

# New Teacher Secured For Kindergarten Work

By FRANCES ROSE WILSON

IRRIGON — The Kindergarten Association met April 7 to approve the selection of Mrs. Karen Adams as the teacher to replace Mrs. Irene Brooks, who was unable to continue teaching for health reasons.

The elderly teacher was wonderful with the children but after a severe bout with the flu this past winter and suffering a broken toe, the long hours were too much of a strain on her health. She was teaching both morning and afternoon sessions, with 13 children in each class.

The 26 children come from Boardman, Irrigon and North Morrow county, near Ordinance.

The Ways and Means Committee is planning a rummage sale. Time and place to be announced later.

There is to be a Red Cross Blood drawing at Ordinance on April 22. Joe Mann, Sr., a former Irrigon resident, now of Portland, has suffered a ruptured artery and also has been on a kidney machine. Friends of Joe Mann who are giving blood, may designate that it be credited to replace that already used for him and also for his future use, in the "blood bank". He is in the Providence hospital in Portland.

Mrs. Dorothy Henner expects to have open heart surgery later this summer. There will be a blood drawing at the CRC Hall June 24 for her.

Guests of Mr. and Mrs. William Graybeal on Sunday were Mr. and Mrs. Walter Caldwell of The Dalles and Mr. and Mrs. Bishop Wisdom of Portland. Both were former Irrigon residents.

The Home Extension met last Thursday at the school. The lesson for the day was "Variety of Meats in Meals". Refreshments of coffee and cookies were served. A picnic is being planned for the May meeting. Correction: last week it was announced that Joan Adams had been awarded a quilt from the home extension raffle. The quilt was made by the Baptist Women's Missionary Society and was awarded to Joan Adams.

Mr. and Mrs. Eugene Berg and Ronald of Vancouver, Wash., were guests of Mr. and Mrs. Albert Partlow on Sunday.

Pastor John Kenney and a number of members of the Irrigon Assembly of God attended the Speed the Light Rally at the Hermiston Assembly church last Tuesday night. Oregon Missionary David Godwin flew directly to Baker from Panama to conduct his first service of a series throughout Oregon.

Mrs. LaVelle Partlow attended a Postmaster dinner meeting at the Wagon Wheel Cafe in Heppner, Sunday afternoon. Besides Postmasters of District 3, special guests included Postal Inspector M. M. Carlson of Pendleton. Postal service officer and Mrs. Ed Sheely of Pendleton and Nick Blydenstein, regional officer of Seattle who addressed the group.

Ear Isom is recovering from minor injuries received in a car accident, near Hinkle. His wife was called to the hospital at the time of the accident, which

caused a small panic in the school kitchen where Mrs. Isom works. Mrs. Pummel has been working there the past week in the absence of Mrs. Vera Cooley who has been afflicted with tonsillitis.

Mr. and Mrs. Joe Stephens, Karyl and Robert of Portland were week-end guests of Mr. and Mrs. E. A. Stephens.

Mr. and Mrs. E. A. Stephens spent Monday in Pendleton visiting Mrs. Mae McKinney. Returning home they stopped at the home of Mr. and Mrs. James Henderson in Hermiston to spend the evening.

# Grange Informed Of Boys Ranch Juvenile Work

By DELPHA JONES

LEXINGTON — Lexington Grange met Saturday evening for its regular meeting, with Master Kenneth Smouse presiding.

The meeting was opened by the lecturer, Mrs. Bob Davidson, who introduced Jim Epley of the Umatilla County Juvenile Department who gave a most interesting and informative talk on the Boys Ranch of Umatilla county. This is a three story ranch house situated on an 8-acre site, 10 miles north of Pendleton. The ranch is designed for nine boys of residence age, 12 to 18 years old. Selection of these boys is through the Umatilla County Juvenile Department under the supervision of a juvenile counselor, a vocational rehabilitation counselor, and the staff at the ranch.

Epley also spoke on some of the problems faced by the house parents, how they are handled, and the functions of the ranch in the helping of boys. He spoke briefly on how it is financed and told the group that plans are being made for more of these homes, for both boys and girls.

Other visitors were Rev. and Mrs. Rudolph Mensch of the Heppner Lutheran church, and the Morrow county Deputy Nathan Thorpe and Mrs. Thorpe of Hermiston. Thorpe spoke briefly on the work of the grange and encouraged all to try and improve the floor work of their granges.

It was announced that State Master Allen Wheeler will be the speaker at the Morrow County Pomona Grange meeting at Rhea Creek on April 20 and will speak on the proposed sales tax legislation which will soon be balloted upon.

Past Master Chas. C. Jones was presented with a past master's pin, after which the meeting adjourned and refreshments were served in the basement.

Mrs. A. F. Majeske returned this week after a few days spent in Portland where she received medical attention.

Mrs. Venice Hendrickson and Mrs. Joe Yocom were recent Klamath Falls business visitors.

Mr. and Mrs. C. C. Jones were recent business visitors to the Poison Creek Grange in Harney

for several days last week were Mr. and Mrs. C. Q. Routh of Yakima, Wn. The couple traveled to Heppner with their daughter-in-law, Mrs. Ed Routh, arriving here last Wednesday. Routh is a twin brother of Mrs. Chaffee.

## Overnight Camp Set for Memaloose

Construction plans which will provide overnight camping facilities and a reliable water supply for Memaloose State Park have been approved by the Oregon State Highway Commission.

The 336.79-acre park was so designated in 1967 and is located adjacent to I-80N, approximately 10 miles westerly of The Dalles in Wasco County.

Proposed plans include construction of a water intake system, water treatment plant, storage and distribution lines to supply both existing rest areas and to provide water to a camp area which will ultimately have about 200 campsites.

Also included in the construction now proposed would be full development of 42 trailer sites, partial development of approximately 25 campsites to an intermediate standard, and minimum development of about 43 additional tent sites.

Total project cost is estimated at \$300,000.

This is the first venture of this nature in the country where

an overnight camping facility has been provided adjacent to a safety rest area. It required special permission of the Federal Highway Administration, and its use will be watched with interest. This is another example of Oregon's pioneering in the field of outdoor recreation.

House guests at the Dale Holland home last Friday were Mr. and Mrs. Marvin Swasey of Salt Lake City. The couple were former neighbors of the Hollands in Huntington, their former home. Swasey is an industrial Arts teacher in a Junior High school in Salt Lake City. Also visiting with the Holland family over the week-end were her parents, Mr. and Mrs. Ralph Wicher. They returned to their home in Junction City Monday morning.
