KINZUA — In a single ring ceremony Friday evening at the Kinzua Community Church, Miss Charlotte Hatter, daughter of Mrs. Robert Kaufman of North Bend and Wallace Hatter of Springfield, became the bride of Larry Larson, son of Mrs. Georgann Nichols of The Dalles. The service was read by Rev. Edwin Derrick before the altar decorated with bouquets of flowers and lighted candles.

The bride, escorted to the altar by her step-father, Robert Kaufman, wore a long dress of pale blue satin fashioned with an overblouse and long sleeves of white lace. Her elbow length veil was held in place with a pearl tiara and she carried a white orchid on a white Bible. Mrs. John Jackson of Kinzua served as matron of honor and wore a street length dress of blue sheer and her corsage was of white carnations.

Past Years

Thursday, January 2, 1930
FORTY YEARS AGO

Within a few days drilling operations will start on a well at the forks of Willow Creek, 12 miles from Heppner, to provide this city with a better and more ample supply of water. Contract for driving the well was awarded A. A. Durand of Walla Walla, Wash., in November by the City Council. His contract calls for a price of \$10 per foot for the first 3000 feet, with an increase of \$1 per foot for each hundred feet thereafter. The well is to be drilled on land obtained from Frank Wilkinson.

Uncle Sam will begin to count his nephews and nieces on the first of April, 1930, and this year he is going to find out a lot more about them than that has been known before. For example, one of the things which it is important to know, is the average age of our people. Another question the enumerator will ask is "Who is the head of the family?" A total of twenty-four questions will be asked concerning age, sex, color, marital status, place of your birth and your parent's birth and if you are able to read and write.
