# THANKSGIVING

...and let us  
**GIVE THANKS**

What have we to be thankful for? Did the original celebrators of the feast of Thanksgiving have more cause for gratitude than we do today?

Their life was demanding. They had to work hard to provide the necessities of life, clothing and food, and to build schools and places of worship. Yet they set aside a day for joyous celebration to thank God for the munificence of His gifts.

We have come a long way since that first celebration in the Massachusetts Bay Colony. As one generation gives way to another, the scientific and technical advances have made us the bread basket and the supplier of the world. The luxuries of yesteryear have become the necessities of today.

Wouldn't it be a sound idea for all of us to reflect a bit on that original scene of Thanksgiving? History is a great teacher, and a quick flashback to the first Thanksgiving might help us to rededicate our lives to sound principles, good deeds, human values, cooperation, peace, prosperity for all mankind.

Let's Be Thankful for our Many Blessings, Forget Our Troubles On This, the Most American of Holidays.
