A potluck dinner will be served at 6:30 p.m. The program will include the showing of pictures of Europe by Mr. and Mrs. Dick Wilkinson, who traveled with others on a People-to-People tour of Europe last year.

**A special interest in antique clocks and watches** prompted Mr. and Mrs. Elwayne Bergstrom to travel to Federal Way, Wn., last week-end where they attended an auction and showing of some 300 antique clocks and watches, including the collection of auctioneer, Joe Kasler, who is a member of the National Watch and Clock Collectors Association. Kasler traveled to Washington from his home in Frankfort, Ind., to preside over the auction. The Bergstroms own a collection of 29 antique clocks, the oldest being an antique coo-coo alarm clock about 100 years old, which was given to the couple by Mrs. Bergstrom's mother. The couple displayed several pieces of their unique collection at the fair last year, where they received a special award for their unusual exhibit.

## BMCC Rodeo Team Tops 14 Colleges, Wins Idaho Event

Blue Mountain Community College's rodeo team surged Saturday to top favored Montana State College and 13 other north-west colleges in winning the North Idaho Intercollegiate rodeo at Lewiston Friday and Saturday. BMCC of Pendleton finished with 375 points while Montana State was second with 342.

BMCC girls finished second to Montana State among the colleges competing.

Many of those on the college team are well known here. Bill McCain of Pendleton, husband of the former Patti Pettyjohn of one, took all-around cowboy honors as he won the steer wrestling and finished second in bronc riding. He tallied 159 points, gaining them on a 4.9 seconds time in steer wrestling and a 64-point ride in saddle bronc.

Darrel Sevell of BMCC, hailing from Lucille, Idaho, took first in calf roping with a time of 17.3 seconds. Mark Rosenberg, Pendleton, was third in steer wrestling, and Paul Rice, also of Pendleton, was third in ribbon roping.

Among other BMCC competitors were Steve Leckie of Spray, bareback; John Rhoden, Prineville, bareback; and Don Stanley, The Dalles, bareback and bulldozing.

**Patti McCain Wins**  
Patti (Pettyjohn) McCain won barrel racing for Blue Mountain with a time of 18 seconds. Gale Malcom and Ruby Fullerton, both of Heppner, were among the top competitors, and the girls grabbed their second place finish in the meet.

Riley Freeman, advisor of the BMCC Rodeo club, called The Gazette-Times Saturday and was exultant over the performance of his team. At that time he said they were in second place, in hot contention with Montana State, which is considered a "power" in rodeo ranks. The North Idaho Rodeo is sponsored by the University of Idaho and was the first intercollegiate competition of the year. The teams compete again this week-end at Missoula, Mont.

The same classy young cowboys and cowgirls will compete in Heppner at the Northwest Regional competition of the Northwest Intercollegiate Rodeo association on May 30-31 and June 1 at the Morrow county fairgrounds.

Freeman states that plans are "pretty well completed" for this event.

At the Lewiston event, colleges from Montana, Washington, Oregon and northern Idaho competed. Stock was furnished by the Big Bend Rodeo Corp., of Wilbur, Wash.

**Mr. and Mrs. Ed Reinhardt** of Yakima Wash., enjoyed a visit in Heppner last week-end at the home of her uncle and aunt, Mr. and Mrs. Walter Rood, who moved here to make their home recently from Elgin. Mrs. Reinhardt, the former Cleo Duncan before her marriage, attended Heppner schools and enjoyed seeing old friends and renewing acquaintances on her visit.

## No other wagons have such a capacity for enjoyment.

Show you what we mean. Say you're in a Chevrolet Kingswood or Concours Walk-In Wagon, when suddenly the road becomes nothing but chuckholes and ruts. Only you can't tell it's rough. You see, Chevy wagons float along on computer-selected coil springs that smooth even the meanest road.

Maybe you're a bit more serious about the great outdoors. So are we. That's why we offer the Chevy Sportvan and Suburban. To an outdoorsman, they're like clear skies and no mosquitoes. So before you head out to see the U.S.A., better stop by your Chevrolet dealer's.
