Wheeler Golfers Win at Heppner

(Held over from last week)
By VIRGINIA KELSO
KINZUA—On Thursday, May 1, the Wheeler High golfers overpowered the Heppner and Umatilla golf teams in a three-way meet played on the Willow Creek course at Heppner.

Despite the cool breezy weather, some fine scores were turned in by several of the golfers from each school. Most of the boys found the course much to their liking and were able to keep their shots under control at all times. Low score for the day was recorded by Wall of Wheeler, followed closely by Kilkenny of Heppner and York of Umatilla.

On Friday, May 9, the Falcon team will journey to John Day for a match with Grant Union and on Monday will return to John Day to take part in the Eastern Oregon District meet for Class A-2 and B schools. The winning team and low score will participate in the State High School Tournament in Portland.

David Sittin and Donald Donart of Spokane were week-end visitors with Mr. and Mrs. Jack Sittin.

Mr. and Mrs. Donald Nickelsen and daughter and Miss Pamela Nickelsen of Fossil spent the week-end at Camp Mears.

The card party, sponsored by the Community Club Saturday night at the grade school, was well attended with 11 tables of pinocle and two of bridge in play. High for bridge went to Bonnie Campbell and Ernie Wall with low to Marie Wall and Ed Wham. High for pinocle went to Mark Jellic and Dolores Wimer with low to Steve Conlee and Marilyn Garcia. Pinocle went to O. L. Adams and Roberta Conlee. The door prizes went to Dolores Wimer, O. L. Adams, and Joan Simmons of Heppner. A successful White Elephant auction was held with Dick Sargent as the auctioneer. Pie and coffee were served. Proceeds of this party are for the Scholarship Fund.

They came for the anniversary open house for the Roods Friday evening.

Her guests were Barbara Nelson and Hal Sunday, both from California and Gary Cruek, Shank of McMinnville. Their studies at Linfield will be completed with graduation on May 16.

Col. Robert L. Bangert, Portland U. S. Army District Engineer, has issued a special invitation to the public to visit completed Army Engineers' projects on Armed Forces Day, Saturday, May 17.

All projects are open to visitors during daylight hours seven days a week, but on Armed Forces Day, the Engineers wish to call attention to the fact that since 1824 the Corps has built and maintained the nation's harbors and navigable waterways.

Portland district projects open to visitors include the 15 completed dams on the Columbia and in the Willamette Valley. The district's 16th and newest project is the John Day Dam. Because work continues at this project, no visitors will be permitted Saturday. The dam will be open to visitors at a later date.
