The Oregon School Activities Association Board of Control at a special meeting November 7 voted to submit a regional plan that was presented by Board member Ron Daniels, Morrow County School District Superintendent to the class A schools. Following consideration by the Class A school administrators and suggestions by them the board will act on the proposal at its November 29 meeting in Corvallis.

League realignments for Class A-1 and A-2 high schools in the state were formally adopted.

A. Oden Hawes, OSAA executive secretary, said that the board approved the Classification and Districting Committee's recommendations, and as a result, several changes were made in the original realignment of last May.

In Class A-1, which will become Class AAA next school year, Central High school of Independence-Monmouth has been placed in District No. 4 as has Sweet Home High school. District No. 4 is made up of the smaller Class AAA schools in the metropolitan area.

McLoughlin High school of

Milton-Freewater also has been placed, as per its request, in Class AAA District No. 7. Mac-Hi has competed in this district in the past but was eligible under the new enrollment limits to drop down to Class AA competition.

Lake Oswego's request to be transferred from Class AAA District No. 2 to Class AAA District No. 3 was denied by the board. However, it was stipulated that the request would be reviewed when the second high school in Lake Oswego is completed.

Following are Class AAA and AA district alignments in District No. 7 that will go into effect with the 1970-71 school year:

**Class AAA (1970-1971)**

### Paint Study Course Slated in 2 Counties

"How to Select New Paint Products" will be the subject of all Home Extension unit study lessons in Morrow and Umatilla counties for November. Project leaders recently received their training to teach the lesson from Dorothy Brown, extension home furnishings specialist, Oregon State University.

This lesson is designed to help the homemaker determine the type of paint to purchase for specific household purposes.

All homemakers in Morrow and Umatilla counties are invited to attend one of these timely study lessons. The lesson will be taught in six different locations in Morrow county.

Extension homemakers who will teach the lesson are: Rhea Creek, Iva Booker and Mrs. R. Lowe; Pine City, Mrs. Weldon Witherrite and Mrs. George Luciano; Ione, Mrs. Darrell James and Mrs. Adon Hamlett; Boardman, Mrs. James Harper and Mrs. Donald Baker; Heppner, Mrs. Norman Clow and Mrs. Elwayne Bergstrom.

### 9 from County At Hearing Clinic

A diagnostic otology clinic for Umatilla-Morrow County school children was held at First Methodist Church in Hermiston on Oct. 30, according to Mrs. Lowell Chally, R. N., Morrow County Health Department.

Nine children from Morrow County schools attended the clinic as a follow-up of the recent audiometric testing done in the schools of kindergarten, first, third, fifth and seventh grades, and including referrals from other grades. Appointments were arranged by Mrs. Chally, who also assisted at the clinic.

The clinic provided diagnostic services only. Any child felt to benefit from further medical care was referred to the private physician for further treatment.

Dr. Alexander Schluening, Portland otologist and instructor at the University of Oregon Medical School, was the examining specialist. Ernest Cristler, Intermediate Education District, Umatilla and Morrow Counties, and Jesse McQuire, audiologist, Hearing Aid Section, Oregon State Board of Health, did the audiometric rechecking of the children.

Six girls of the 4-H Stitches-A-Go-Go Sewing Club met Nov. 6 at the home of Mrs. Robert Laughlin. We worked on pot holders. A new member came into the club, Jan Johnson.

The next meeting will be Nov. 13 at Robert Laughlins with Mrs. Laughlin as leader.
