**Lions Club Wants Toys**

**By FRANCES ROSE WILSON**

**IRRIGON**—The Irrigon Lions Club plans to make a drive to collect toys for the blind school in Salem. Any good used toys or toys that can be repaired may be left at the Texaco Station or call Mrs. James McRae and they will be picked up.

The Complete Food Store will be back under the management of Mr. and Mrs. Chris Christensen on Friday, Nov. 29. They have been painting and restocking the shelves this week.

Mr. and Mrs. Christensen met his 88-year-old mother, Mrs. Henrietta Christensen at the Pendleton Airport. She is here from Reno, Nev., for the Thanksgiving holiday. The Christensens plan a family dinner when other members of the family will be at home.

Mr. and Mrs. Ernest Jorgensen, Justice of the Peace here, received word from their son Airman 1C Don Jorgensen that he would be leaving for temporary duty in Vietnam, on Nov. 30. He is stationed at Whiteman AFB, Mo.

Ladies of the Irrigon Lions Auxiliary visited the Auxiliary meetings in both Maupin and Pendleton recently. They brought back glowing reports of the winter wreaths and centerpieces which the women in Maupin displayed and gave instruction on making.

At the meeting in Pendleton Mrs. Carrie LeBlanc received the door prize, which was a beautiful little egg timer containing a cultured pearl. The subject for the day was Japan. Some of the local members wore Japanese outfits. Films were shown of Tokyo and other points of interest in Japan.

Those attending from here were Mrs. Hazel McRae, Mrs. Helen Mulkey, Mrs. Crystal Gollyhorn, Mrs. Marge Christensen, Mrs. Carrie LeBlanc and Mrs. Margaret Jorgensen. Mrs. Bessie Kerlin attended the Pendleton meeting while Mrs. McRae attended the Maupin meeting only.

Mrs. Walter Agee urged members of the Women's Missionary Council to write NASA officials expressing a desire to keep the privilege of quoting scripture a part of the American way of life. Some questions arose after the Apollo 11 flight when the Astronaut quoted "In the beginning God created the heavens and the earth", as to whether this was proper or not. Mrs. Agee noted that we didn't hear the Bible quoted from the Apollo 12 flight. One address given was NASA Officials, Family Radio, San Francisco, Calif. 94134.

**Water Bonds Studied**

A special meeting of the Council and Planning Commission was held Nov. 21, with several visitors attending. Its purpose was to discuss operation of the new water system and method of retiring the bonded indebtedness. Since the project was built by funds secured by a revenue bond, it will be necessary for income from the system to cover debt requirements as well as operational costs.

About 32 of the 51 services needed to produce sufficient incomes have been connected to the system and several alternatives to correct the situation were proposed all appearing to have some inequities.

It is believed the situation is temporary and that any measure to assess those who requested meters and who are not using water where these have been installed would be temporary.

Jay Berry of Portland spent the weekend with Mr. and Mrs. Al Partlow and Sheryl.
