Shower Honors Bonnie Irwin

By FRANCES ROSE WILSON

IRRIGON—The ladies of the Baptist Community church gave a bridal shower for Mrs. Clayton (Bonnie) Irwin on Friday in the basement of the church. The hostesses were Mrs. Mary Adams, Mrs. Sylvia Morgan, and Mrs. Elva Sanders. Mrs. Joan Adams made the beautifully decorated cake which was served to 23 guests.

Mrs. Irwin plans to travel by plane to join her husband who is in the Navy, stationed in San Diego, Calif. The young couple were married in July.

The Irrigon Rural Fire Department answered two calls last week. Fortunately neither fire caused serious damage. The first fire was in a wash house in a cabin court in town and the second a grass fire west of Irrigon.

Football Films Offered by Bank

For the fifth consecutive year, First National Bank of Oregon has made prints available of half-hour motion pictures on the National Football League for showing at meetings of local organizations.

Available this year through the bank's 118 statewide offices is a new film, "NFL Gamebreakers," which captures the excitement, glamour, emotions and dramatics of professional football.

Films offered by First National Bank in 1965, 1966, 1967 and 1968 are "How to Watch Pro Football," "The Key Plays of Pro Football," "NFL Highlights of 1967."

Orders for all five of the colorful football films are now being accepted at First National branches.

Due to the previous popularity of the NFL films and the fact that the bank has a limited number of prints, groups wishing to see the motion pictures should get their requests in as far in advance as possible.

Porter Ross of Portland, was here Tuesday through Saturday at the Leighton home, working on his property and for Don Leighton.

Mrs. Gertrude Van Horn was here from Idaho to see about the rental of her pasture land.

COLE ELECTRIC

Tutuilla Rd. 276-7761, Pendleton

'OFF TO ANOTHER 'BARN-RAISING'

The people of America's rural electric systems are constantly at work—meeting the needs of their communities, searching out new answers for today's problems.

In some areas they're lending assistance and equipment for a modern version of yesterday's barn-raising. Neighbors pitch in and work with neighbors, building their own homes—putting an old custom to work to help solve one of rural America's serious problems, a shortage of good housing.

Self-help housing is just one answer to just one problem. But throughout the countryside, where needs exist, you'll find rural electric people working to find the answers.
