

Congratulations

To Columbia Basin Electric Cooperative, Inc.

ON THE NEW ELECTRIC UTILITY BUILDING FROM THOSE WHO BUILT IT

NATURALLY THIS new building is all-electric. Harley Young, manager, stands beside big electrical panel installed by Zephyr Electric.

Columbia Basin Electric
helps open the doors to progress
for Morrow, Gilliam and Wheeler
Counties

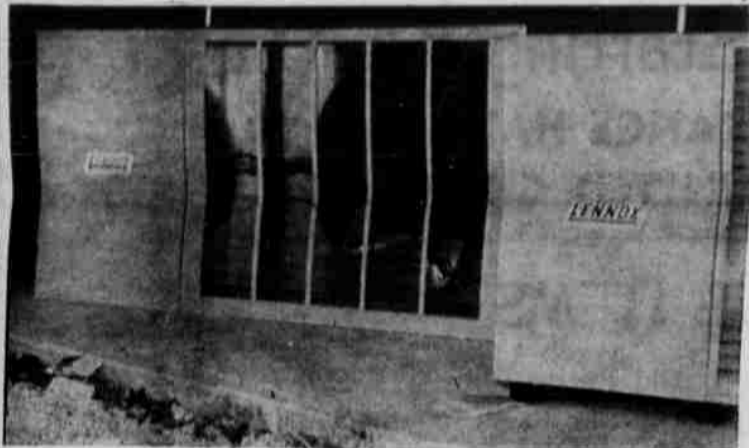

STONE FROM Eagle Creek Stone Quarries, Antelope, sets off entrance to the building and provides beautiful exterior finish.

AT LEFT—Lennox Air Conditioning, furnished and installed by Thews Sheet Metal, Pendleton, keep this all-electric building at an even temperature. Wheeler Plumbing and Heating, Pendleton, was sub-contractor on plumbing.

THIS IS A VIEW of the conference room in the new building. It is available for small public meetings. Furniture was purchased from Cais Office Supply, The Dalles. Floor coverings are by Pendleton Floor Covering.

We Are Happy to Have Had A Part in
Furnishing Materials for This Fine
Building
