## Students to Receive Immunization Record

The Morrow County Health Department has prepared an "Immunization Record" for each person receiving either immunizations or tuberculin tests in the immunization clinics held recently. These records will list only the injections given in the 1969 clinics, except for seniors, for whom a more complete record is prepared. Other immunizations given at prior clinics are on file in the Health Department office for other students.

The immunization records will be distributed the last of school, to be taken home to the parents. According to Mrs. Lowell Chally, R. N., Morrow County Health Dept.

## Fire School Planned

State Deputy Fire Marshal Stan Phillips will conduct a fire school on hose evolutions and fire fighting procedures at the Ione city fire station on Monday evening, May 19, at 7:30 p.m.

All Ione, Lexington and Heppner volunteer firemen are urged to attend for this special instruction.

## Momentum Gains For Annual Auction

Plans for the Ione Auction and barbecue on June 7 continue to move along. Several women gathered at the home of Mrs. Fete Cannon last Wednesday began cleaning some of the many antiques which have already been collected. A few of the articles include trunks, chairs, dishes, and a waffle iron.

Mrs. Henry Krebs is collecting small items for the fish pond, to be used in grab bags and prizes. Small articles, old or new, may be left at the church or at the Krebs' home.

Fun for children and adults will again be furnished by Norman Nelson, who will give free rides on his Model T Ford, and by Lindsay Kincaid, who will have his Model A Ford available for rides.

Tickets for the event go on sale following church school, Sunday, May 18. They will be sold by the 4th, 5th and 6th grade Sunday school classes.

## Ione Greet Garden Clubs At Recent District Meeting

"Green Thumbs to You" was the theme for the annual spring meeting of the Blue Mountain District Garden Clubs held at Ione, Wednesday, April 23.

Mrs. H. S. Huber, president of the host club, welcomed guests and described the many area beauty spots around Ione and in Eastern Oregon.

Mrs. Edward S. Grandt, state president, Arch Cape, and Mrs. Raymond Elmstrom, state treasurer, Portland, were honored guests.

Nine clubs were represented of the 11 in the District, with 68 members registered.

Highlight of the morning session was the report made by each club president. An outstanding program and project were selected and these covered a wide and varied field, all per-garden clubs.

Preceding the morning coffee break, the Ione Kitchen Band, 13 members decked out in specially flower-designed spring bonnets and wearing red checkered aprons, made a surprise entrance, playing "Hey, Look Me Over". Their entertaining music featured community singing of old favorites. Four grandmothers, 19 grandchildren and 50 children, were represented by the members. The musical director, June Christopherson, stated "these ladies do other things than play kooky instruments."

The first award of achievement, presented by the District to a non-member organization, was presented recently to the Hermiston Rotary club for its downtown beautification project. The award presentation was reported by Mrs. Fredrick Martin, district director.

Club yearbooks were displayed and judged. Class I (up to 25 members), winners were Ione, first; Echo, second; and Boardman, third. Class II, Pendleton Garden Club, first; Dirt Dabblers, second. First place winning books will be entered in state competition.

Spring arrangements were brought from each club and judged by popular vote. A plant sale was conducted by the Umatilla Garden club and a silent auction was a new event this year. Proceeds of the sales go to the district treasury.

Favors of a choice "mum" slip was given each guest by the host club. The chrysanthemum is their club flower and they are quite famous for their beautiful "mum" gardens.

New officers elected were Mrs. Omar Rietmann, Ione, district director; Mrs. Charles Dallas, Pendleton, assistant director; and Mrs. H. S. Huber, Ione, secretary-treasurer.

Mrs. Martin, out-going director, was presented a state life membership in the Oregon Federation by the District for her service to Blue Mountain District.

State President Grandt spoke briefly to the group on "Know Your Organization". She was extremely complimentary to the clubs in the district for their achievements and comprehension of the goals of Garden Club. She also gave highlights of the program planned for the State Convention to be held at Linfield College in June.

Bob Grant, Pendleton photographer, gave the program on "Photographing Wild Flowers". The colored slides were of species found in Eastern Oregon and nearby areas. He also explained his equipment and how he got best results from photographing the flowers.

Lunch was served by Willows Grange women, and coffee and cookies served following the meeting.

An invitation by the Boardman Club to host the meeting in 1970 was extended before adjournment.

# WELCOME TO YOUR Headquarters Building

We welcome our consumers to the new office and service facilities which are to provide improved and additional services. The construction of this building is an indication of our confidence in the future growth and development of our service area—Morrow, Gilliam and Wheeler counties.

We feel that this addition will assist in promoting other firms and individuals to locate here. Furthermore, this is one of the many advantages of a consumer-owned electric utility.

Your dollars paid on electric bills are being reinvested in your local communities.

We request your patience and forbearance with the temporary condition of our driveway and site. We anticipate completion of these improvements in the immediate future.

Plan to visit your utility building at the opening in the first part of June.
