

Nelson Serves on 4-H Advisory Group

Chuck Nelson, son of Mr. and Mrs. Norman Nelson of Lexington, served last week as a member of the 4-H delegate advisory council at the 54th annual 4-H summer school at Oregon State University.

He was one of six on the council, which included a Pendleton girl and a Fossil youth. The council, according to Nelson, works on the summer school program only, evaluating the past year's program and proposing changes. During the session, the group acts as program moderators for assemblies.

Nelson presided over the opening night assembly, which featured Secretary of State Clay Myers.

Eye, Ear Clinics Set for Youngsters

A Morrow county vision and hearing screening program has been tentatively scheduled for July 31 for children of ages three through five years.

Parents interested in this free service are asked to contact the Morrow County Health Department office, 676-9911 between 8:00 a.m. and noon; or, write box 662, Heppner, Oregon, to make appointments. There is no charge for the testing.

The clinic will be sponsored by the Oregon State Board of Health and the Morrow County Health Department, according to Mrs. Lowell Chally, R. N.

PATTI HEALY

LARRY PETTYJOHN

Two HHS Grads Receive John Graves Scholarship

Two Heppner High school graduating seniors, Patti Healy and Larry Pettyjohn, have been selected to receive the annual John W. Graves 4-H Memorial Scholarships, according to an announcement from Mrs. Dorris Graves.

The scholarship is awarded each year to a boy and a girl selected from the graduating classes of the high schools from throughout the county who are interested in furthering their education beyond the high

school level, either through college studies or apprenticeship training.

Patti is the daughter of Mr. and Mrs. Bill Healy, and Larry is the son of Mr. and Mrs. Howard Pettyjohn. Both young people have been active in past 4-H club activities and have been active in school affairs and sports. Patti has plans to attend the University of Oregon this fall, where she will major in history and librarianship. Larry will attend Oregon State, where he plans to study biological science.

Amounts of the scholarships awarded are for \$200, and selection of the winners was made by the North and South Morrow county 4-H awards committee.

One requirement for the winners is that they must have been actively associated with 4-H groups for at least three years prior to their graduation. This scholarship fund has been set up as a revolving fund with \$400 given annually by the estate and is growing yearly with the aid of contributions and memorials.

Wranglers Prepare For Overnight Ride

Members of the Wranglers Riding club are hoping for a good turnout at their annual overnight trail ride, which will be held this year on Saturday and Sunday, June 28-29, when members will ride to the Ebb Hughes cabin located on Johnson creek.

Those going are asked to assemble at the Paul Hisler ranch at 12 noon on the day of the 28th, ready to ride. Prices for the meals will be about the same as last years, with the exception of the Sunday dinner, which will cost \$1.75, according to announcement from Art Vance, chairman of the annual ride. Members were to have paid for their meals by Thursday, June 19, to Mrs. Bill Collins.

Preparing the meals for the riders this year will be Jack and Wilma McTimpney.

Barbecue Cancelled

The Willow Creek Country Club Barbecue scheduled for Saturday night, June 28, has been cancelled so as not to conflict with the (PIT) Beef Barbecue Dinner at Heppner Lodge 358, B.P.O.E.

Third Daughter Born

Mr. and Mrs. Larry Lindsay of Lexington announce the birth of a third daughter, Theresa Maureen, on June 15, at St. Anthony hospital in Pendleton. Theresa Maureen's sisters are Ann Marie and Mary Catherine, and she also has a brother, Alex.

The baby weighed 6 lb., 13 oz.

Dismissed after receiving medical care were Lucille Clark and Ruby Fullerton, both of Heppner.

Dean Wright, Heppner, was transferred to Pendleton.

Forest Service Lists Three Timber Sales

Three timber sales were made recently on the Umatilla National Forest, according to Herbert B. Rudolph, Forest Supervisor.

Walla Walla District's Target Meadows No. 2 sale was sold to Boise Cascade Corporation for \$98,207.50. The volume was estimated at 1,630,000 board feet and appraised at \$74,116.10. The sale area is in Umatilla county several miles northeast of Tollgate and about 23 miles northwest of Elgin. Final price bid per thousand board feet was \$60.25 for lodgepole pine and other coniferous species. The two bidders present submitted a total of 124 bids.

Boise Cascade Corporation was also the successful bidder for Forks Lodgepole, a lump sum sale on the Dale Ranger District. The area of 498 acres is in Grant county in the Meadow Creek drainage about 26 miles southeast of Ukiah. It was appraised at \$63,106.56 and sold for \$179,778. The final price bid was \$361 per acre. A total of 137 bids

were submitted by the two bidders present. Another Dale District sale, East Meadowbrook, was purchased by Georgia-Pacific Corporation for \$539,843.93. The estimated volume of 9,800,000 board feet was appraised at \$538,914. The sale area is in Grant county about four miles southeast of Dale Ranger station. Final prices bid per thousand board feet were \$54.60 for ponderosa pine and \$58.76 for Douglas-fir and other coniferous species. Only five bids were submitted by the three bidders present.

Lessons to Start At Re-opened Pool

Swimming lessons at the Heppner pool, reopened June 21, will start next Monday, June 30, with registration from 11 a.m. to noon at the pool. Two dollars a student will cover pool costs. American Red Cross supplies teaching material at no cost.

Times for classes which will run daily from 9 a.m. until noon, will be set on registration day. Each class will be half an hour in length. Classes for beginners, advanced beginners, intermediate, swimmers, and junior and senior lifesaving are planned.

No lessons will be held on the Fourth of July, but a make-up time will be scheduled. The pool will be open on the Fourth, from 1 to 5 p.m.

