The double ring service was read by Rev. Collins before a small group of relatives and close friends.

The bride wore a street length dress of beige lace with a shoulder length veil. She wore an orchid corsage. Mrs. Donald Nickelsen of Kinzua was the matron of honor and wore a street length dress of black velvet with a corsage of pink carnations. Bruce Kandle of Kinzua was best man for his brother.

Immediately after the ceremony, a reception was held at the Keller home where the rooms were decorated with fall flowers and a three tiered cake centered the serving table.

After the bridal couple cut and shared the first slice of cake, it was cut and served by the bride's aunt, Mrs. Willard Lennon of Portland. Punch was served by Mrs. Mark Jellick of Kinzua, aunt of the groom and coffee was poured by Mrs. Jack Sitton of Kinzua.

After a short wedding trip, Mr. Kandle had to leave to resume his duties with the U. S. Navy and Mrs. Kandle will remain in Madras. She is employed with Beneficial Finance Company in Madras.

Both Mr. and Mrs. Kandle are graduates of Wheeler High School in Fossil.

Where Were They?

Why weren't the parents there? Teachers were asking themselves this question at the November Heppner Elementary See-It-Yourself evening. The presentations were tremendous tools for learning.

At one table, parents experienced as their children do, the Audio-lingual approach to reading in which they read the material in the book as they were hearing it on the ear phones.

They saw the before, during and after procedures used for learning from an educational

TV lesson.

They saw an individual film strip movie. The film on any subject is encased in a rewinding packet. The student selects his topic, slides the packet into the slot and sits back and looks. The picture shown that evening went from frog eggs to the adult frog. Absolutely wonderful.

Another amazing tool was that one used in speed reading. Only one line at a time was shown on the screen with "blobs" of light revealing the line in two stops. This machine

can be set for many levels of reading speed.

The PTA sponsored the evening in cooperation with the school administration and teachers. Refreshments were provided by the PTA which parents enjoyed as they moved from one exhibit to another, talked with their children's teachers and visited friends. Arnold Raymond, PTA president, will accept dues at any time at the Gazette-Times or contact Mrs. Wallace Wolff, membership chairman.

Poisonous Plants Topic For Ione Garden Club

The Ione Garden Club met Nov. 12 at the ranch home of former member Mrs. Phill Emert at Echo. Mrs. Lee Pettyjohn and Mrs. Ernie Christopherson were hostesses.

The program, a repeat by the request of members, was on poisonous plants from the book "Deadly Harvest" by John Kingsbury. Many common plants in the garden and home have parts that are poisonous so actually people are warned not to eat or rub on their skin plants that are unknown to them. Eating or working with the plants may result in skin irritation or gastrointestinal disturbances. Many of these same plants are life saving when processed for medical use. If an illness is caused by some plant, shrub or pit, a physician should be called immediately.

Briefly: the liquid from the poinsettia is poisonous, the leaves from the rhubarb, the outer covering of nuts, apricot seeds, castor bean seeds, to name a few.

The 16 members responded to roll call with the where, when and how to plant their chosen flower of the year. Mrs. Fred Martin was appointed treasurer to fill the unexpired term of Mrs. Omar Rietmann. Mrs. Harold Huber was appointed Garden Club Cook Book chairman. The group is selling two books on desserts and casseroles which are compiled from recipes of garden club members all over the United States. Mrs. Kenneth Klinger, is chairman of the floral stationery sale.

The group gave a bulb and plant shower for Mrs. Emert in her new home. The next meeting will be an all-day "Make It For Christmas" workshop no Dec. 10. All members are to invite a guest.
