News Writer Needed

Anyone who would be willing in the Ione community to write the Ione news for the Gazette should contact the Gazette office. It has been a difficult chore trying to do a good job and work elsewhere. So it is with reluctance that I feel I cannot continue.

Poetry Published In Youth Magazine

Readers of "Jack and Jill" magazine will find on page 60 of the February issue, a poem entitled "Think Twice". The author of the clever article of poetry is Pamela Bostwick, better known in the Heppner area as Pam Cochell Wilkinson, daughter of Mr. and Mrs. Dick Wilkinson.

Mrs. Bostwick graduated from Heppner High School with the class of 1964 and is presently living in Tempe, Ariz.

"Think Twice" is the first poem she has had published.

Yawning may be bad manners—but at least it's an honest opinion.

Padberg Sees New Line

Elden Padberg, Padberg Machinery, Inc., of Lexington, attended Allis-Chalmers formal dedication of its new warehouse and office facility in Beaverton.

He was among about 150 of the company's dealers from a six-state area invited to the occasion.

In a '70 kickoff sales meeting that followed, Richard Popkes, manager of the new farm equipment branch, pointed out that the modern facility is geared to provide customer service. The 44,000 square foot warehouse stocks machinery and parts for the firm's line of farm and lawn and garden equipment.

The new facility includes 11½ acres of land with plenty of room for future expansion as business continues to grow in the Northwest.

The company's 1970 line of wheel and crawler tractors, Cleaner combines and implements was reviewed.

"It's just a suggestion, gentlemen," said the chairman of the board, "but let's not forget who's making it."