Teen nights are again planned for Friday evenings from 9 to 11. The charge is 50c. A ladies swim from 6 to 7 p.m., weekdays will cost 25c. If men are interested in a swim time, they should see the lifeguard, Bill McLeod.

Season tickets may be used only during the regular pool hours. Lessons and special swimming hours have separate fees.

BMCC Adds 9 To Faculty

Nine new faculty members have been added to the staff of Blue Mountain Community College for the 1969-70 school year, President Wallace W. McCrae announced yesterday. All but three have college teaching experience, and all have masters' degrees or better in their major field.

One of the new teachers, Bob Hirsch of Pendleton, is the first BMCC alumni to return to the college as an instructor. He attended Blue Mountain from 1964 to 1966 and served as student body president during 1965-66, the year the college moved to its new campus. He received a master's degree in political science last week from the University of Oregon.

Others added to the full time staff are:

James L. Burgess, journalism, from the University of Oregon; Ronald Caldwell, psychology, from Chico State College, California; Clark Hilden, geography and anthropology, a graduate of the University of Minnesota currently working as an analyst for the Central Intelligence Agency, Washington, D. C.

Brill Lee, audio-visual and reading instructor, a graduate of Eastern Oregon College and teacher in the Pendleton public schools the past three years.

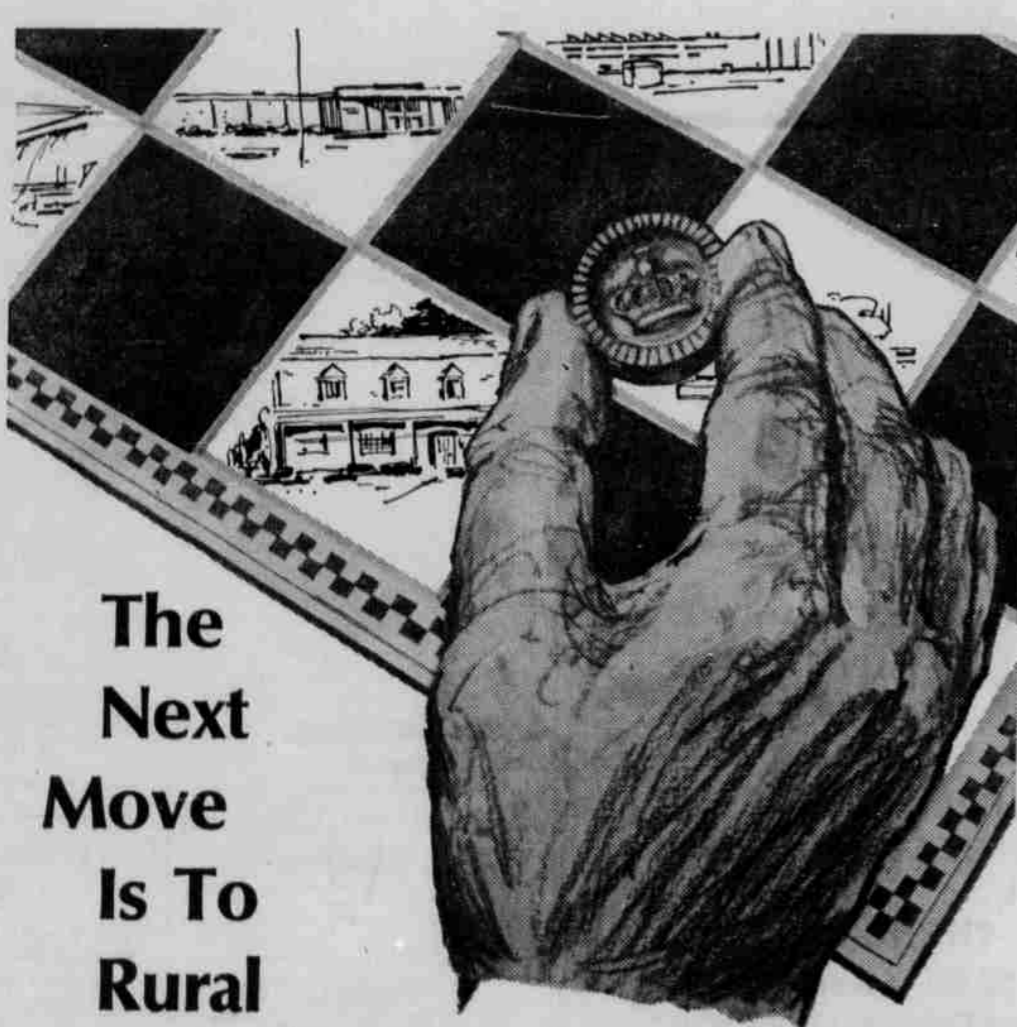

Mickey A. McClendon, mathematics, from Oregon State University; Jerold Miller, accounting, from the University of Arizona; Ronald S. Nohr, physical science, from the University of Illinois; and Danny Reams, speech and drama, from the University of Iowa and Washington State University.

MIMEOGRAPH PAPER and stencils, duplicator paper, master sheets and duplicator fluid on sale at The Gazette-Times.

The Next Move Is To Rural America

In recent years, 600,000 rural people annually moved to the cities. This migration is beginning to slow. We think the next move will be to the countryside... not away from it.

America's rural electric systems are preparing for that move.

By helping build new op-

portunities in rural America, we also help to ease the problems and tensions of our overcrowded urban communities. A better rural America will enable our nation to move closer to a true rural-urban balance—a balance we believe is essential to the future of city and country alike.
