat is out and you should be in—4-H that is. Write, see or call your county Extension Agent.
