Council Approves Additional Funds

IRRIGON—A supplemental budget for \$14,600 covering additional funds to be received and disbursed in the current fiscal year, was presented in the April council meeting. It was approved and a public hearing date was set for Tuesday, May 13. The city budget hearing for the next fiscal year is also set for that date.
 Mayor Wilson reported that the tree planting had been started, along the highway from 4th to 12th streets, with the remainder of the plants to be set within the week.
 Other work underway is a general cleanup of streets and areas which will include removal and disposal of dead trees and brush. Utah Avenue is being opened from Division Street to 2nd Street and will be surfaced with crushed rock.
 Council action included awarding the contract for construction of the water system to A. V. DeBlasio Construction of Yakima, Wash. The council was informed that the application to FHA for a subsequent loan of \$9,000 and a grant of \$5,100 had been approved.
 A special council meeting was held Friday night for the purpose of adopting an ordinance authorizing \$9,000 in bonds to be issued and advertised for sale to cover the additional loan. It was necessary to raise these additional funds when bids for construction of the water system were found to be several thousand dollars above available funds. Total facility cost will be in excess of \$80,000. A substantial amount of this is being furnished through FHA grants.

Support Needed For Annual 4-H Sale in Irrigon

By BIRDINE TULLIS
County Extension Aide
 The Irrigon 4-H Community 4-H club will hold its annual Spring Plant Sale, April 19 and 20, from 10:00 a.m. to 5:30 p.m. each day at Knights Melon Place in Irrigon. The plant sale has been the main support of the club treasury for several years.
 New for this year will be the sale of brooms, light bulbs and combs from the Oregon Industries for the Blind. Profit from the sale of the brooms, bulbs and combs has been donated to the 4-H club by the Lions Club at Irrigon.
 Chairmen in charge of the sale are 4-H leaders, Judy Brandt, Rose Wilson, Ruth Sullivan, Naomi Hurn, Bessie Kerlin, Marge Acock and Lois Richards, assisted by all the 4-H members of the club.
 Anyone in the Irrigon-Boardman area who has plants they wish to donate to the sale may call one of the chairmen.

Enthusiasm is Shown For 4-H Fashion Clinic
 Morrow county 4-H girls were instructed to "Be A Model Every Day" at a fashion clinic held at Heppner High school, April 12, under the direction of Mary Speckhart, area extension agent.

Girls were given expert advice on grooming, make-up, hair style and modeling in preparation for the style revue at the County Fair.
 Mrs. Joe Tatone, Boardman, assisted by Mrs. Durrell James of Ione, advised the girls with tips on modeling, followed by actual practice sitting, walking, standing and "putting their best foot forward" at all times.
 Mrs. Hal Whitaker of Heppner, spoke to the girls on cleanliness and grooming, as well as make-up tips.

Another guest, Mrs. John Jensen, Ione, demonstrated hair care and style. Mary Speckhart instructed the girls in use of accessories and clothing selection, as well as grooming.
 The girls and leaders attending were enthusiastic in their praise of the program and for the wide variety of subjects covered in helping our 4-H girls with both style revue and their daily grooming.

Reggie Pascal traveled to McMinnville last Friday evening, where he made a week-end visit at the home of Mr. and Mrs. Ron Leoniz and family. The former Heppner residents are comfortably settled in their new home and send their hellos to all their good friends in Heppner. Also during the week-end he traveled with the Leonizs to Sheridan where he had the pleasure of listening to the Leoniz's daughter, Lindy, sing and play the organ.

Flames Demolish Car in Accident

By FRANCES ROSE WILSON
 (Held over from last week)

IRRIGON—Parents and high school students returning from the Junior-Senior banquet at Riverside High Thursday, April 3, were startled as they came upon an accident on Highway 730 at 8th St. West.

James D. Burvher, 29, of Portland, had hit a black cow and his small car had burst into flames. He was wearing his seat belt at the time and escaped with minor injuries. The cow was killed and the car was completely demolished as it burned. The Irrigon Fire Department was called to the scene.

Ival Sullivan started working for the city on a full time basis this past week, under a Federally-financed program. The tree planting program along the highway was started with his help. The city has never had a full time employee, and it is hoped that many of the programs which have been planned can now be accomplished.

Mr. and Mrs. Leroy Proctor returned home last Tuesday from Aberdeen, Md., where Mr. Proctor attended a training school for his work at the Umatilla Army Depot.

While the Proctors were in the East they toured Washington, D. C. and visited the White House. They also spent a week-end in New York City. On their return trip they visited Proctor's mother and other relatives in Custer, S. D. They spent 5 hours in Salt Lake City, Utah, in a stopover on their flight home.

Rev. and Mrs. G. R. Black, Dean and Don, of Burley, Idaho, spent the Easter week-end with Mrs. Black's uncle and family, Mr. and Mrs. W. F. Coy. On Saturday the two families traveled to Portland where they had lunch with Miss Clara Fay Coy. Miss Coy attends Warner Pacific College and works swing shift at J. C. Penney credit office.

Mr. and Mrs. David Rand of Portland were guests of his parents, Mr. and Mrs. Batle Rand, over the Easter holiday. David is a pharmacist in Portland.
 Mrs. Perry Pummel, Mrs. Al Parlow and Sheryl, Pam Schreder, Vicky, Becky and Jyl Hobbs drove to Pasco last Tuesday evening to attend the Oukhtinsky Ballet Classique at the Pasco High school.

Mrs. Don Adams had the lucky number on her raffle ticket, when the home extension had a drawing at their meeting last Thursday. She was awarded a beautiful quilt made by the members.

Twenty people attended the Easter Sunrise service, which was quite cool and damp. Pastor Herbert Vaughn of the Baptist Church led the singing and also sang a special Easter song, accompanied by Mrs. Al Parlow on the accordion. Pastor John Kenney of the Assembly of God brought the appropriate Easter message.

Ione School Grounds Get Spring Clean-up

An all-school clean-up day was sponsored by the Ione High school student council on Wednesday, April 2. After a short assembly at 1:30, the student body and faculty were divided into groups and given special instructions.

Work included cleaning out the swimming pool, picking up trash on the school grounds, painting lines on the tennis court, putting up new backboards on the tennis court, cleaning trash out of the creek

Two Top Seniors Lead Honor Roll With 4.0 Grades

Appropriately enough, Heppner High's valedictorian and salutatorian in the class of 1969 led the school's honor roll for the third nine weeks period with perfect 4.0 grade point averages.

Terry Peck, valedictorian, and Sara Miller, salutatorian, were the only students to achieve the straight A grades.

Only 26 students made the honor roll for the period, and Juniors placed the most with nine. Seniors had eight, sophomores five and freshmen four. Some of the students who usually make the honor roll were not included because of incompletes in some subjects.

Other seniors besides Sara and Terry were Jerry Healy and Patti Healy, 3.80; Jill Chitty and Ginny Clough, 3.66; Nancy Campbell, 3.50; and Sheri Brock, 3.33.

Juniors on the honor roll were Linda Cooper and Robert Peck, 3.66; Sheila Healy, Mary Kay Hughes, Sue Jepsen, and Sandra Matheny, with 3.50; and Pat Kilkenny, Sue Melby, Dennis Kneen, and Greg Sweek, 3.33.

Sophomore honor roll students were Valerie Boyer, with 3.83; Dee Ann Pettyjohn, 3.66; Ron Sherman, 3.50; and Gwen Drake and Karla Weatherford, 3.33.

Freshmen were Shelley Wolff, 3.66; Jeanne Daly, 3.50; and Barbara Allstott and Gary Fredrickson, 3.33.
