

Houghton Plans Start of School

By FRANCES ROSE WILSON

IRRIGON—A. C. Houghton Elementary school will begin Friday, August 29, according to Principal Mick Tolar. Students should come prepared to pay their \$2.50 registration-insurance fee. The school cafeteria will be in operation and school will be dismissed at 1:00. New students may register any time Thursday, August 28.

New teachers this year are Mrs. Audrey Botti, grade 2, and Dennis Surmon, band.

David Kenney and his sister, Mary Kenney, returned to Irrigon from Westminster, Calif., to spend some time with their parents, Rev. and Mrs. John Kenney, pastor of the Assembly of God church. The Kennys drove out to meet them and they visited the Kaneeta Indian Resort before returning home. Miss Kenney has been teaching school for several years in California while David was working and attending college.

Mrs. Bob Gasser and Barbara drove to Pinehurst, Idaho, to visit Mrs. Gasser's parents, Mr. and Mrs. Jane Wilson and sister, Rose Wilson. Miss Wilson has accepted an overseas assignment to Tunisia, a small country on the Mediterranean coast of Africa.

Ann and Joan Gasser spent six weeks with their grandparents, and returned to Irrigon with their mother, while Barbara remained in Idaho for a visit.

Irrigon rated an added merchandising expansion the past week when Mr. and Mrs. Leon LeBlanc added groceries and picnic supplies to their Texaco station. Mrs. LeBlanc has stocked sewing supplies and cosmetics for some time. The LeBlancs find it necessary to open at an early hour to supply tourist trade. This adds to the availability of groceries for early risers.

Harvey Warner is being transferred to the Saint Mary hospital in Walla Walla where he will receive physical therapy for paralysis of his right side. His daughter and son-in-law, Mr. and Mrs. Pantelis Vrontakis and Jeffrey of Salem, visited him and Mrs. Warner over the past week-end. He has been at the Good Shepherd hospital in Hermiston the past week.

Mrs. Frank Hamlin and Mrs. Riley Munkers traveled to North Bend recently to attend the convention August 1-3 of the "8 and 40" social organization of the American Legion Auxiliary. They stayed at the convention headquarters at Pony Village, and returned home along the

Over The Tee Cup

By MARIE McQUARRIE

A fun time for over 30 people was the order of the evening Saturday at WCCC.

Lowell Gribble organized a two-ball foursome with a "shot-gun" start. We were told to keep track of score and number of putts used on each hole. Three partners, Helen Schaffitz and Lowell Gribble; Beverly Gundersen and Ed Hiemstra, and Hazel Mahoney and Ed Schaffitz tied for low gross, all with a 38. A contest of the gals was held on the putting green to decide the winners. Beverly had the least putts, making her and Ed winners for the evening. Marie McQuarrie and Hoot Leslie of Hardman received the consolation balls.

Some who couldn't make it for going came later for the scrumptious meal and friendly atmosphere. We are glad to welcome back from a vacationing summer, Marylee and Ed Hiemstra. Ed is our new vice-president, having been elected to the office in his absence. He didn't seem to mind, as he just smiled and accepted the position. He is filling the place of Dick Carpenter, now of Brownsville.

Many youngsters of the golfers attended the barbecue, making this a family affair in the new American way of life. We are happy to see the "kids" there playing and enjoying the dinner with their families. Doug Gundersen, in a cast and sitting in his wheelchair, has been a faithful onlooker at most of our barbecues, since his operation in Portland in June. It is nice to have you there, Doug, watching the activities, even though you would rather be golfing. Won't be long until you are back swinging that club so well.

Last Tuesday was a "great day in the morning" for golf. Least putts on No. 4 green was chosen for the awarding of the golf ball. Four gals had to chip-off for the coveted prize. This was done very legally, one person chipping at a time and the others with their backs turned so they couldn't see how close to the pin the "chipper" placed his ball. No. 4 green is a dilly for making a ball "sit", so it was quite a challenge. Beverly Gundersen came closest and earned the title of the winner for the day.

The golf course was well occupied Sunday, with the men playing in the morning and a two-ball foursome in the afternoon.

Ladies' Day will start at 9:00 beginning Tuesday, August 22. Maybe more gals will like this time set one-half hour later. Don't forget.

Let's all support the Morrow County Fair and Rodeo this week. Golfing can come in when you are tired of sitting and have a couple of hours to kill. You can then stretch your legs and get in your walking and swinging. Ride 'Em Cowboys!
