

MR. AND MRS. JOHN MARVIN WEYGANDT (Brenda Kay Young)

Church Rites Unite Couple

The United Methodist church was the scene of an early summer wedding which united Miss Brenda Kay Young, daughter of Mr. and Mrs. Harley Young of Heppner, and John Marvin Weygandt, son of Mr. and Mrs. R. M. Weygandt of Canby.

Vows were read by the Rev. Melvin W. Dixon, former Heppner minister, and now of Cottage Grove, on Saturday afternoon, June 21. Altar arrangements and baskets of large white daisies and pink gladioli provided the floral background. White satin pew bows marked the white carpeted bridal aisle.

Escorted by her father, the bride wore an empire gown of white crepe with bodice and belled elbow-length sleeves of embroidered lace, which was also featured in the chapel train. Her elbow-length veil of illusion net was held by a single tulle rose. A white orchid centered the bridal bouquet, surrounded by stephanotis, pink roses and ivy. Her only jewelry was an heirloom pin, a gift of the groom, which belonged to his grandmother.

Maid of honor for her sister was Miss Debbie Young. Bridesmaids were Miss Marcia Young, also sister of the bride, Miss Pam McCabe, and Miss Janet White, niece of the groom.

Gown of the maid of honor was a floor-length empire styled crepe of hot pink, with bridesmaids wearing matching styled gowns of light pink crepe, all with full long sleeves of rayon georgette. Their matching headpieces were of sheer net, held by matching bows. They carried colonial bouquets of pink and white daisy chrysanthemums and small pink rosebuds.

R. A. (Buzz) Weygandt, attended his brother as best man. Ushers were Robert Haun of Oregon City, Lance White, brother-in-law of the groom, and Hugh Boyle, both of Canby.

Lighting tapers before the ceremony were Bruce Young, brother of the bride, and Lisa Weygandt, niece of the groom.

Organ selections were played by Mrs. W. S. Miller, who also accompanied Mrs. Jay Wheelhouse when she sang, "Wither Thou Goest" and "The Wedding Prayer".

For her daughter's wedding, Mrs. Young wore an azure crepe dress with light blue lace over-dress, navy blue accessories, and pink cimbidium corsage. Mrs. Weygandt, mother of the groom, chose a mint green linen dress with white lace coat and corsage of yellow cimbidium orchids.

Guests were greeted at a reception in the downstairs social rooms. A four-tiered wedding cake, created by the bride's mother, featured pink and white decorations, with floral base of daisy mums. The bride's and attendant's bouquets were placed around the cake as well.

Mrs. Lance White, sister of the groom, served the cake; Mrs. R. A. Weygandt, sister-in-law of the groom, poured coffee, and Miss Barbara Zickler served punch. The guest book was held by Miss Lori Weygandt, and at the gift table were Misses Lynn Weygandt and Judi White.

After a wedding trip to Lake Louise, Banff and Victoria, B. C., the couple now reside at 2850 S. 99E, Space 17, Forest Park Mobile Village in Oregon City.

After graduating from Heppner High school in 1966, the bride attended Eastern Oregon College in La Grande and will enroll for her senior year this fall at Oregon College of Education in Monmouth.

Mr. Weygandt was a graduate of Canby High school, and is presently associated with Weygandt Machine Co. in Canby.

Extension Continues Two-County Service

Home Economics Extension work will continue to be handled on an area basis in Umatilla and Morrow counties during the next year, according to the Oregon State University Cooperative Extension Service. Home Agent Molly Saul will be responsible for the adult Home Economics work in the two counties. When a 4-H Home Economics agent is employed, she will be responsible for carrying out the Home Economics youth work in both counties.

Mrs. Garry Tullis, Ione, has been employed as a part-time Extension Aide in Morrow county, to assist with carrying out the adult and youth Home Economics programs.

Area Extension teaching is becoming a common practice throughout Oregon and other parts of the United States. With state budgets becoming tighter, it has proven practical to have Extension agents specialize in specific subject matters, and extend their teaching over a wider geographic area.
