Over The Tee Cup

By MARIE McQUARRIE

Very small cup of "tee" this week. Do want you to know the golf course is playable — by leaving out a couple holes—so go down and enjoy yourself, even though we do still have silt sitting around. By using the seventh green, for the No. 9 green—you can make it a little more difficult for yourself, because of the water hazard—but you may have easier and better putting by staying off the No. 9 green.

Eighteen golfers from Heppner were in Condon, along with Kinzua players, Sunday. Rain was a little detriment to the participants, but was glad to see so many go from Heppner. The results of the scoring are not complete, so will include that in next week's writeup.

A barbecue will be held this coming Saturday evening—play starting around 5:00. A-L bring dessert, M-Z, the salad. With our good rain this forepart of the week, a little of the dirt should wash into the grass, so things should be in pretty good shape. Plan to join us all on Saturday evening.

The Hubert Wilson family returned a week ago Sunday following a one week vacation and trailer camping trip to Lincoln City, Sea Lion Caves and other points of interest on the Oregon coast. Enroute home the family visited for three days in Portland while Wilson attended a session of the Grand Lodge of Masons in Oregon and on the week-end they enjoyed viewing the Rose Festival parade and other special activities.

Visiting with Mrs. Bernice Lamb recently was her son, Harry and family of Seattle, who were here from Thursday through Sunday. Others visiting on Sunday were Wayne Lamb of Portland and Mr. and Mrs. Kenneth Lamb and famly of Irrigon.

Butch Williams and Miss Donna Brown in La Grande. Butch is the son of Mr. and Mrs. Cliff Williams.

Mr. and Mrs. Charles McConnell and family have returned from a vacation which they spent in Southern Oregon and at the Oregon Coast.
