Society AND Clubs

DOT'S JOTS

I just wouldn't want to live where the temperature was the same the year around. I love the four seasons and I like snow in the winter time when you're supposed to have snow... and not in March when I'm looking for spring!

Beautiful Tree in the Snow
Saturday's snow was beautiful and Charlie promised to walk with me in the snow. Before we started Mrs. Ernie Garrison called to ask if we wouldn't like to see their beautiful Christmas tree... so we walked down that way and stopped in for a cup of coffee. She was right; the tree is a beautifully shaped (not sheared) Blue Spruce. The colored lights reflected on the snow made a beautiful sight.

We enjoyed their cordial hospitality which not only included a tour of their spacious home but they insisted our dog Dewey share the warmth of their home, too. Speaking of linen closets... she has a whole room!

Another holiday highlight was a chance to see the prize winning lights at the Milo Prindles from the inside looking out on New Year's Day. They have done some beautiful rock work and have the rock ready to do more. Zella has a green thumb and her amaryllis had three massive blooms. It grew so fast they could measure it's daily growth.

Her cooky-candy tray was filled with delectables which included pralines as good as we have eaten in New Orleans. AND THE DIP for the cubed ham was out of this world... blackberry jam mixed with sharp mustard. So good it makes my mouth water just to write about it!

Rebekahs Review Past Year, Plan 1970 Activities

Sans Souci Rebekah Lodge No. 33 began the year early as the regular meeting was held Jan. 2. Plans were made for joint installation of officers Jan. 10 with Willows IOOF No. 66. Menu committee named for that occasion were Opal Cook, Pearl Wright, Mildred Padberg and Ola Ruggles.

New Year greeting cards were read from members and former Heppner residents, Tacie Parker of Walla Walla, and Lulu Johnson, who makes her home in Honolulu, Hawaii.

Many saw the Odd Fellow and Rebekah float in the Tournament of Roses Parade on TV Jan. 1. It depicted the Liberty Bell and won the theme prize

in the parade. Much publicity was given the Order for being a heavy contributor to the John Hopkins Eye Bank research project. The Noble Grand, Opal Cook, read a New Year's recipe to follow throughout the year. She gave each of her officers a gift she had made. She also presented to Deputy President, Adelle LaTrace Sans Souci's Deputy President's Jewel to wear during her term of office.

Those having perfect meeting attendance for 1969 were applauded, these being Letha Archer, Mildred Padberg, Esther Bergstrom and Adelle LaTrace.

Mary McMurtry was elected Vice Grand for the coming year. A staff of members draped the

Charter in memory of Hannah Anderson, a veteran member of Sans Souci. Both the late Mr. and Mrs. Ben Anderson had been faithful Rebekah lodge members.

Opal Cook served refreshments during the social hour. She has been an excellent leader the past term, seeing that many were present for the meetings that otherwise could not have attended.
