Gymnastics Group To Pendleton

A group of girls interested in gymnastics are going to Pendleton Friday to have a Beginners Meet with Pendleton. They will perform in several sections: floor exercise (tumbling and dancing) uneven parallel bars, balance beam and vaulting. The girls will be accompanied by their instructor Mrs. Clint Agee. Planning to go are Peggy Taylor, floor exercise and vaulting; balance beam, Diane Cox, vaulting; Kathy Arrington, uneven parallel bars and floor exercise; Glenda Kay Van Winkle, uneven parallel bars; Diana Wright, floor exercise; Jamie Smith, floor exercise; Mary Healy, floor exercise; Linda Baker, floor exercise and Penny Marquardt, floor exercise.

The Kooly Cooks 4-H club held their first meeting Jan. 6 at the home of our leader, Dora Sue Viall. At this meeting we elected our officers as follows:

President—Joyce Marquardt; vice president—Margie Viall; secretary—Anita Davidson, and news reporter—Sharon McCarl.

The second meeting was held Jan. 20 at the home of our leader.

At this meeting we decided to have a bake sale which was held Jan. 24. We fixed grilled cheese sandwiches.

Sharon McCarl, reporter

Carnation Club Meets

The Carnation Club held their first meeting of the year Jan. 21 at the home of Ida Farra. The theme for the evening was The Good Old Days. Ida Farra was dressed in antique clothes and hat with large feathered plume. The meeting was called to order by president Ardith Hunt. Plans for community service projects and other club projects were discussed. Those attending were Ardith Hunt, Rachel Harnett, Adelle LaTrace, Bernice Nash, Irene Nolan, Oma Cox, Mary Bryant, Martha King, Eugenia Huston and Ida Farra. Two interesting games were played with First prize won by Ardith Hunt, second prize Irene Nolan and the door prize was won by Bernice Nash. Delicious refreshments of Norwegian Crumb Cake with lemon custard filling, assorted donuts, nuts, chocolates, Russian Tea and coffee. The next meeting will be a Valentine Party Feb. 18th at the home of Mary Bryant with Bernice Nash as co-hostess.

The group has had a response from the Ditty Bags sent to Service Men.

FHA Plans Benefit

The FHA Girls of Heppner High will have a Doughnut Sale during half time at both the JV and Varsity basketball games with Wahtonka this Friday. Proceeds will go for the March of Dimes. They will have a variety of doughnuts, chocolate, sugared or plain. They will also sell coffee and pie.

In effort to have people think March of Dimes other than just during the month of January, the girls plan a Fashion Show and a movie later this spring.

LES LEDINGTON ON USS YORKTOWN

USS YORKTOWN—Navy Fireman Leslie N. Ledington, son of Mr. and Mrs. Victor H. Ledington of Spray, Ore., is serving aboard the anti-submarine aircraft carrier USS YORKTOWN in Norfolk, Va.

The ship arrived in Norfolk following a three-month cruise in the North Atlantic which included visits to ports in France, Holland, Germany, Denmark and England.

Mr. and Mrs. Jerry Samples, Diane, Andy and Heidi were over this weekend from Pendleton to visit his parents, Mr. and Mrs. Mark Samples and stopped by to see Mr. and Mrs. Jerry Hollomon.

Golden Age Social

Golden Age Club will meet at 7:00, Tuesday, Feb. 3 for a potluck dinner at the Episcopal Parish Hall.

Following the dinner a movie, "The Parable", will be shown by Rev. Edwin Cutting. Singing and other entertainment is also planned for the evening. All Golden Agers are invited to attend this special evening.

Leaders Needed For Shirt Workshop

Shirt Workshop leader training is scheduled to start with a preliminary meeting on Feb. 5. At this time we do not have volunteers to take the leader training from the Heppner-Ione-Lexington area. Two women are needed from this area.

Anyone interested in learning the best and newest techniques

for constructing a wool or wool-blend shirt for the men, boys, or women in your family, please call 676-9642—County Extension office.

Dates for leader training are February 5-25-26. Place of training has not yet been announced.

Naomi Davis, Home Agent for

Umatilla-Morrow County will conduct the training workshops. All ladies interested in taking the workshop either as leaders or students are asked to notify the office at once.

Birdine Tullis

Pamela Proudfoot has returned to Whitman College after spending some time visiting with her folks, Mr. and Mrs. John Proudfoot at Ione.

The Stitch-a-Go sewing group met on Jan. 22. Our 4-H leader is Mrs. Robert Laughlin. Teresa Hughes was elected as news reporter to replace Tami Toll. We also cut our patterns for the tote bags we are making.

Our next meeting will be held Jan. 29.

Teresa Hughes

Bronate: It's a simple matter of life and death.

Wheat should live.
Weeds should die.

And that's the way it would be if most companies didn't have such a difficult time making a weed killer that leaves the wheat alone.

A New Kind of Weedkiller.

The first thing we did was start out with a whole new concept.

Instead of worrying so much about killing the weeds (that would come, we knew) we worried about the wheat.

Always the wheat.

After years of experimenting and hundreds of tests we finally were satisfied that we had a general weed killer for which wheat had an unusually high tolerance. A herbicide that also took care of the important broadleaf weeds that keep popping up with your wheat.

But that wasn't where we stopped.

Because then we took special aim at the 6 specific weeds that drive wheat

farmers here in the Northwest crazy.

First, we took care of Tarweed. Then Gromwell and Purple Mustard. Then—always making sure that high crop tolerance was there—we conquered Henbit and Dogfennel, and even Crowfoot.

Then, and only then, were we satisfied. Because after years of working we finally had a weed killer that not only kills the broadest range of weeds, but also gives you a much higher bushel yield per acre than you've ever had before.

Used in Real Life.

Bronate is way beyond the test stage. Bronate has been on the market now for four years. It is actually being used by hundreds of your neighboring farmers with great success.

Because with Bronate the wheat lives. And the weeds die. And that's the way it was meant to be.

For more information on how Bronate can help you, please see your supplier or your Rhodia/Chipman representative.
